ASHLAND, Feb. 27.-The Y. M. C. the past few days in order to raise the required amount of funds which are needed to carry out the recently estab-lished Pioneer club and the Hi-Y association of the high school. These clubs have just been established, however the iH-Y club was started in the high school last year, but has not been able to continue the work this year until recently, due to the lack of (unds which are now being provided by kind hearted citizens and people interested in the Christian work of the young people of the community. The Pioneer club is for boys from the age of 12 to 15, which is principally the Junior High boys. The Hi-Y takes in the older boys from the age of 15 to 19 and consisting mostly of high school boys. Both of the organizations have

a large membership and although the Pioneer club is quite a new organiza tion much interest is being taken in must be strictly non-political and must be practical," he said. the work and much benefit has been derived from the club. Mr. Rusl Henry, mathamatics teacher and as sistant coach in the high school has been hired to help the boys and coact them along the necessary lines. He also will have charge of a four weeks encampment which will be held at some place not far from here, and where the boys will experience some real camp life and derive the bene fits of a vacation, while at the same time get some idea of working out-doors. Basket ball teams have been established among the different Sun-day school classes and the different churches play games, trying out for the championship among the churcher Mr. Henry giving three evenings a week from 4 to 6 and from 7 to 9 and a half day on Saturday. This time is spent in coaching the boys and in in structing them along general lines The Pioneer hall is being used for the meeting at the present time, and the hall has been improved to make sultable meeting place. The quota of \$600 has been partly raised and it is hoped that the remaining amount will

e raised during the next few days.
