

MEDFORD TOSSERS READY FOR TITLE GAME ON FRIDAY

The Medford high school basketball team, will close its season in the Southern Oregon conference, with the crucial game of the year next Friday night at Roseburg, and on the result hinges, the championship of the district and the right to play in the state tournament at Salem the following week. A large delegation of local fans will journey to Roseburg to see the contest.

Roseburg decisively defeated Ashland last night, by a rally in the final half, that swept Ashland off her feet. At the end of the first half the score was 11 to eight in favor of Roseburg, and, when the new period began Roseburg hit her stride and piled up seventeen points. Burr, star forward of Roseburg was the chief pointmaker. The Douglas county team was unable to break through the Ashland defense with any success in the first half.

According to the dope, the Roseburg and Medford teams are evenly matched, and the comparative scores of the two teams shows little advantage to either side. Both teams are good guards, and hard fighters.

In the event of Roseburg winning the game, the play off will be staged Saturday night, either at Ashland, or the Men's Gym at the University of Oregon, probably the latter place, owing to the poor lighting of the Ashland Armory, players claiming they can not see plainly, for this reason.

AUTO DISPLAY TO BE INCLUDED IN LEGION'S CIRCUS

Arrangements have been made for a display of the latest models of automobiles in connection with the American Legion circus which opens on Friday night. Paul B. McDonald and Seely Hall, who have arranged for this added feature to the circus, say, it will give the public an opportunity to "kill two birds with one stone," by seeing a circus and auto show combined.

The popularity contests in connection with the circus are creating a great deal of interest and there is much activity in voting for the popular ladies and babies. Those most active yesterday were Victoria Andrews, Rose Billings, who is now in second place, Icel Edwards, and Mrs. N. I. Sports CALIFORNIA WINS FIRST GAME BY 32 TO 31 SCORE

BERKELEY, Cal., March 5.—The University of California defeated the University of Washington, 32 to 31, in the first game here last night of a series being played to determine the championship of the Pacific coast basketball conference.

The game was decided in an extra five minute period, necessary because of the fact that the score stood 30 to 29 at the end of the second half.

Washington held the lead of California but three times during the game, each time by the margin of but one point.

California held the lead during the entire first half, despite a strong spurt toward the end of the period by the Huskies. The second half was a hectic see-saw battle, however, with the lead alternating between the teams, both playing fast aggressive games.

In the final minutes the game was marked by roughness.

A number of real estate men from all over the state were the principal guests of the Medford Chamber of Commerce forum luncheon at the Hotel Medford today. F. S. Barrett of Spokane, president of the Northwest Real Estate Dealers' association, John H. Mariels of Portland, president of the Portland realty board; T. W. All of these men spoke a few words on the new realty board which has just been formed in Medford and on the benefit that it would be to the community. They also spoke of the million people who will pass through the northwest during the coming year and how the real estate dealers may profit by selling these people property on which they could make good.

Mayor Gaddis made a short speech of thanks at the end of the realty men's addresses.

committee showed that the cost to make such an improvement would be

prohibitive in the present state of the city's finances.

This local temper in a tea pot, altho the Beatty street matter had been under discussion for some months,—was precipitated when a petition was handed in to the council Monday signed by ninety tax payers saying that the petitioners believed it desirable to have a more direct road from the Pacific highway to the center of town than the present Pacific highway, and that they therefore petitioned the council to open up an extension of Beatty street to the Pacific highway.

COUNCIL REFUSES TO LET BUTLER RESIGN

City Councilman J. H. Butler was not present at last night's council meeting, he being the only absentee from that body, and it developed during the latter part of the meeting that he had handed in his resignation to City Clerk Alford, assigning as the reason that because of stress in business affairs he could not give the time necessary to serve longer as a councilman.

The resignation was read at the meeting and the mayor and councilmen refused to accept it, as they are loth to see the city lose such a valuable city official as Mr. Butler, and hope to induce him to change his mind.

ROSEBURG, Ore., March 5.—The Roseburg high basketball team defeated the Ashland team in a fast game last night by the score of 35 to 18. The Ashland girls defeated the Roseburg girls 26 to 16 in the preliminary game. The Ashland maids outplayed the local girls at every stage of the game.
