

JACKSON COUNTY TO HAVE CLASS I COUNCIL B. SCOUTS

The boys of southern Oregon are to have their chance! The aspirations of a boy-lover and his dreams for the boys of Medford and surrounding country are coming true. The approval of the community has been passed upon the efforts and the success of the scouting movement of the past year. Organizations, civic, religious, educational, business, patriotic and fraternal, have said that the Boy Scouts of Medford and the boys who have a right to be scouts, are worthy of recognition and permanence. The investments made the past year in the boyhood of Medford are already bearing fruit in better, cleaner and manlier boys, and will come to a harvest of better and finer citizenship in the future.

At a meeting of the executive board of the Medford district scout council last night, the final action was taken which links up this county with Klamath and perhaps Josephine counties in putting scouting on the map in a real and permanent way. The application for a first-class council charter was authorized covering the combined area; representatives of the various organizations named above gave their approval and pledged their support; a

committee was named to assume full responsibility for the financial campaign; a publicity manager named and the week November 30 to December 6 named as Boy Scout week for Medford. Deputy Regional Field Executive Quincy Scott of Spokane was present at the meeting last night and gave full approval to the steps taken. He spent the last few days in Klamath Falls and their campaign will precede ours by one week and its success is already assured. The first class council arrangement will mean a full-time executive taking the actual direction of the movement. A well trained and qualified professional scout leader will be chosen to fill this position. Under this plan only one-fourth more finance will be required to put on this enlarged program over the amount, \$2000, which was raised with so little effort for the past year. Klamath Falls will secure the same amount.

FAIL TO FORCE DOWN PRICE ROSEBURG BIRDS

ROSEBURG, Ore., Nov. 21.—Turkey buying continued steady at 28 cents today with light receipts. An attempt to break the market to 25 cents was attempted this morning, but the 28-cent price prevailed and all buying so far has been at that figure, but buyers claim it will not go higher. Few growers are killing at that price and the bulk of the birds will be held for the Christmas trade. Douglas county will ship less than half the usual number of turkeys for Thanksgiving.

REAL BEER HANDED OVER TO DRY AGENTS BY CHICAGO BREWERY

CHICAGO, Nov. 21.—Attorneys for the Mutual Brewery here today sent a request to Major Percy Owen, federal prohibition director, asking that his agents destroy 3000 barrels of real beer. The attorneys explained it had been made lawfully for the purpose of extracting the alcoholic content above one-half of one per cent but that the brewery now has more stock on hand than it needs and does not want the real beer on the premises.

"All such requests cheerfully complied with," Major Owen remarked as he gave instructions to agents to dump the 3000 barrels in a sewer tomorrow.

Seat Sale Opens for Kolb & Dill

Seats went on sale at the box office of Hunt's Craterian theater today for Kolb and Dill, "In Politics." More than the usual amount of interest is manifested in the coming here this year of Kolb and Dill, for it has been four years since they have been seen in a comedy farce with music, song and dances.

Ernest R. Ball, composer and entertainer, singing his latest ballads and directing the special Kolb and Dill orchestra, together with the beautiful singing and dancing girls, affords one of the most pleasant evening entertainments to be enjoyed this season.

INVESTIGATE DEATH OF WOMAN FOUND IN MINNESOTA CABIN

WARROAD, Minn., Nov. 21.—Investigation into the death of Mrs. Elsie Wheeler, who was found dead in a cabin in the isolated country of the northwest angle of Minnesota will be reopened, it was declared by county authorities here late yesterday when an undertaker emblazing the body found evidence that indicated possible foul play caused the woman's death. A coroner's jury yesterday returned a verdict of accidental death.

Carl Ditzig, of Roseau, who was preparing the body for shipment to Kansas, said he discovered a cut about two inches long in the woman's head. Authorities of Lake-of-the-Woods county were notified and declared they would investigate the case further.

The woman's death was discovered by her husband and Carl Hagen, with whom the couple were staying in the Hagen cabin, on November 13. Hagen and a friend set out for this place where they notified the authorities. The official accompanied by the two men left on Monday for the cabin. A coroner's jury held the woman came to her death by stumbling on a butcher knife in the kitchen of the cabin.

King's 1924 Revue Hunt's Craterian

King's 1924 Revue opened at Hunt's Craterian yesterday and was greeted with large attendance.

The principals in the cast are Karl Laubham, leading man; Lew Marshall and "Skinny" Lamont, comedians; Clara Preston, ingenue, and Katherine Hall, soubrette. The comedy is interspersed with singing, dancing and musical numbers.

"Skinny" Lamont, billed as "seven feet of comedy," is very clever in his

specialty act, while Katherine Hall sang and danced her way into the hearts of her audience, with the California Pony chorus.

Marjorie King in her exotic dance received generous applause. The grace and ease with which it is performed is a delight to the eye. Her costumes are the same she wore in New York when a star dancer in the Ziegfeld Follies and the Shuberts productions.

There is a complete change of program today and also tomorrow.

With Medford trade is Medford made.
