OREGON BEATEN BY IDAHO AFTER LEADING 5 TO 0

EUGENE, Ore., May 5.—Faced by a 5-0 lead held by the University of Oregon baseball team here yesterday afternoon, the University of Idaho nine came back and won, 10 to 7. It was a free hitting contest, many clouts going for extra bases.

The game started with Idaho at bat, and the Vandals were mowed down in one-two-three order. In her half of the inning, Oregon connected with fields' offerings for five runs. A home run by Adolph of Oregon with two on was a feature of the inning.

From the first inning, however, fields tightened, while Williams of Oregon was hit rather frequently when he was on base. An Oregon rally was started in the last of the ninth with two out, when Holcomb hit, and Blies brought him in with a three-bagger. Jones struck out for his third time of the day, and ended the game.

The game was the first of the season in the coast conference for Oregon.

Washington state college will be here Wednesday afternoon.

ATHLETICS POUND WAY BACK AGAIN FOR LEAGUE TIE

NEW YORK, May 5.—For the third time this season, the Philadelphia Athletics felt their way back to a tie for the American league peak, by shelling four New York pitchers with a volley of sixteen hits, which reached its height in the ninth inning. Terrific drives by Bishop and Miller, the former of whom hoisted the ball into the right field stand, snatched victory from the Yankees in the closing session, 8 to 7, and established another triple tie among the leaders. Washington and Cleveland, forced into inactivity by rain, stood by and watched.

Detroit's defeat at the hands of the St. Louis Browns marked the tenth reverse suffered by the Tigers in their last 12 starts, one of which resulted in a tie.

The Giants had a field day in their league tilt with the Phillies, piling up an even dozen runs against two for their foes by sheer slugging.

After a sensational rally by the Robins, had tied the score at five to five in their game with the Braves. Manager Bancroft dashed around the bases in the ninth inning burst of speed which put the hub team on the long end of the score by a single hit. Profiting by a pass, Bancroft stole second, dashed to third on Catcher Deberry's poor throw, and scored on Marriot's single.

SPORT BRIEFS

SAN FRANCISCO, May 5.—Oliver Mitchell, southpaw ace of the San Francisco pitching staff, is undisputed leader of the Pacific coast league. He has won five games and lost none. "Doc" Crandall of the Los Angeles club and Jeff Pfeffer of the San Francisco club, are in a tie for second honors, each having won four games with no defeats.

Among the other hurlers who boast good records are Laverenz, Portland, won two, lost none; Vincel, Sacramento, won 1, lost none; Dumovich, Seattle, won one, lost none; Fowler, Oakland, won 1, lost none; McCabe and Ponder of Salt Lake have each won four and lost one game; Plummer, Seattle, won three, and lost 1.

GOVERNMENT SELLS OREGON TIMBER FOR \$43,521.79 CASH

ROSEBURG, Ore., May 5.—Eight tracts of government timber located in Coos, Lane and Josephine counties were sold here yesterday at public sale by the Roseburg land office. The sale netted the government \$43,521.79, approximately 22,000,000 feet of timber being disposed of. The purchasers were as follows: Dennis McCarthy of Marshfield, 2,800,000 feet of timber in Coos county, \$6,225; Ernest A. Folsom of Coquille, 5,500,000 feet of timber in Coos county, \$12,225; Claude A. Rorer of Eugene, 1,750,000 feet of timber in Lane county, \$5,260; Elmer W. Spaulding of Grants Pass, 1,900,000 feet of timber in Josephine county, \$4,185; George H. Chaney of Coquille, 1,450,000 feet of timber in Coos county, \$2,793; Jesse E. Norton of Coquille, 1,550,000 feet of timber in Coos county, \$2,703; Jesse D. Clinton of Myrtle Point, 2,221,000 feet of timber in Coos county, \$3,118; George S. Gothrow of Myrtle Point, 5,000,000 feet of timber in Coos county, \$12,380.

With the exception of the one tract in Lane county and the one in Josephine county, the tracts were all Coos bay wagon road grant lands. The two exceptions were O. and C. railroad grant lands. There was competition only on the last named bid, the price being raised \$100 by the successful purchaser. Much of the timber was Port Orford cedar.

