# RECORD BREAKING REGISTRATION FOR THE FALL ELECTION

The special registration of voters in Medford so far is record breaking for recent years and plainly indicates that much interest is being felt in the coming national, state and local election. Up to this morning 100 voters a day have registered during the past week, and this ratio was being maintained this forenoon.

It was confidently expected that Saturday's registration, the last day, would greatly exceed this number, as on the last day of special registration last year a little over 100 were registered. A. J. Crose, the registration officer, in Brown & White's ready office, who will keep his office open until 7:30 o'clock tomorrow night, expects a last minute rush all day Saturday and especially in the evening.

Fully five hundred voters have registered since September 25, and Mr. Crose predicts that this special registration will have grown to over 800 by the time the registration closes tomorrow night.

Not only do these figures show interest in the November election, but also that there have been many new comers, removals from one precinct to another, and young men and women become of age, since the last election.

This registration shows also that quite a number of women who had never voted before have decided to do so this time. Fully half of the special registration so far is estimated to be of women voters.

# PORTLAND LADY GAINED 65 LBS.

Mrs. Wolf Was Told She Could Never Get Well—But Tanlac Saved Her.

"My case had been pronounced hopeless, so I don't think it amiss to credit Tanlac with being alive and such good health now," is the striking statement of Mrs. Mollie Wolf, 228 East 7th St., Portland, Oregon. "For several years my stomach was in such a fix that food would make me almost deathly sick. My weight went down to only 95 lbs. and I was almost a confirmed invalid, having to spend half my time in bed."

"In a short time after I began taking Tanlac I felt a wonderful change coming over me. First of all my stomach troubled stopped, a splendid digestion and appetite developed and the way I regained my weight and health and strength was the surprise of my life. I now weigh 160 lbs. and in the best health of my life. In fact, I couldn't feel better. Tanlac deserves only the highest praise."

Tanlac is for sale by all druggists. Tanlac Vegetable Pills recommended by the manufacturers of TANLAC.

They are the spiral fire escapes and should eliminate practically all danger of accidents in a rush.

Mr. Firth writes that he suffered for 12 years from constipation and his friend for 10 years—a total of 22 years' suffering permanently relieved by Kellogg's Bran, cooked and krumbled.

Gentlemen: For 12 years I had been troubled with indigestion caused mostly by constipation. Until about a year ago, I would suffer from 4 to 20 weeks at a time.

I happened to see your Krumbled Bran in a store, purchased a package and got almost immediate relief. I am still eating the Krumbled Bran every day.

could not find anything to give him relief. Three weeks ago I advised him to try Krumbled Bran, as I had told him what wonderful results I had gotten from it. The gentleman in question purchased a box, and he told me that for the first time in ten years he is regular without taking medicine.

Yours for success,  
William Firth, Jr., 56 Volan St., Merchantville, N. J.
