MEDFORD HELD TO TIE BY ASHLAND, WINS 1924 TITLE

The Medford high school football team clinched its right to the championship of southern Oregon Thursday at Ashland in the annual Thanksgiving game, which ended in a 7 to 7 tie, the score not indicating the superiority of the locals over their ancient rivals. Though physically weakened and suffering from a loss of morale occasioned by the lack of organized rooting by their supporters, out of respect to the memory of Charles Van Sooyoc, the locals outplayed Ashland in every department of the game and technical ratings deprived them of a beautiful 43-yard place-kick by Halfback Conrad and a touchdown scored by End Singler on a wonderful forward pass. Umpire Manner held that members of the Medford team were offside.

Ashland's touchdown was made on a fumble in the second quarter on the Ashland 15-yard line.

Statistics of the game show that Ashland made yardage but four times,

completed no forward passes, and that the ball was in their territory 48 minutes of the game. Medford's touchdown came in the first quarter, when by consistent playing they bucked the ball across, Conrad scoring. The Medford goal was never in danger.

The Ashland team played a good game, but not over their heads as on Armistice day. Their best gains were on line bucks down hill, a condition due to the peculiar topography of the Lithia City field. Demmer outkicked the Lithians at every stage of the game, and Dressler blocked an Ashland punt in the shadow of their own goal. The game was remarkably free from roughness and the tackling most of the time was clean and hard, with little grabbing for the neck.

Kid, Senn and Demmer played the most consistent game for Medford, with broken field runs by Dunn and steady passing by Center Knips. Knips has played brilliantly all season, but has been obscured in the middle of the line, where his work seldom came to notice. Senn played a strong defensive game throughout and was a good ground gainer.

The football season is now ended. Medford winning all its games but the tie of yesterday. Its record is:

- Crescent City, 36 to 0.
- Klamath Falls, 54 to 0.
- Grants Pass, 27 to 0.
- Marshfield, 7 to 0.
- Ashland, 14 to 12.
- Ashland, 7 to 7.

A game with Roseburg was canceled owing to the passing of Charles Van Sooyoc.

Rheumatism

"God-bye old crutch!"

There is positively no longer any excuse for suffering the agonies of rheumatism! Especially in the autumn of your life, when the vital organs weaken, impurities multiply and linger in the muscles and joints, as never before. It is now, just now, when you cannot afford to guess. No day returns!

Here is a joyous fact which can mean to you a fond farewell forever to all the miseries, the tortures, the body-twisting pains that you have suffered from the demon of rheumatism. It is a fact that rheumatism means "blood poverty." It is a fact with the increase of red-cells in your blood, impurities are destroyed. It is a fact that S.S.S. will help Nature build these red-blood-cells! S.S.S. is one of the most powerful blood cleansers in existence. Its results in thousands of rheumatic cases have been nothing short of amazing! The medicinal ingredients of S.S.S. are purely vegetable. This is very important to remember! What can be more inspiring, more wonderful than to see the shackles of pain released from your struggling body, swellings, lingering pains, stiffness of joints and muscles all disappear; your stomach made strong; your face pink with the old sweet-heart glow, your blood enriched and your cheeks more plump as they used to be. You can do it! Take S.S.S., the great destroyer of rheumatic impurities.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

TAX HEARING ENDS, AWAIT DECISION

The final hearing in the case of Chauncey Florey vs. J. B. Coleman, was held Wednesday afternoon before Referee Roy Davis, and the case has gone to the supreme court of Oregon for decision.

There appeared to be a difference of opinion as to whether the "heated discussion" of October 3rd took place in the morning or the afternoon, the plaintiff claiming the former, and the defendant the latter. Mr. Florey was called to the stand, and in the cross examination counsel for the defendant brought out the fact that Mr. Florey and Judge Gardner's alleged "arbitrary action" had been taken at the end of their term of office, and

that they had not been re-elected. Other witnesses were W. H. Gore, R. P. Moran, Mike Hanley, H. Van Hoovenburg, J. C. Pendleton, O. L. Harmon, George Dunn, R. E. Packard, Jesse Neil, and Miss Truax, deputy county clerk.

KEEP VITAL GRANDS IN BALANCE SAYS PHYSICIAN

Regain Health, Strength and Vigor by Restoring the Important Glands to Normal Activity

New Scientific Discovery, Glandogen, Provides Simple Method of Taking Glandular Treatment

In an interesting interview, Dr. Samuel J. Staub, according to a recent dispatch, said that people suffering from that "below par" feeling, accompanied by loss of appetite, sleeplessness, loss of weight and so forth, can be set right by having the balance of their glandular secretion restored.

"There is no reaction to the treatment," asserted Dr. Staub. "Understand this is not a matter of unnatural stimulation, but is simply a process of restoring a balance among the many ductless glands of the body which control the speed and extent of all our bodily processes."

PHYSICIANS AND SCIENTISTS OF INTERNATIONAL RENOWN EXPLAIN FUNCTIONS OF GLANDS
At a recent medical convention in Chicago, Dr. Roy Upham, President of the American Institute of Homeopathy, stated that because of the intimate connection of the nervous system with the glands, many sufferers from nervous disorders were receiving remarkable benefits from glandular treatment. He further stated that this glandular treatment could be taken by mouth like any

other medicine, and that an operation is not necessary.
Dr. Serge Voronoff, an international authority on Organotherapy, has said: "The brain, the nerves, the muscles, as well as the liver, the kidneys and all other organs would be incapable of playing any useful part without the aid of the glands. The functioning of our organs is no more than the activity of our glands."

and when the bodily functioning is disturbed, the cause in most cases should be sought, not in the condition of the organ itself, but in the condition of the gland which controls it.

Dr. Arnold Lorand says in his book, "Old Age Deferred," in speaking of glands: "We must insist upon the enforcement of their functions. If changed by age or disease, by means of extracts obtained from the similar organs of healthy young animals."

GLANDULAR TREATMENT (GLANDOGEN) CAN NOW BE TAKEN IN CONVENIENT TABLET FORM

Hundreds of men and women are now turning to glandular treatment to help regain lost strength, vigor, vitality and health. Since Science has prepared a gland treatment in simple compact tablet form—Glandogen—it is a simple matter to take glandular treatment. Glandogen is scientifically prepared in two different forms, one for men and one for women, from the vital glands of healthy young animals, combined with other efficacious ingredients. Heath's Drug Store and Haskins' Drug Store will supply you. Mail orders accepted.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Chronic coughs and persistent colds lead to serious lung trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with twofold action; it soothes and heals the inflamed membranes and kills the germ.

Of all known drugs, creosote is recognized by the medical fraternity as the greatest healing agency for the treatment of chronic coughs and colds and other forms of throat and lung troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to consumption.

Creomulsion is guaranteed satisfactory in the treatment of chronic coughs and colds, bronchial asthma, catarrhal bronchitis and other forms of throat and lung diseases, and is excellent for building up the system after colds or the flu. Money refunded if any cough or cold, no matter of how long standing, is not relieved after taking according to directions. Ask your druggist. Creomulsion Co., Atlanta, Ga. (Adv.)
