ALL ROSEBURG ON
QUI VIVE OVER
TONIGHT'S GAME

ROSEBURG, Ore., Mar. 7.—School spirit is running high here today in anticipation of the basketball game tonight between the teams of Roseburg and Medford high schools. The championship of southern Oregon lies between these two teams, with Medford now in the lead as a result of a one-point victory over Roseburg in the game at Medford. If Roseburg wins tonight the two teams will be tied for the championship and although Roseburg will have a higher conference percentage a third game on a neutral floor will be necessary, a ruling to this effect having been received today from the state conference secretary.

Because of the interest in tonight's contest the largest crowd ever attending a basketball game here is expected.

WHY?
In the past ninety days I have sold 27 small tracts in the Fay and Hilsinger Sub-divisions. Without a single exception the purchasers of these tracts can re-sell at a profit of from \$100 to \$1500. Why? Land properly laid out; a community established; improvements started; sold at the right price—but chiefly because the trend at last on land prices in the Rogue River Valley is up.
I have now for sale a place for

\$500.00 CASH DOWN.
Balance terms. Any one buying this place will more than double his money in the next year. I positively guarantee this investment, giving a contract approved by your banker agreeing to take his place myself at the end of one year if the purchasers fails to make good. Let's go.
