

Clears Complexion

"Oh! how clear and beautiful your complexion is today, my dear!"

THERE is a certain joy—a certain pride—in knowing you are admired, whether it be from father, brother, husband or sweetheart! And look of that joy is the satisfaction of knowing all is well.

Men are fascinated by the charms of beauty. Women gaze with envy, secretly jealous, perhaps, wondering—hoping—praying for that attractiveness which is not theirs. But why the wondering—the hoping—the praying for that coveted for attractiveness—that clear skin—that beauty. A clear skin—is the barometer of one's condition. A healthy skin radiates beauty. Pure, clean blood means a clear skin.

S.S.S. is waiting to help you. It will rid your blood of its impurities and give you that clear complexion. Since 1820 S.S.S. has been ridding people of blood impurities, from pimples, from blackheads, boils, eczema and from rheumatism, too. Because S.S.S. is made from fresh herbs and barks, it may be taken with perfect safety. Try it yourself. You will not only look better, but you will feel better, too.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

BIG ACREAGE OF CORN AND MELONS AT TABLE ROCK

TABLE ROCK, May 7.—The planting of corn, potatoes and melons is in full swing in this section and indications point to a considerable increase in corn and melon acreage.

Those from here who attended the meeting of the West Side Community club last Saturday night report a very delightful time.

Mr. Graves and family have moved into the Harry Nealon house. Mr. Graves is employed at the Modoc orchard.

The report of the serious accident to Sidney Olson at Medford last Monday evening came as a shock to his many friends here who deeply sympathize and are hoping for his full recovery.

This district should be well supplied with beans next winter as F. M. Blain is planting some ten acres of the kind used as dry or shelled beans.

Some of our farmers are putting out squirrel poison and some good results are reported.

Our orchardists have finished putting on the first sprays of the season and are now turning their attention to blight control.

Many people from all parts of the valley climb lower Table Rock to enjoy the wonderful view that can now be had.

On Sunday, April 26, it was estimated that two hundred people made the trip, and again last Sunday a large number enjoyed the strenuous hike and wonderful scenery.

A tennis court is being constructed by the young people at the Sealbrook place.

Several Table Rock ladies attended a meeting at the school house one day last week where Miss Ada Brewster, home demonstration agent, exhibited plans for making ladies' headgear.

At the present time more than one hundred dairy cows are being milked in this district, the largest herd being on the Dunlap ranch, where herd of twenty-six are cared for by Davis and McClelan.

Prospects so far in this section indicate a normal crop of fruit of all kinds.

REESE CREEK RIPELTS

SARDINE CREEK, May 8.—The Alderbrook school and quite a few of the parents and patrons of the school enjoyed a May day picnic on the school grounds Monday of this week.

The two Hoskins brothers and their wives of Hood River, Ore., have been visiting the latter's mother, Mrs. Julia Griffiths, and their brothers, Charles and Gerald Herman. They also visited another brother and family, Joe Hoskins, of Trail creek.

They returned to their homes well pleased with our valley and may decide to locate here later on.

Another victim of the tricks of an unruly Ford is Al Kimball, who is now nursing a broken arm. As he and George Smith were starting home last Thursday evening from their work on the road in the Meadows, when he cranked his car, in some way the spark lever came unhooked, throwing on a full spark, causing the crank to kick back, breaking one bone of the right fore arm. They drove into Gold Hill, where Dr. Chisholm dressed the injured arm, which is improving slowly.

Frank Guy, a former well known resident of this valley, but now of Bend, Ore., accompanied by his wife, is visiting at the home of his brother, Fred Guy. Frank, who was considered by all his friends here to be a confirmed bachelor, gave them quite a surprise last summer by taking unto himself a wife, who was formerly one of his boyhood sweethearts.

Ralph Dusenberry has traded his Ford truck for a touring car, and has moved to the Morgan sawmill near Trail, where he expects to drive a truck this summer, hauling lumber.

Mrs. Maud Boswell of Central Point, has been visiting at the home of Mrs. Lulu Dusenberry a few days this week, and has also been soliciting orders in Gold Hill for the Franco-American toilet articles, for which she has the agency in this territory.

Jess Ring, who has been sick for some time, last week went home with his daughter, Minnie, to McClelland, Calif., where he can have medical attention and good care. He writes back that his doctor says he will soon have him able to "hunt buck."

SUNDAY MEETING AT REESE CREEK WELL ATTENDED

REESE CREEK, May 8.—The all day meeting at Reese Creek last Sunday was well attended, between 150 and 200 eating dinner, about 75 at Sunday school. Just after Sunday school Rev. McDonald of Trail preached on the "Leprosy of Sin," taking for his text 2 Kings 5:1-12, "Are Not Abana and Pharpar, rivers of Damascus, better than all the waters of Israel? May I not wash in them, and be clean? So he turned and went away in a rage." At the dinner hour there was a good social time and abundance to eat. The automobile was driven in a social circle and seats placed in front of the building so that the speaker could stand on the steps, (there being too many to get into the building). Rev. A. T. Byers of Ashland preached on the gospel, "God's Spell," Luke 4:18, 19, "The spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, and to recover of sight to the blind, to set at liberty them that are bruised, to preach the acceptable year of the Lord." These words were prophesied by Isaiah, and fulfilled in Christ. He preached the whole truth as set forth in these verses.

The singing was wonderful, a number from Grants Pass and Medford for there, they were all good singers with enthusiasm. Rev. Byers, wife, and daughter sang two or three selections which were wonderful. Sunday school next Sunday at 10:30 a. m. Subject, "Philip and the Ethiopian Treasurer." Memory verse: "The entrance of thy words giveth life." Ps. 119:130.

Miss Crandall left Monday for Long Beach, Calif. She will be greatly missed, not only by her brother's family (with whom she has been since the passing away of Mrs. Crandall) but also by her many friends who are sorry to lose her.

Rev. John Stille was quite sick with the flu for a few days last week.

Monday morning Mrs. W. E. Hammel received the sad news of the passing away of their uncle who lived at Alturas, Calif. Marshall Minter, Mrs. Sam Courtney, Mrs. W. E. Hammel, and Mina Minter left at once for the funeral.

The Reese Creek school was honored last week with a program of last year's slides of the Forest Fire Prevention stations. Mr. Brown of the forest service, gave a talk on the work. The pupils of both rooms sang several songs in appreciation of the pictures and talk.
