## CHINA PROTESTS AGAINST SOVIET AID TO TAO LIN

PEKIN, Oct. 3.—(By the Associated Press)—The Chinese foreign office has forwarded a protest to the Russian government at Moscow against the reported signing of an agreement between soviet representatives with General Chang Tso-Lin, Manchurian leader. The protest is from one already lodged with L. M. Karakhan, the soviet ambassador.

In the agreement with General Chang, considered an outlaw by the Pekin government, the soviet accorded the Manchurian recognition with the understanding that he would not interfere with the operation of the Russian owned Chinese Eastern railway, a link in the trans-continental railway system in Manchuria, inasmuch as China and Russia are friendly countries and General Chang is at war with the central government that the Chinese Eastern railway and other matters are legitimately the concern of the Pekin government.

The protest was dispatched to Moscow after a confirmation by the soviet with Chang was received here. The foreign office in its protest, emphasized the irregularity of the whole proceeding on the part of Russia.

The foreign office also protested to the soviet government against the alleged delivery of battle aircraft from the steamer Chantilly to General Chang.

Army headquarters here continued to report victories today on the northern front, near the Chihlian-Manchurian border, where the Pekin and Mukden armies are engaged.

### SARDINE CREEK

(Continued from page one)

Mrs. Eva Kimball and Mrs. S. A. Dusenberry visited at the Curtis Miller home on Monday.

John Ritter of Gold Hill is engaged in hauling a lot of wood from his place on Sardine creek, which is being cut by George Ring.

Little Lily Ehlert of Ashland is visiting his grandma, Mrs. Kimball, here a few days, while his father, H. H. Ehlert makes a business trip to Honeburg.

The coyotes are becoming quite bold in this vicinity recently, and make frequent raids upon the various poultry farms in daylight.
