### MAY ROBSON, AS PRAYER SERVICE USUAL, CHARMS A OPENS 2ND WEEK LARGE AUDIENCE OF M. E. REVIVAL

appearance of May Robson and com-pany at the Craterian last night was in the nature of a triumph with a very large and appreciative audience inspiring the happy company of per-formers on the stage in their presen-

tation of a laughable consedy. "Some-thing Tells Me."
So enthusiastic was the audience that the appliance at the end of the second act would not be denied, and hence the veteran comedience gra-ciously responded with a characteris-

tic curtain speech.

Miss Robson after referring to the fact that the Page theater was burned down last year which she said caused

her much regret, then related confi-dentially in an aside that she was glad of it. This paved the way for her to praise the new theater and congratulate its management and the people of the city on having such a splendid playhouse. "It is the coziest, cleanest, best and

Something Tells Me" proved to be a clean, clever dialogued comedy which furnished a good vehicle for the display of Miss Robson's charac-ter part specialty—that of an elderly. strong willed, capricious, outspoken and yet withat kindly woman of much

common sense.

Especially popular with the audience were the quartet of juveniles, two young women and two young men, around whose love affairs and the star as their "Mother Jane," the comedy written by Miss Robson her-self, several years ago, was built. The Phone 178-J supporting company was excellent.