SPECIAL PROGRAM SALVATION ARMY

Twenty of Medford's most talented girls, under the leadership of Mrs. J. Albert McCorkle, will entertain the public with a free program to be given at the Salvation Army, 4th and Barrett, tonight, at 8 o'clock. These girls comprise the junior choir of the First Presbyterian church, where they have been in similar programs to the delight of large audiences.

Tonight's program at the Army hall will consist of several vocal selections by the choir itself, duets, readings, and a missionary playlet entitled "The Yon Side of Little Pine," in which fourteen characters are cast.

Doors will be open at 7 p. m. and the program will commence at 8. Homemade candy will be sold by young ladies of the Army. Admission is free and everybody is cordially invited.

Theatrical

A large audience gave an enthusiastic reception to the Greenwich Folies, featuring Mr. Gallagher and Mr. Sheen at the Craterian last night. The performance proved to be of the super-vaudeville type, containing a multitude of special acts, run off with great precision and dispatch and with a generous display of feminine anatomy not draped for the rigors of an artful climate. As usual in such productions the various stunts were unequal in merit, but the average was high, and the company most generous in giving encores, while demonstrating that their policy is to give the smaller places on their tour the same performances accorded the largest cities.

The Kiwanis club was entertained by "Alburtus" for a few minutes Monday, at their regular luncheon, when he told stories and performed the Hindu magic trick. It is safe to say none of those present will attempt to learn the trick.

Glenn Fabrick called attention to the DeMolay convention here and said the committee needed more accommodation for boy guests. W. W. McDonald received the attendance prize, six months subscription to the Mail Tribune and Sun. E. B. Parks, mayor of Eugene, and a Kiwanian, brought a message from one sister city and the club and urged that all cities in Oregon unite to tell the world of the scenic beauty and prosperity of the state.

Paul McDonald called attention to the annual dinner dance party of the club at Jackson Hot Springs Wednesday evening and urged all to attend.

The guests were: G. F. Hiner of the Pacific Telephone and Telegraph Co., H. C. William of Modern Plumbing and Sheet Metal Co., Peter Creighton and S. P. Loebner of Portland, E. B. Parks, mayor of Eugene, Richard Shepherd of Eugene, Alburtus, "The Mystery Man."

DETAIL ROUTE OF NEW LINE TO KLAMATH FALLS

PORTLAND, Ore., May 5.—The detailed route of the proposed extension of the Oregon Trunk from Bend to Klamath Falls is set forth in an application prepared for filing with the interstate commerce commission today, says a special dispatch from Washington. Cost of construction, of the extension is placed at \$40,000 a mile. The plans provide for a single line 65 miles from Bend to Skookum, formerly known as Odell. At this point the line would branch off in two possible routes to Klamath Falls. The petition is quoted as follows:

"A line from Bend, Ore., southwesterly, following generally up the Deschutes valley, a distance of approximately 65 miles to the height of land or summit between the Deschutes and Williamson river drainage; thence southerly and southeasterly approximately 40 miles to the summit between the Williamson river and the Sprague river; thence in a southerly direction approximately 24 miles to the Sprague river; thence in a southerly, southwesterly and westerly direction, approximately 43 miles to Klamath Falls.

"Also a line connecting with the aforementioned line near the summit between the Deschutes and the Williamson river drainage; thence southwesterly and southerly following generally down the Williamson river 56 miles to the valley north of Upper Klamath lake; thence southwesterly, southerly and finally easterly, following generally the west side of Upper Klamath Lake to Klamath Falls, 26 miles."

The applicant does not now propose to issue any securities for constructing the extensions, the application sets forth, "but will file separate application therefore should occasion require." The Portland and Seattle railway company (herein referred to as the S. P. and S.), whose capital stock in turn is owned, one half each, by Great Northern Railway company and the Northern Pacific Railway company (herein referred to as the Northern Lines). The Northern Lines have invested more than \$100,000,000 in the construction of the S. P. and S. railroad and the acquisition or construction of the railroads of the latter's subsidiaries including the railroad of this applicant.

The required funds for the construction of the proposed extension will be furnished by the Northern Lines. The Northern Lines own (one half each) about 93 per cent of the capital stock of the Burlington. The Burlington owns 48.3 per cent of the stock of the Colorado and Southern Railway company. The cost of construction is estimated at \$10,000 a mile.
