CITY TREASURER

I hereby announce my candidacy for the office of City Treasurer for the city of Medford. I am an independent candidate in every respect absolutely unassociated with either of the opposing groups and most earnestly request that my candidacy be so considered. If elected I will bring to the office eight years experience as Deputy Assessor of Jackson county which should qualify me for the position. I am single and the sole support of my mother who resides in Medford with me. If elected I will strive earnestly to render efficient and satisfactory service. LINNIE HANSCAM, Adv.

Boils! Ouch!

S.S.S. will rid you of boils, pimples, blackheads and skin eruptions!

DON'T CLOSE your eyes to the warning which Nature gives when angry, painful boils appear on your neck, face or other parts of your body. Boils, pimples and so-called skin disorders are the result of an impoverished condition of the blood and are not to be trifled with.

It is nothing more than folly to expect to get absolute relief from the use of local treatments, such as ointments, salves, etc. Such remedies may afford temporary relief but you want more than relief; you want a remedy which will rid you forever of the torturing disorder. And the one remedy which has no equal is S.S.S.

S.S.S. stops boils and keeps them from coming. S.S.S. builds blood-power! That is what makes fighting blood. Fighting blood destroys impurities. It fights boils! It fights skin eruptions—pimples, blackheads, eczema! It always wins! S.S.S. has been known since 1820 as one of the greatest blood builders, blood cleansers and system strengtheners ever produced. There are no unproven theories about S.S.S., the scientific results of each of its purely vegetable medicinal ingredients are admitted by authorities. Begin taking S.S.S. today and clear your skin of those blood disorders!

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical. S.S.S. The World's Best Blood Medicine

Enlarging the Golden Rule Store

We find by using the Golden Rule in all our dealings that our store is too small, and we need more space. We find honest dealings and honest prices show the appreciation of the shoppers of this community. Comparative prices are misleading and confuse the shopper.

We are remodelling the rear part of our adjoining store building for additional floor space, also for an up-to-date office. Our friends will find the same courteous treatment accorded them during this alteration as before—and better service available as soon as we are finished. Come in and see our new addition.
