WHY?

In the past ninety days I have sold 27 small tracts in the Fay and Hilsinger Sub-divisions. Without a single exception the purchasers of these tracts can resell at a profit of from \$100 to \$1500. I have now for sale a place for \$500.00 CASH DOWN, Balance terms. Any one buying this place will more than double his money in the next year. I positively guarantee this investment, giving a

contract approved by your banker agreeing to take his place myself at the end of one year if the purchasers falls to make good. LM's go.
