

'It's Wonderful'

Mrs. Hendry says she has not felt as well in years as she does now, and gives Tanlac all credit.

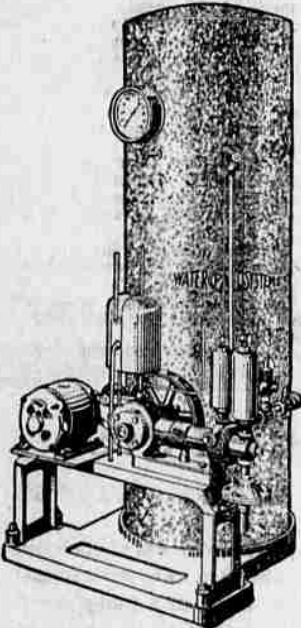

MRS. MINNIE HENDRY

"I haven't felt as well in years as I do now, and I must give Tanlac the credit," declares Mrs. Minnie Hendry, 3812 Hopkins St., Oakland, Calif. "For four or five years before I took Tanlac I suffered terribly with my stomach. My appetite was missing. I never enjoyed my meals, nothing seemed to nourish me, and nausea and faintness often forced me to bed. Sick headaches and loss of sleep made me just mope around and my weight decreased alarmingly. After taking eight bottles of Tanlac my stomach feels just right, and I have actually gained twenty-six pounds in weight. The old feeling of weakness is gone, and I am so strong I can do all my work with ease. Tanlac is wonderful."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

ZEROLENE

F for FORDS

wrist pin bearing

PUTS OIL where oil is needed

Any Ford mechanic will tell you that the points in the Ford engine which are ordinarily the first to suffer from lack of proper lubrication are the wrist pin bearings (here illustrated) and the upper part of the cylinder walls.

Excellent though the Ford splash system is, if a heavy or otherwise unsuitable oil is used, it does not get to these relatively more inaccessible bearings and trouble results.

Zerolene "F" for Fords, the new oil developed by our research engineers after years of study and experiment, has the right body and the right crawling and adhesive qualities which enable it to reach every point in the Ford motor requiring lubrication. It will improve the power and gasoline mileage, reduce upkeep costs and lengthen the life of every Ford in which it is used. And it costs not more but less than most of the special Ford oils now on the market.

ANNOUNCEMENTS

STATE REPRESENTATIVES

I have represented the people of Jackson County one term in the State legislature and feel that the legislative experience gained has fitted me for a larger and more practical service in the future.

I therefore announce myself as a candidate for the State Representative subject to the republican primary.

Adv. 14. RALPH COWGILL.

I hereby announce myself a candidate for re-election as one of the two representatives from Jackson County to the State Legislature, subject to the May primary.

I feel that my previous service in the legislature enables me to better serve the people.

Adv. 14. JOHN H. CARRIN.

SHERIFF

I hereby announce myself a candidate for the nomination of Sheriff of Jackson County on the republican ticket, subject to the voters of said county at the primary for May. I am nominated and elected to the office of Sheriff of Jackson County and I shall appoint to enforce all laws including the 15th Amendment with efficiency and economy. If you do not want the laws enforced, do not vote for me.

Adv. 14. D. A. LYONS, Central Point.

As a candidate in the republican primaries for the office of Sheriff, I desire to clearly define my position on the future conduct of that office, if elected.

My experience as a deputy sheriff of Jackson County, and as a State Traffic Officer, has taught me that no peace officer can give satisfactory and efficient service to the public, unless his authority and responsibility are shared by another. The present unsatisfactory law-enforcing conditions are largely attributable to divided authority between antagonistic peace officers, elements that are certain to produce conflict, inefficiency and useless expense.

If elected I shall insist upon and expect to maintain the right to perform all the duties of Sheriff in this County, and it follows that I will be uncompromisingly opposed to special officers except Federal Agents, with whom I pledge full and complete cooperation. I am in thorough accord with both the letter and spirit of the prohibition laws and pledge my active and untiring efforts in their enforcement.

Adv. 14. J. J. McMAHON.

CORONER

I hereby announce myself as a candidate on the republican ticket for nomination at the county primary for the office of coroner of Jackson County.

By virtue of my profession as an undertaker, I feel that I have every qualification and the necessary equipment to properly handle any duties which may arise.

Adv. 14. H. W. CONGER.

I am a republican candidate for reelection for Coroner of Jackson County, subject to primary May 10.

Platform: Experience, personal attention, economic management. Being a substantial taxpayer, I intend to give the economical management of all county offices.

Adv. 14. JOHN A. PERL.

COUNTY CLERK

I announce myself as a candidate for the republican nomination for County Clerk, subject to the primary in May. If elected I promise to perform the duties of my office in an economical and business-like manner.

Adv. 14. W. H. CRANDALL, Eagle Point.

I hereby announce myself as a candidate on the republican ticket for nomination for the office of County Clerk at the May primaries.

I have for the past five years been a deputy county clerk and am familiar with every branch of the office, and if elected, I will give close attention to the duties of the office and feel confident that I will prove worthy of your support.

Adv. 14. DELILIA STEVENS, Medford R. F. D. 2.

I am a candidate for the office of County Clerk, on the republican ticket, subject to the primary on May 10.

If elected County Clerk I will give to the office that high degree of efficiency which the people are justified in demanding of a public official.

Adv. 14. CARL Y. TENGWALD, Medford.

TREASURER

I am a candidate for the republican nomination for a second term as Treasurer of Jackson County, subject to the May primary. If not nominated and elected I will conduct the office as in the past, in accordance with the laws of the state.

Adv. 14. A. C. WALKER, Adv. 14.

JUDGE COUNTY COURT

Believing that I may be of service to the people of Jackson County, I hereby announce myself as a candidate for the republican nomination for Judge of the County Court at the May primaries.

Adv. 14. W. J. HARTZELL, Adv. 14.

I hereby announce my candidacy for County Judge, subject to the decision of the Democratic primary, on the following platform:

Reduce taxes through an economical and business-like administration of county affairs. Stop needless expenditures and waste and give proper support and attention to good roads, public schools and other vital and public necessities. Enforce the prohibition law efficiently and properly through proper agencies and eliminate special law enforcing organizations which are now causing divided authority and needless expense. Give to all a fair, square deal and not be responsible to any political faction, clique or organization.

Adv. 14. WILLIAM ULRICH.

COUNTY SUPERINTENDENT

I am a candidate for the May primaries for the Republican nomination as County School Superintendent of Jackson County. I have served the county for three and a half years as county superintendent, and will, if again elected, work earnestly for the cause of education as heretofore.

Adv. 14. SUSANNE HOMES CARTER.

COUNTY ASSESSOR

I am a candidate for renomination on the Republican ticket for the office of County Assessor, subject to the May primary. If nominated and elected I promise to give the same efficient service in the conduct of the office that I have in the past, and will continue to work for a better equalization of property values.
