Why?

In the past ninety days I have sold 27 small tracts in the Fay and Hilsinger Sub-divisions. Without a single exception the purchasers of these tracts can resell at a profit of from \$100 to \$1500. Why? Land properly laid out; a community established; improvements started; sold at the right price—but chiefly because the trend at last on land prices in the Rogue River Valley is up.

I have now for sale a place for \$5000.00 CASH DOWN.

Balance terms. Any one buying this place will more than double his money in the next year. I positively guarantee this investment, giving a contract approved by your banker agreeing to take his place myself at the end of one year if the purchasers fails to make good. Let's go.
