

D. A. C. BAND WILL PLAY IN ASHLAND 25TH OF MARCH

ASHLAND, Mar. 1.—The Ashland D. A. C. club met at the Plaza Connection Thursday evening, Feb. 28. A very delightful dinner was served, followed by a business meeting. During this meeting plans were made for the O. A. C. band, which will be here March 25. This is one of the best bands on the Pacific coast, and they will give a very good entertainment when they are here. Officers for the club were also elected, and are as follows: Ralph Billings, president; Miss Annette Wetherford, secretary-treasurer; C. E. Hedburg, vice president. This club is a newly organized one and promises to be one of the foremost clubs of the town.

Stanley G. Jewett, of the United States biological survey, was in Ashland Friday on business. He visited the government trappers that are operating in the different counties. This survey is making an attempt to destroy predatory animals, such as the coyote, bobcat, cougar and predatory bear.

Mrs. Martin Crocker, former Ashland resident, now living in Portland, was in Ashland recently for a few days. She left Friday for Klamath Falls where she met Miss Gertrude Cox, also a former Ashland resident. They will journey together to California where they will visit for a few months.

Mr. and Mrs. Lloyd Mault are visiting at the home of Mr. and Mrs. W. S. Newcomb of Grants Pass. Mr. Mault has recently resigned from his position in the Bank of Italy in San Francisco and he will stay a few weeks in Grants Pass for a rest. He spent Thursday in Ashland as a guest of E. V. Carter, who knows him thru the work that Mr. Mault did in the First National bank in Ashland. Mr. Mault also lived in Ashland several years ago. His future plans have not yet been announced, but it is supposed that he will continue in the banking work.

David Doran, local high school boy, confined to his home with a broken arm. The accident occurred Thursday evening.

Mrs. E. V. Carter recently sprained her ankle. Although the sprain is not serious it is causing much discomfort in the part of Mrs. Carter.

H. M. Grant, field secretary of the Oregon Hygiene association, is in town on business. He has been visiting the biology classes in the different schools during the past few days.

George A. Briscoe spent the day out of town last Friday. The trip was made on business.

The Elks ladies met in their club room Thursday afternoon for their regular card party. The afternoon was spent in playing bridge and five hundred. Mrs. T. H. Simpson received high score in bridge and Mrs. L. A. Roberts in five hundred. A report was given about the dance and card party held last week, Thursday, Feb. 21. This dance netted the ladies about \$50. Part of this money will go toward paying for the fern and flower box in the room furnished by the Elks, in the Community hospital. It was decided to hold the remainder of the money for the time being, as it has not been determined to what advantage the rest of the money may be put to. Mrs. Don Whitney and Mrs. George Rose were hostesses for the party, serving delightful refreshments at the close of the afternoon. Several women from Medford were in Ashland to attend the party, one of whom was Mrs. Hillie.

Mrs. D. R. Camper of Chico, Calif., is visiting at the home of Mr. and Mrs. Louis Schwein. Her stay is indefinite but her husband will drive up to Ashland later on in the season for a short visit. If Mr. Schwein's health has improved sufficiently at that time he will probably return to Chico with them.

The Ashland Music Study club met at the home of Mrs. A. E. Woods, of North Main street, Monday evening. This was a very interesting meeting, with a well selected program. The different Indian pieces that have been made by the Victor Talking Machine Co. and other well known pieces were played both by the piano and the phonograph, which was furnished by Rose Brothers for the occasion. Mrs. E. L. Putnam gave a very interesting talk on "Indian Music and Work of Natalie Curtis and Theodore Roosevelt." Mrs. Fred Nell also gave a short talk on the "Collectors of Native American Indian Melodies." Several beautiful Indian pieces were played by different members on the piano. Mrs. Kenneth McWilliams gave a talk on "Thurlov Lurance" and Mrs. E. O. Smith on "Indian Music in the Modern World." Miss Estelle Jones gave a short talk on C. W. Cadman and Arthur Nevil. Several vocal solos were given, much to the delight of the audience. Several of the pieces were done with the participants in costume.

Harry Silver, of the Carbonic Acid Gas company, is spending a few days in Eugene on business.

The Screen

Picture Exposes Gambling The evils of stock gambling are exposed with thrilling effect in the new Paramount picture, "The Silent Partner," featuring Leatrice Joy, Owen Moore and Robert Edeson which will be on view at the Rialto theatre for two days beginning tomorrow matinee. The scenes of the picture are laid in New York, and many of them are beautiful in the extreme. The picture is finely staged and the costumes are said to be wonders of the modistes' art.

N. P. Land Hearing Starts.

WASHINGTON, March 1.—The house public lands committee today opened hearings on the Northern Pacific land grant case to determine what action should be taken in the investigation of alleged charges of breach of contract by the railroad.

Two crowded houses greeted "The Covered Wagon" at the Rialto yesterday and the long talked of and much waited for gigantic screen epic more than pleased everyone. The splendid orchestra, under direction of Earl Schwartz, rendered delightful music in keeping with the scenes and events of the picture. It is a story of the winning of the west when brave men and women wended their "Westward Ho!" in white topped prairie schooners. It is a most human and tender story of the hardships and sufferings of the heroic pioneers that has yet been put in pictorial form. To see it is to have your latent patriotism aroused and to make you glad that you are a descendant of those sturdy souls who had the bravery and faith to face the uncharted wilderness of the far west.

"Covered Wagon" Closes Tonight

MORE ENTRIES IN LEGION CONTEST ARE ANNOUNCED

Baby Peggy Gariock and Mrs. N. I. Martin, are two of the new entrants in the contests that are being conducted by the American Legion in connection with their indoor circus, in which six diamond rings as prizes will be awarded to the winners, three to the ladies securing the greatest number of votes and three to the babies.

The contest opened today and each entrant who has 100 or more votes to their credit will receive 1000 votes free from the contest committee.

Seely Hall, executive chairman of the circus committee has announced that arrangements have been completed with Wilson Walte, director of the Dokies band, to furnish the music at the circus, both for the dancing, which will be free, and the accompaniment of the performance, which will consist of eight high class professional circus acts.

HARVEY M. TOY, Managing Onwer

"LIVE WIRES" The degree that a town uses electricity—like the size of its banks—is pretty apt to tell how "live" a town is. It's interesting to note then that the communities we serve have advanced further in the use of electric ranges, washing machines, and other labor-saving equipment—than many of the largest and presumably most advanced cities in the country! It is a region of "live wires" and of unlimited natural resources and wealth—an up-and-coming one in which to live and grow. In helping to develop the region this Company sees a real opportunity for service and to that end has created its New Industries Department. The Department is supplying a supplementary Chamber of Commerce type of service to the one California and five Oregon counties within our territory. If you know of anyone whom you believe might come here either to live or take part in our industrial growth, the Department will be glad to help you bring them here. Or if you are ready to let electricity do the work in your own household, or business—cost information and other data will be supplied at any of our offices. The CALIFORNIA OREGON POWER COMPANY Medford, Grants Pass, Klamath Falls, Roseburg, Oregon, Yreka, Dunsmuir, California.
