

KIWANIS CLUB ENDORSES MOVE FOR PLAYGROUND

The weekly meeting of the Kiwanis club deviated from its usual procedure of having a speaker and instead resorted to a novel scheme of calling on each member present for a one minute talk telling of his life history or as much of it as he could in the allotted time. Suffice to say the time was quite insufficient and much that could have been said was unsaid.

Vernon Vawter gave a very interesting account of the recent visit of the club to Roseburg, informed the members present that a royal good time was had and that in the near future the Roseburg club will visit Medford and take charge of the entire program.

A committee was appointed to meet with the Parent-Teachers association to assist in formulating a plan whereby Medford may receive assistance from the American Play Ground association in securing a much needed centralized play ground for the children.

Paul McDonald made a report on the plans for the annual dinner dance which this year will be given at the Jackson Hot Springs, on Wednesday evening, May 6th. It is expected that one hundred and fifty Kiwanians and their wives will be in attendance at this party, and invitations have been extended to the Kiwanis clubs at Klamath Falls, Ashland, and Roseburg to attend.

The club also went on record as favoring the proposed bond issue for a new high school, and a petition circulated among the members was signed by every member present.

The club also voted to stand the expense of hospital aid in a case of a young school boy, whose parents are unable to give this need of attention. Kiwanian Dr. Robert W. Stearns also agreed to give this child the needed medical attention.

It was reported that at the recent election of board of directors of the Medford Chamber of Commerce seven of the Kiwanis club had been successful in being elected.

GIVE OUT PROGRAM FOR ORGAN CONCERT THURSDAY EVENING

By special request Mr. and Mrs. J. H. Shearer, the noted organist and soprano soloist, will give an organ and voice concert Thursday evening at the First Baptist church. One admirer of these noted artists told the music committee of this church that she would dispose of twenty-five tickets if they would put on this concert. The expression at the concert Sunday was so strong for their return that it was felt that many others in addition to those present would desire to hear Mr. and Mrs. Shearer in another type of entertainment. Rare is it that Medford has the privilege of hearing the organ played by such an artist. Mrs. Shearer captivates all hearers by her sweet and melodious songs. Tickets can be obtained at Marsh's grocery store or from Mrs. Elmer Wilson and others.

MEMORIAL SERVICE FOR DR. GILBERT TOMORROW P. M.

At the same hour as the funeral service for Dr. E. E. Gilbert at Salem tomorrow afternoon at 2:30, a memorial service will be held in the First Methodist church, where he had been pastor for the past half year. The membership of the church to which he ministered before his illness were much pleased with the announcement that such a memorial would be conducted. The Medford Ministerial association will have charge of the memorial and brief statements will be made by some of the pastors and laymen, but no sermon will be preached. It has seemed to his many friends and the congregation to which he ministered, a most fitting thing that a memorial be held inasmuch as no funeral address would be given at the brief service at the parlor this afternoon.

The program for the memorial service will include a musical number and four brief addresses, as follows: "Dr. Gilbert—The Man," by Rev. D. J. Howe; "Dr. Gilbert—His Ministry," by Rev. J. W. DeYoe; "Dr. Gilbert—A Fellow Minister," by Rev. E. P. Lawrence, and "Dr. Gilbert—Our Pastor," by Miss May Phipps; prayer by Rev. F. M. Leach; scripture by Rev. King; closing by Rev. Theumler. Rev. J. B. Coan will preside.

GOVERNOR PIERCE GREETED MINISTERS OF ROGUE VALLEY

The regular meeting of the Rogue valley ministers was held yesterday in the Ashland Congregational church. Pastors from all parts of the valley were in attendance and a most enjoyable session was held. All the Medford ministers except two were present. Luncheon was provided at the Ashland hotel, where the ministers were greeted by Governor Pierce and members of the Normal school board of regents.

An interesting part of the program was a paper and book review given by Rev. E. P. Lawrence of Medford, followed by a lively discussion by the assembled pastors. A splendid statement and tribute was made relative to Rev. F. R. Leach of the First Baptist church of Medford, occasioned by his resignation here and his acceptance of a pastorate at Bremerton.

