EXPECT PRESIDENT TO SIGN POSTAL PAY RAISE BILL

WASHINGTON, Feb. 27.—The fate of the postal pay and rate increase bill now rests with President Coolidge, the senate having joined the house in approving the conference report virtually substituting the house bill for the measure previously twice approved by the senate.

Administration leaders believe the bill will receive President Coolidge's approval. Effective as of January 1, this year, postal employees would receive an average salary increase of about \$396 annually under the bill, which by new postal rates to go into effect April 15 next, would raise about \$60,000,000 of the \$68,999,000 required for the pay advance.

"As a rider," the bill carries a corrupt practices act, strictly limiting campaign expenditures of congressional candidates as recommended by the senate campaign funds committee.

GROWTH OF 7TH DAY ADVENTIST CHURCH IS NOTED

The Adventist church last night was filled to overflowing, when Prof. J. S. James of Washington, D. C. spoke on "The Worldwide Work of the Sunday and Sabbath School." When he threw on the screen a picture of all Asia, showing the dots, which he said represented a Sunday or Sabbath school; the great map looked as though it was affected with smallpox, so numerous are these institutions of education. Mr. James, who was for many years a missionary in India, though that it would not now take long to acquaint the missions of all Asia with the truth of salvation through Christ. He said that the Seventh Day Adventist Sabbath school had raised seven million dollars for foreign missions; the first million took twenty-five years to raise, and the last million was raised in eight months and two weeks. He believed that the time would come when a million a month would be raised throughout the world for foreign missions. The Sabbath school alone has added three thousand eight hundred new Sabbath keepers a year. He strongly urged all teachers of the Sunday and Sabbath school to impress upon their pupils the missionary spirit, for when this "gospel of the kingdom shall have been preached to all the world for a witness to all nations, then shall the end come." Matt. 24:14.

The large congregation expressed themselves as well pleased and a new desire to even do more in the Medford Sabbath school than we have done in the past. Preaching service this evening. Evangelist T. L. Thuenler speaks on "The Sin against the Holy Spirit."
