MEDFORD-FRANKLIN GAME ROUGH ONE, CHASTAIN KO'ED

In a fast, although one-sided game, Franklin high of Portland defeated Medford high, winners of the last year championship, 32 to 16, in the first game of the tournament here Thursday night. Salem high defeated Willows by the score of 23 to 10. These two games eliminate two teams as possible contenders for the championship.

The Franklin-Medford game was featured by the fast, clean playing of Scallion, Franklin forward, high point man of the game with a total of 16 points to his credit.

The play was fast and even in the first quarter, with the score standing at 4-4. Scallion scoring two field goals for Franklin and Medford scoring one field goal and two free throws.

In the second period the play began to run in favor of Franklin with Scallion doing most of the scoring. The half ended 16 to 8 in favor of Franklin.

The third quarter was a straight walk-away for Franklin. Medford scored one point by converting a foul. On the other hand, Franklin gathered a total of 14. The quarter ended 30 to 9.

In the final period Medford was able to outpace the Portland team by scoring 7 points to their 2, although Franklin made no strenuous efforts to score, but was saving its strength for the games to follow. This brought the final score to 32 to 16 in favor of Franklin.

The game was rough, but no great number of fouls were called. Franklin floored Chastain, Medford forward, with a shoulder blow on the chin early in the first quarter. Scallion was forced to call time in the final period when his stomach connected with the knee of Demmer, Medford forward. Both men continued the play.—Portland Journal.

FRANKLIN COMES UP FROM BEHIND, BEATS PENDLETON

SALEM, Ore., March 14.—The Salem, McMinnville, Eugene and Franklin high school basketball teams emerged winners from the second round of the Oregon state high school basketball tournament, held here yesterday afternoon and evening. Salem won over Astoria 22 to 12, McMinnville defeated Astoria 37 to 16, Eugene was winner over Hood River 29 to 6 and Franklin ousted out a wild over Pendleton in the closest game yet seen in the tournament, coming from behind late in the second half and finally pulling out with a win of 18 to 13.

Salem meets McMinnville and Eugene tonight, with Franklin in the semi-finals here this afternoon. The winners will meet each other in the finals tonight.

The phenomenal foul shooting of the Pendleton aggregation was an outstanding feature of the Pendleton-Franklin mix. A field goal by Dale of Pendleton was the first basket shot from scrimmage by either team, and came just four minutes before the end of the first half. Sager of the same team followed with one three minutes later and Scallion, Franklin star, hooked on from immediately under the basket a few seconds before the gun ended the period. All other scores by both teams during the half came as a result of free throws. The period ended 8 to 5, Pendleton leading.

In the third quarter Pendleton increased its lead until the count stood 23 to 8 in its favor at the end of that period. Franklin made ten points to Pendleton's none in the last quarter. Scallion and Elpi doing most of the scoring. Scallion succeeded in making just one of the very difficult shots that marked his playing against Medford here Thursday night.

SALEM, Ore., March 14.—Plans for a Pacific coast high school basketball tournament to be held here some time during the week of March 22 to 28, were announced this morning by Guy Hartshorn, athletic director of Willamette university. Arrangements have been completed to have the state athletic boards of Washington, Oregon and Idaho extend invitations to winners of the state tournaments held at Seattle, Boise and Salem.

Arrangements are under way to invite a team to represent California, but as yet the arrangements have not been definitely completed. There is at present no definite title holder of the southern state. The state high school athletic board has been asked to recommend one California team as a logical contender in the coast tournament.

The games will be played in the Willamette university gymnasium, where the Oregon state basketball tournament is now being held.

DEMPESEY IS FAT SAYS HE WON'T FIGHT 'TILL FALL

LOS ANGELES, March 14.—While several promoters here and in the east were busily engaged in brewing a bout in which Jack Dempsey, ace of heavyweights, would appear in defense of his title, the champion was quoted as saying here today that he positively will not engage in a championship bout before September at the earliest.

Dempsey's latest proposal for a bout came yesterday from Tom Kennedy, Los Angeles matchmaker, representing a group of Los Angeles businessmen who telegraphed Jack Kearns, the champion's manager, asking for terms for a Dempsey-Kennedy regular bout to be staged during the strike conclude in June.

"Name your terms," said Kennedy's message, "and we will go ahead immediately with creation of the arena and promotion of bout."

