Although the rumor has persisted that opposition was crystalizing to the city entering into a contract with the Talent Irrigation District for 600 acre feet of water to be supplied from the proposed Emigrant creek unit for the relief of the water situation in the city, definite information along this line was announced this morning. According to E. E. Phipps, a meeting was held last night at the home of S. Patterson, at which plans were inaugurated for defeating the city in its purpose. Mr. Phipps states that oppurpose. Mr. Phipps states that op-ponents of the contract have clubbed together and contributed sufficient funds with which to pay for legal services and to carry on the fight— Ashland Tidings.
