SOAKS RIGHT IN AND LIMBERS UP STIFF JOINTS

Pharmacists call it "Joint-Ease" because it's for Swollen, Sore, Painful, Creaky Joints only

It took a good many years to get together a combination of pain subduing and swelling reducing agents declared to be the one remedy that almost instantly penetrates through skin and flesh and starts right in to make swollen, inflamed, creaky, pain racked joints as good as new.

They call this new and wonderful preparation "Joint-Ease" because the medical man who turned the trick, worked for years to perfect some low-priced remedy that would really benefit the millions of people who have one or more joints that need helpful attention.

So "Joint-Ease" is prepared only for people who have a swollen, painful, creaky, distorted or stiff joint, whether it be in knee, elbow, shoulder, ankle, neck or finger and whether it is caused by rheumatism or something else.

Of course, it can't help but quickly put an end to such superficial ailments as lumbago, neuralgia, neuritis, aching muscles, stitch in the side, orick in the neck or sore feet because of its penetrating action, but what it is really recommended for is joint ailments of any nature whatever.

Ask for a tube of "Joint-Ease." You can use it several times in one evening for quick results, because it goes right through the skin with only a few seconds rubbing. It surely is a swift penetrator and when it gets under the skin, it starts right in to clean up all joint trouble.

All first-class druggists everywhere dispense it daily for about 60 cents a tube. 280

The Home of Bread Like Mother Made

One of Ben Franklin's best sayings was—"He who buys what he does not need, will sometime need what he cannot buy."

Clerks, credits and deliveries are very expensive,—yet are bought by many who could easily increase their savings by avoiding that expense. There are many other good reasons for trading here.

The housewife who sets the best table is the one who is most careful when selecting her foods. You can deliberate as long as you like here as there are no clerks to hurry you, neither do you have to wait for them. Just shop around midst the most complete stock of groceries in Southern Oregon and join the thrifty housewives who "Set a better table for less."

Before Flour advanced we bought heavily and will give you a chance to buy as we did, so for Saturday—
