REAL ESTATE IS AGAIN ACTIVE IN EDEN V. DISTRICT

By Mary O. Carey.

EDEN PRECINCT, May 7.—Joe Roberts of Phoenix has lately sold the town property he purchased last spring from the Pratts. It was formerly the Culhoun place, and consists of an acre in berries and garden land. There is a dwelling and outbuildings also. The price was a good one. Mr. Roberts immediately invested in business property, consisting of the confectionary and pool hall in Phoenix.

Mr. and Mrs. Logan last week sold their fine berry patch and pear block, which lay on the highway, in the north end of Phoenix. The house and garden are ideal for a small home. The parties are from the south and but lately came into the valley.

Some times we wonder if the trades people will not soon come around with a paper asking you just how much sugar and bacon and dry goods it takes to keep your family for the year. If you buy at home or send to Sears, Roebuck and company for what you use. When once this information is recorded, then it will be much easier to set the prices you shall pay. In other words, they can regulate the output so as to keep the prices up to the desired point. It is quite enough to give the necessary information to the assessor, and the income tax man, and the government man, but when private concerns account you again, it gets on one's nerves.

We are proud to announce that one of our local young men, Aubrey Furry by name, has signed up for the coming season with the Ellison White Co. concert company. Mr. Furry will take the part of Poot-Bah in Mikado. The troupe will be in northeastern Canada this summer. Many of us know it will be a great privilege to hear Mr. Furry sing.

Mrs. Kenan of Phoenix has been making some very up-to-date improvements in her business property. This week she had a phone installed, also a fine gas range. Mr. Kenan and their son, Frank, came over from the mills last Sunday to visit the wife and mother. The son brought his radio and installed it for the day. It is needless to say there was plenty of entertainment for the day at least, as young folks are fully alive these modern times.

Mr. and Mrs. Jay Hurd of Portland arrived at the home of Mrs. Hurd's aunt, Mrs. B. N. French, on the Pacific highway south of Phoenix, and will endeavor to find a location in our valley, as they are in love with the abundant harvest now in sight and the climate.

Saturday, May 2, was the occasion of a delightful birthday party in honor of little Wanda Purvies' 9th birthday. The little girl spent the time playing games, and eating ice cream and cake. The favors for each little guest gave much amusement also. Many little tokens of esteem were presented little Miss Wanda by her guests. Those present were:

Alice Gilme, Bertha Edmonson, Catherine O. Orthize, Pauline McCabe, Betty Howard, Martin Pierce, Eudell Abbott, Wanda Purvis.

Mrs. Walter Allen and her father-in-law James Allen of North Talent, were Medford business visitors Wednesday afternoon.

Mrs. A. S. Purry was visiting her daughter, Mrs. Niel Franklin last Wednesday and doing shopping in Medford.

Mrs. Sula Dean and her daughter and husband, Mr. and Mrs. Louie Colver, spent last Sunday afternoon in the Wagner creek district, visiting with Mr. and Mrs. R. E. Robinson.

Mr. Michael and family have moved into their new bungalow just south of the Blue Flour Lodge, in Phoenix. This is one of the most attractive of the several new homes just built in the Highway addition.

We are sorry to have to say that the apricot growers of Fern valley have, for the neglect of an hour's emulsifying, lost their valuable crop of this favorite fruit. These people have always had the finest apricots of any section of the valley. Some of them had their pots set and ready to light, but took a chance on the emulsion of the lower valley blanketing them, but lost out.

COPCO EMPLOYEE FROM CENT. POINT HURT AT PROSPECT

CENTRAL POINT, May 7.—C. G. Duncan is in the Sacred Heart Hospital at Medford suffering with a broken nose and jaw and severe facial bruises resulting from an accident occurring last Monday while he was engaged in line construction work for the Power company near Prospect.

Mr. Duncan was standing beside a pole assisting a co-worker who was at the upper extremity of the pole, when a block fell from above him, striking him squarely in the face, as, at the same moment, he lifted his face to look upwards. It is believed that the block, which was a combination of wood and steel, struck Mr. Duncan on the top of his head, the result would have proved fatal. Due to the extreme swelling of the face, the doctors have been unable, up to this time, to set the broken bones or perform necessary operations.

Mrs. Livingston of Portland, who has been visiting her sister, Mrs. George Neals, returned to her home last Sunday.

C. A. Boles and family spent Sunday in Grants Pass.

Mrs. Rowena Bonney arrived here Monday to make an extended visit with her son, P. A. Bonney and family of the Willow Springs district.

C. J. McCay was unfortunate in losing his brooder house and 160 small chickens which it contained, a few days ago, by fire.

Mrs. Frank Lawrence entertained the following ladies at her home on

Thursday afternoon of last week: Mesdames Guy Tex, A. W. Lewis, Wm. Pyburn, Homer Bowman, Bert Peck, J. E. Vincent and Ellis Clark of Central Point and Mesdames Hochne and Chick of Medford. The afternoon was enjoyably devoted to fancy work and cards followed by refreshments consisting of fruit salad cake and tea, daintily served by the hostess.

Sam Marshall of Merced, California, a former resident of this place, is visiting in the valley this week.

Mrs. L. C. Grimes received a telegram yesterday stating that her mother, Mrs. Henry Moore, passed away at Logansport, Indiana, early yesterday. On account of the long distance to Logansport from here, Mrs. Grimes will not attempt to make the trip in order to attend the funeral services. The friends of Mrs. Grimes wish to extend sincere sympathies to her at this time.

Construction of the stage in the symposium was begun the first of the week, and if all goes well, it will be completed by Saturday afternoon. Practically all of the labor is being donated by a number of our public-spirited citizens. The ladies of the Parent-Teacher association, are serving hot lunches each day to the men at the home of Mr. Frank Lawrence.

Carl Weaver has accepted a position with the Standard Oil company and is located at one of the filling stations at Medford.

A tourist and his wife from Seattle, stopped at Jack Lee's garage for repairs last Saturday afternoon and while in conversation with him Mr. Lee learned that the tourist's name was J. H. Hirsch, an old schoolmate of Mr. Lee's father when they were boys at Pontiac, Michigan. It also developed that Mr. Hirsch knew the Messrs. Charles and Lewis Gay, the two sons of Mr. J. H. Gay of Central Point, so the latter was called in to also become acquainted. The repair work was complete at two o'clock the next morning and Mr. and Mrs. Hirsch resumed their trip.

Mrs. G. E. Fox is quite ill again at her home.

Mr. and Mrs. Guy Tex entertained a number of their friends last Saturday evening at a card party.

Those who enjoyed the hospitality of the host and hostess were the Messrs. and Mesdames Clyde Hanson, Merrill Kinde, Ellis Clark, Bert Pack, Art Lewis, Frank Lawrence, J. E. Vincent and Mrs. Wm. Pyburn. Refreshments of salad, sandwiches, cake and coffee were served.

Friends of Mrs. S. J. Love will be glad to learn that she is very much better at this time and hopes are held for her recovery.

The Women's Relief Corps wishes to announce that its meeting will be held on the second and fourth Fridays of each month after May 20th. Memorial services will be held at the brick church on May 24th, at which Reverend Johnson will deliver the sermon.

On Decoration Day, the Women's Relief corps will serve dinner at noon in the W. R. C. hall for members and their families, the dinner to be provided by the members. At 2:30 o'clock in the afternoon, a program will be given at the F. & E. Theater to which the public is invited. The address will be delivered by Attorney Trill.
