**NEW JACKSON CO.
BOOKLET ISSUED
BY COUNTY COURT**

"Where Nature Laid Her Bounties," the booster booklet issued under the direction of the county court of Jackson County, text and arrangement by Bert Moses, cover design by Johnny Gruelle, and typography by the Ashland Tidings is now ready for distribution in the east and Middle West. It is descriptive of the resources of Jackson County, her fields and forests, and hills and dales, and cities and town, profusely illustrated with pictures of streets, buildings, homes, schools, lakes, rivers, farms, fish, wild animals, birds and highways.

A chapter is devoted to each of the following subjects, all well written: Jackson County, Climate, Scenery, Fruitgrowing, Fishing, Hunting, Jackson County Fair, Timber Resources, Agriculture, Irrigation, Market Gardening, Stockraising, Dairying, Poultry Raising, Schools, Industrial Outlook, Mining, Roads, Crater Lake, Mineral Springs, Medford, Ashland, Jacksonville, Gold Hill, Central Point, Eagle Point, Rogue River, Talent and Phoenix. There is also a table depicting the weather since 1912.

The reading matter in the booklet is written in good English, without extravagant phrases, and sets forth accurately and sanely the benefits and glories of Jackson County.

The following paragraph is designated by the author, as the "most sweeping claim" in the 32 pages: "Jackson County, Oregon, is considered by travelers to possess more natural advantages in the way of climate, scenery, soil and water than any other one spot on the maps of the world. This is a sweeping statement to make, but it is so, and when a thing is true it should be emphasized."

The booklet is being mailed out to prospective settlers, with the admonishment, that they pass it on to a neighbor.

**MEDFORD IN DANGER
OF LOSING OREGON
AUTO HEADQUARTERS**

At a meeting of the Jackson County Merchants' association held in the Hotel Medford Monday night, the chief subject of discussion was the application of ordinances covering the vending of goods by itinerant peddlers. The recent invasion of California oranges sold from auto trucks on street corners, brought this subject to the front and center. Mayor Gaddis talked on the subject. No definite action was taken, but the committee was instructed to confer with the city council, and produce a remedy.

Vernon H. Vawter of the Jackson County bank talked on the "bad check" evil, and how to prevent it.

Robert H. Boyd and Seelye Hall addressed the gathering on the crisis in the continuance of the state American Automobile association headquarters in this city. Unless 150 local members are obtained, the headquarters would be moved, the speakers said. A committee was appointed to solicit new members as follows: J. W. Kirkpatrick of the Rotary club, Louis Ulich of the Kiwanis, Larry Mann of the Craters and Lawrence Pennington of the Merchants' association. Forty-five more members are needed.

**Kiwanis Club
Meeting Report**

The Kiwanis meeting Monday took on a humorous nature and in addition to a number of clever jests on members of the club by President Lemmon, Chas. W. Parker, of New York, who is here a guest of his brother-in-law, George Andrews, and wife, told some splendid stories.

George Andrews sang that old time favorite, "Barbara Fritche," for which he has been so noted all these years. He was accompanied by Mrs. Andrews and responded to an enthusiastic encore.

Dr. J. C. Hayes told of the successful operation in San Francisco on a baby under the supervision of the Kiwanis club, as a part of the underprivileged child movement.

Postmaster Win. Warner called attention to the wrap securely, address properly, and mail early requests of the postoffice department.

H. H. Rankin received the attendance prize.

**SUGGESTS CHAMBER
OF COMMERCE GET
BUSY ON MEETING**

In regard to the district meeting of National Farm Loan associations for the southwestern counties of Oregon—Klamath, Jackson, Josephine, Curry, Coos and Douglas—Mr. E. H. Hurd, secretary-treasurer of the Rogue River National Farm Loan association, who was a delegate from this district to the general meeting of representatives of farm loan associations at the Federal Land bank of Spokane last March, is in receipt of a letter from A. W. Cuthbert, district director of the Federal Land Bank of Spokane, in which Mr. Cuthbert writes in regard to the annual meeting for this district as follows:

"I have just returned from a directors meeting at Spokane and while there we made tentative plans for holding the district meetings soon after the election of directors by the associations.

Recalling that you had advocated Medford for the 1924 meeting, and believing that it will be helpful to meet in different towns, I suggested that we meet in Medford, January 19 and 20 at Eugene, January 21 and 22, if agreeable to these two respective District associations."

Mr. Hurd suggests that the directors of the chamber of commerce offer some inducement by the way of a public meeting, places and an invitation for this meeting to be held in Medford as he understands that Grants Pass is also considered. The district meeting last January was held at Roseburg.

**DR. DOW IS SUED
BY MRS. DOW FOR
ABSOLUTE DIVORCE**

Suit for divorce was filed in the circuit court Monday by Fern E. Dow against Dr. M. M. Dow, charging cruel and inhuman treatment, and asking for an absolute divorce, the custody of two minor children, \$50 a month for their care, \$50 a month permanent alimony, and attorney's fees and costs.

The complaint also alleges that the defendant "maintained an indifferent and superior attitude towards the plaintiff," and that "her life was made unbearable" by this alleged treatment. A disparity in age—the plaintiff is 14 years younger—is also set forth in the complaint.

The papers also set forth "that the defendant is a practicing physician and surgeon capable of earning \$500 per month," and the plea is made that the alimony and fund for the children's care be paid to the county clerk the first of every month, by court order.
