Ashland will have no formal Fourth of July celebration this year, says the Ashland Tidings. "This was decided by the members of the Chamber of Commerce at the Forum luncheon of the booster body held at the Plaza today." General sentiment at the meeting according to the Tidings "was not in favor of a celebration such as has been held here in the past, claiming that some other city in southern Oregon should be extended the courtesy of the celebration, but declaring that some sort of a plan for the entertainment of those who came to Ashland to enjoy basket lunches in Lathia Park should be formulated. The support of Ashland will be given either Grants Pass or Medford, whichever city decides to put on a celebration, and while it is certain that many people will come here to enjoy the shade of Lythia park, no effort will be made to entertain them."

The Wild Cats of the Copeau league noosed out the Rob Cats in a wild battle at the Jackson street ball grounds Monday night. It was anybody's game up until the last of the ninth when the Wild Cats came to bat. A batting rally was started, the bases were filled and the net result of three runs won the game, the final score being 12 to 11. A notable feature of the game was the "pinch hitting" of Perry Crawford and the well-nigh perfect playing of both sides, neither one of which was credited with more than 16 or 23 errors. This victory enabled the Wild Cats to retain first place which they now have a firm hold with a percentage of 750 points. The next league game will be held Thursday night, when the Tom Cats will tangle with the Alley Cats at the Jackson school field, and spectators are welcome. No reserved seats.