The death of Dr. E. E. Gilbert was the occasion of a memorial by the organization in which he was a member. A letter of sympathy was sent to his family and a large floral tribute ordered to accompany his remains to Salem.

The next session of the association will be an outing on the river in June.

The Screen

Buster Keaton at Rialto.
Buster Keaton is appearing in "Sherlock Jr." for three days at the Rialto. You'll laugh until it aches when you see him as a detective who unearths trouble and is then buried under it himself.

Buster is surrounded by a great cast of fun-makers: Kathryn McGuire, Ward Crane, Joseph Keaton, Buster's dad, Jane Connelly, Erwin Connelly, Horace Morgan, Ford West, George Davis, John Patrick and Ruth Holley. The great "Alburus" appearing this week at the evening shows, gets better and better with each performance, and even scientific and professional men are numbered among those who ask him for information, and none can explain the secret power that enables him to reveal long hidden secrets.

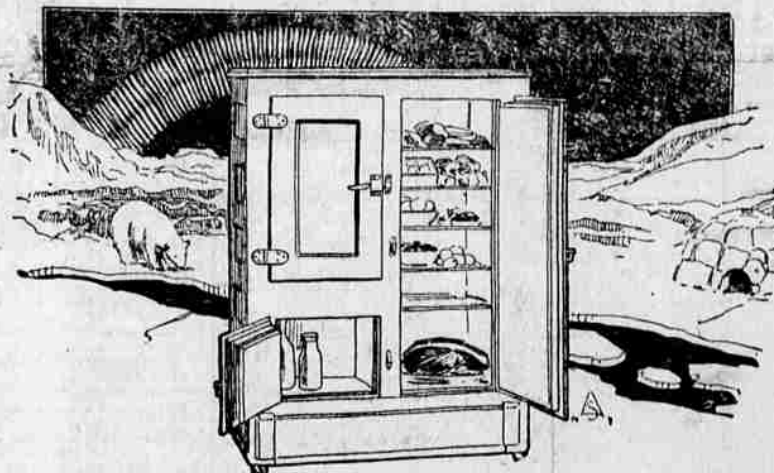

At Hunt's Craterian.
"He Who Gets Slapped," the drama which caused so much comment when it appeared as a stage play with Richard Bennett in the title role, is coming as a screen production at Hunt's Craterian tomorrow, Thursday and Saturday. It is in the opinion of many who have seen it, the most artistic expression of motion picture yet offered to the public.

The Refrigerator You Have Always Wanted!

"MADE A LITTLE BETTER

RHINELANDER AIRTITE REFRIGERATOR

THAN SEEMS NECESSARY"

Buy a Nationally Advertised Refrigerator

America's Most Beautiful Refrigerator

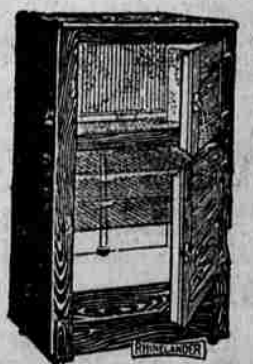

You will enjoy the cold-holding efficiency and economy you have always wanted in a refrigerator, but never before quite experienced. Four walls of vacuum-like dead air space, sealed in by five thicknesses of heat-resisting materials, hold the cold in! Supplementing this construction, the ice chamber is suspended within—not outside—the porcelain lining (pat. pending) permitting free circulation of air around the ice chamber, as well as through it. Ice lasts longer and food is kept crisply fresh by the keen dry cold air.

You will commend these niceties of spick-and-span cleanliness you have always hoped for, but never quite found in any other refrigerator. The full porcelain (not enamel) lining is as smooth as glass, without seams or cracks; corners are broadly rounded, and edges are more than flush with door casing all around, to simplify cleaning.

You will take pride in the clean-cut simplicity and attractiveness you have subconsciously had in mind, but never before discovered in a refrigerator. Smooth, unpanelled doors and sides—solid construction—give the Airtite an air of dignified refinement, as well as adding to cleanliness and cooling efficiency. Even the locks are different—solid cast brass, beautifully nickel-plated and highly polished, instead of ordinary stampings.

In other words this is the refrigerator you have always wanted, designed and built up to the ideals and practical requirements of the American housewife!

See the AIRTITE in our window. We will gladly show it to you.
