

Local and Personal

Plans have been completed for a special train to Roseburg for the Medford-Roseburg game Friday, March 7th. The train will leave here at 1 o'clock in the afternoon and return after the game Friday evening. The round trip fare will be \$4.30. The basketball team, the high school band, the rooting section, a number of the faculty and many of the basketball enthusiasts of Medford will be aboard. All those desiring to go should notify O. R. Campbell, the high school principal, or George Gates.

"About 8 o'clock Tuesday night word was received from Medford that a Buick sport model car had been stolen from there and asked the local officers to apprehend the men when they passed through here," says the Grants Pass Courier. "The car had already gone through and Bill Younger and Deputy Sheriff Ernest Lister started in pursuit. They went almost to Roseburg and then phoned ahead to have the other car stopped. The Roseburg authorities failed to get the men and the local officers returned here after phoning ahead to Eugene. Word from Eugene this morning states that the car, occupied by three men, was picked up there. Medford authorities will go after the car and the three men."

Swollen veins are dangerous and often burst. Sufferers are advised to get a two-ounce, original bottle of Emerald Oil (full strength) at Health's Drug Store and West Side Pharmacy and start to reduce the veins and bunches at once.

Physicians recommend Emerald Oil; it is used in hospital practice and a small bottle will last a long time, because it is very concentrated and a little goes a long way. Apply night and morning with a soft brush as directed until the swelling is reduced to normal. It is guaranteed.

So marvelously powerful is Emerald Oil that enlarged glands, wens and even goitre disappear when used steadily.

TEETH STAINS BLEACHED OUT NEW SAFE WAY
Say goodbye to dull, yellow, tobacco-stained teeth! For a new harmless treatment—Bleachodent Combination—bleaches away the stains and makes teeth flash white—often in just three minutes! Treatment consists of a mild, safe liquid, which curdles and softens the stains—and a new kind of paste which gently removes the softened stains and, used daily, prevents the formation of new stains. Does not affect enamel as its mild ingredients are especially combined to act only on surface stains—not on the enamel itself. Only a safe, mild preparation like Bleachodent Combination should be used on children's teeth which are naturally soft and sensitive, and which are especially subject to stains and decay. Fine for the gums. Get Bleachodent Combination today for a few cents at all good dealers, such as: West Side Pharmacy, Health's Drug Store, Medford Pharmacy, Strang's Drug Store, and Haskin's Drug Store. Adv.
