Otto Segrin Says Tanlac Restored Health and Strength

"Seven years of stomach trouble cost me lots of money, but Tanlac made a well and happy man of me and it only took about six bottles of the medicine to do it." is the striking statement of Otto Segrin, 91 E. 76th St., North Portland, Ore.

"I had dyspepsia so, bad I couldn't keep my breakfast down at all and if I ate anything heavy at night I couldn't even sleep. I always felt fagged out and was hardly able to do a day's work.

"Tanlac made my stomach feel and act like new and gave me a new start on the road to good health. I also gained 20 lbs., and never felt better in my life than now. My daughter, age 15, has also taken Tanlac with fine results and I have a brother who is delighted with what the medicine is doing for him. I never fail to speak out for Tanlac."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

"I'll Mail You a Check Today"

Why is it you have a peculiar feeling of respect for the man who says to you: "I'll mail you a check today" and does it?

You respect him and he deserves it. Analyze if you can, his feelings when he says it. He is energetic and confident and all because he is SAFE. He knows the check will come back cancelled, thus being an indisputable receipt.

He knows his money is safe, and—here's the BIG thing—his visits to this bank have created an acquaintance with Men Who Do Things.
