

### PIERCE URGES CALIFORNIA TO BUILD HIGHWAY

SALEM, Ore., April 9.—Governor Pierce will send a telegram to Governor Richardson of California urging him to sign a bill recently passed by the California legislature placing on the state highway system of that state a road from Bieber, Cal., to Malin, Klamath county, Oregon. This will connect with the Dalles-California highway in Oregon which is to be completed next year. Governor Pierce today received a telegram from his secretary, W. A. Delzell, who is now in California suggesting that he request the California governor to sign the bill. Roy Klein, state highway engineer said that development of the Bieber-Malin highway and its connection with The Dalles, California highway in Oregon would be of great importance and advantage to Klamath Falls, since it will put that city on a main state highway from California through Oregon, connecting with the Columbia river highway at The Dalles. The Bieber-Malin road branches from the Pacific highway at Redding, Cal., extends to Bieber, then north to Malin and Klamath Falls.

### MURDERED GIRL WHEN SHE BROKE HER ENGAGEMENT

MANILA, April 9.—(By the Associated Press.)—Friends of Miss Burleigh, former Memphis, Tenn. girl, who was shot to death early last Sunday morning by Lieutenant J. S. Thompson, a young army officer, in an automobile near Manila, said today that Miss Burleigh had promised to marry Lieutenant Thompson, if he would resign from the army. Thompson wrote out his resignation. Then, according to friends, Miss Burleigh had a change of heart and changed her mind. Just before the shooting Miss Burleigh participated in a theatrical sponsored by the Army and Navy club. Thompson objected to her participation in the performance but she disregarded his protest. When Miss Burleigh made known her intention not to marry Lieutenant Thompson, she was not revealed. A letter of resignation from the army, written by Thompson, now held for court martial on a charge of first degree murder, was found in his effects today under date of April 3. The lieutenant said he was resigning on account of insufficient pay. Brig-

### Husband Arrested for Dressing Up As a Girl

SEATTLE, April 9.—Dressed in dainty feminine garb, C. H. Baldwin, 31, machinist at the Bremerton navy yard was arrested here last night while waiting for his 18 year old wife who was a guest in Young Women's Christian Association building. Baldwin told authorities that he masqueraded as a woman to watch his wife whom he followed to Seattle from Bremerton. Police informed Mrs. Baldwin they would release her husband if she procured some masculine clothes.

### REPORT OF BABE RUTH'S BEATH IS DENIED BY BABE

WASHINGTON, April 9.—Reports that George Herman (Babe) Ruth, baseball's premier batsman, had died en route from Asheville, N. C., to New York, were dispelled early today with the arrival here of the train on which he is traveling. Those in charge of the train said that Ruth, who collapsed in Asheville Tuesday, still was ill, but that his condition so far as they knew was not serious. Reports that the home run king had died en route to Washington, started in the early morning hours when his train was speeding through southwestern Virginia. Originating apparently in Cardinia it spread with almost unbelievable rapidity. Before the train reached Washington newspaper offices here were kept busy answering queries and train dispatchers along the route of the train were set to work checking up on the report.

### MRS. STILLMAN SPURNS HUSBAND FOR LITERARY BEE

CHICAGO, April 9.—The Herald and Examiner says today that efforts to effect a reconciliation between Mrs. Anne E. Stillman and James A. Stillman, New York banker, who recently renewed action over the paternity of "Baby Guy" have been made from two sources. The paper declared that the fourteen-year-old son of the Stillmans, Alexander, who joined his mother here for a trip to the Grand Canyon, brought one plea while a similar sentiment was said to have been expressed in a telegram received by Mrs. Stillman from her husband's secretary in New York. Mrs. Stillman, who departed last night from Arizona, was declared to have spurned the reported advances. She said that after a vacation in Arizona she planned to go to her estate at Grand Anse, Quebec, where she intended to embark on a writing career. The substance of Alexander's appeal, the Herald and Examiner said was that his father was heartbroken because Mrs. Stillman had left Pleasantville, the Stillman estate near New York, while the secretary's telegram

was said to have declared that Mrs. Stillman planned to sell the New York hotel as a means to Europe in the event "no reconciliation was possible." "I intend to pay absolutely no attention," Mr. Stillman was quoted as saying. "I am never going back to Pleasantville. When I settle down at Grand Anse I intend to do much writing for publication."

paid the advances were correct. I have not seen them. I am not the kind of woman that would spurn anything. I have no hard feelings, but sometimes there is such a difference in the nature of two people that it is impossible for them to live together." She laughed when informed of reports that she would start writing for a publication after her vacation. "I have had some offers from some papers," she said.

KANSAS CITY, April 9.—"Perfectly absurd," was the answer Mrs. Anne E. Stillman gave today to questions regarding a reported attempt of James A. Stillman, her husband, to bring about a reconciliation with his estranged wife. She passed through Kansas City today on her way to Arizona for a vacation and was interviewed in the waiting room of a sleeping car before she got up. "I haven't heard of any such proposals from Mr. Stillman," she said, when told that her husband's secretary was reported to have wired overtures to her. She ridiculed statements that her fourteen year old son was seeking a reconciliation. The son, who occupied the upper berth of the drawing room, laughed out loud when the reporter was mentioned but made no comment. Mrs. Stillman said that she had planned her vacation to rest from the strain of court proceedings and to get away from publicity. Asked how she would accept offers of a reconciliation she said: "I am not the type that can be hit over the head one minute and then give in when told to 'come kiss me honey.'" "You asked me if reports that I had
