FOR SALE OR TRADE—Phonographs, records, furniture and autos. Bargain prices. 15 N. Grape St. 287

The real price of a Used Car depends on the cost of its operation—not on what you paid for it. "Bargains" and "Snaps" usually have enormous appetites and in the final cost aren't worth their keep. Our cars cost no more to buy and much less to run, due to the systematic and thorough rebuilding process which means work and expense to us but we know that this is the only safe way to safeguard the buyer's interests.