"There's not a chance in the world of my fighting Renault or anybody else here in June," Dempsey is quoted as having said, after he had finished a playful fight and wrestling tussle with Bill Montana at his gymnasium. "I'm fat and I've got to take off a lot of weight before I can begin to build up. June's out of the question. It will take four or five months to properly condition myself. I would like to take on a couple of second raters to get the range again; my eyes I love and my judgment of distance is very bad."

the intermission, from then on it was all California, the Bears shooting basket after basket.

Summary:
California (32), O. A. C. (17).
Watson.....F.....Ridings
Jorgenson.....F.....Baker
Higgins.....C.....Diwoy
Belasco.....G.....Graap
Fletcher.....G.....Stoddard

Scoring: California—Field goals, Jorgenson 4, Watson 1, Higgins 3, Belasco 3; free throws Jorgenson 5, Higgins 2, Belasco 2.
O. A. C.—Field goals, Baker 2, Diwoy 1; free throws, Diwoy 5, Stoddard 4, Steele 1, Graap 1.
Referee, Hollander; umpire, R. V. Borleske.

BEARS STAGE A COMEBACK, BEAT O. A. C. 32 TO 17

CORVALLIS, Ore., March 14.—The California Bears got revenge last night for the defeat handed out to them Thursday evening by the Oregon Aggie basketball quintet, winning the second of the three-game series for the coast title, 32 to 17.

The final and deciding game will be played tonight with both contenders on even terms.

The Californians displayed a much different brand of basketball in last night's game than on the previous night. The Bears by close checking almost completely smothered the Aggie sharpshooters, holding their opponents to three field goals for the entire game. The Aggies made up the bulk of their scores from free throws. Ridings, star Aggie forward whose specialty is looping the ball through the basket, failed last night to get a single field goal.

The game was rough, with fouls frequent. Early in the game Steele, O. A. C. captain, was knocked out and was replaced for ten minutes by Graap. The score at the end of the first half stood at 15 to 12 for the Bears. In the last half California played offensive basketball, keeping the ball in Aggie territory. The Aggies got one field goal and three points from free throws during the half, all made in the first few minutes after

been in touch with him (Senator Ernst) hour by hour by telephone and by personal call so that they might know in advance what the committee has proposed to do, what the committee has proposed to investigate. An evidence of that the record will show that letters have disappeared out of the files, that communications have disappeared and that letters have been lost, because apparently it was to the advantage of the treasury that they should disappear, and undoubtedly they were informed by the senators from Kentucky, so that they might do those things.

"I have never heard of any papers disappearing from the files," Senator Ernst said in reply to this assertion, when he finally was permitted to speak.

"Nor have I ever been asked by the treasury to get any papers."

When Senator Ernst added that "no one believes such a statement is

incident until the newspapers told of young McClintock's death.

"You're a liar!"

In conversations he said he had with Shepherd, Faiman said "Shepherd wanted to know whether the germs could be introduced into a person's system by hypodermic inoculation. I told him germs mixed with a person's food were likely to have more effect because conditions in food were better for their culture."

When Shepherd was brought before him, Faiman immediately identified him as the man who had made the inquiries regarding the germs and accused his system by hypodermic inoculation. Faiman asserted positively in Shepherd's presence that he was the same man who had paid \$50 for the letter of inquiry sent to the school.

"You know you did," Faiman said to Shepherd.

"I never saw the gentleman before two weeks ago," said Shepherd, appealing to assistant state's attorneys present.

"He's the fellow, all right," Faiman reiterated.

"You're a liar!" Shepherd retorted.

Attorney Robert Stowe, partner of Shepherd, was at the Shepherd home when the state's attorney's detectives arrived. He said they had been expecting something of the kind and would "not be surprised if charges would be placed against Shepherd."

MEDFORD STARTS A MOVEMENT FOR A BASEBALL CLUB

The baseball bug has been buzzing around Medford for some time past and just recently the matter of forming and supporting a first class city team has begun to whip into shape. Robert Boyd, secretary of the chamber of commerce has taken the affair in hand and at a called meeting in the chamber rooms last night quite a delegation of enthusiasts was present. Most of the preliminary matters incident to the organization procedure of a good team were ironed out.

Another meeting will be held at the Holly street grounds tomorrow afternoon at 2 o'clock and the committee in charge of affairs now wish for every one interested in having a city team for Medford this year, to turn out and help in the making of the plans of procedure. After the meeting there will be held several try-outs and probably a little contest between chosen teams of material that will be on the grounds.

As this meeting will have quite a bit to do with regard to whether or not this committee thinks it advisable to continue, they should be encouraged with a large turnout of players and other baseball enthusiasts.
