—De Luxe Studio.

Salem, Ore.—For some years I have used Dr. Pierce's Golden Medical Discovery as a spring tonic and have never found it to fall in cleaning the system, stimulating the blood and giving a feeling of healthy life. At one time I was weak and run-down, felt all worn out and ready to go to bed, but the help I got from the "Golden Medical Discovery" brought back to me a feeling of strength and new life. I shall always have a good word to say for this wonderful remedy for I have always found it good when a tonic was needed. I have also used the "Pleasant Pellets" for the stomach, liver and bowels, and can say they can be depended upon to clear and regulate these organs.—Mrs. M. Ettner, 449 South 18th St.

DEDICATION RED WOOD HIGHWAY WELL ATTENDED

GRANTS PASS, Ore., May 12.—Oregon and California joined hands in the dedication Sunday of fourteen miles of the Redwood highway paralleling the Smith river. The celebration which was held at the mouth of Patrick's creek, on the Smith river, 7 1/2 miles from Grants Pass, was attended by more than 400 persons. Del Norte, California, sent a large representation and scores were present from Grants Pass and other points in Oregon.

A. D. Lee, president of the Crescent City Chamber of Commerce, presided at the ceremonies and addresses were made by O. S. Blanchard, former president of the Grants Pass Chamber of Commerce; H. D. Norton, present head of that organization; E. W. Miller of Josephine county; Tom Cotter of Brookings, general manager of the California and Oregon Lumber company; William Ward of the same company; George Cloney of Eureka; E. R. Green, federal engineer in charge of the work, and Engineer Stockard of the California highway department.

Speakers declared the stretch of highway opens new scenic attractions for tourists, and shortens the time between Grants Pass and Crescent City. The Skagitou forest through which the road goes, was declared to abound in game and fish.

The dance given at Lost Creek hall April 18, was well attended in spite of the storm. Supper was served cafeteria style. Violin music was furnished by Clarence Martin with help from others at the organ. The Ladies' club met with Mrs. Ted Heofft on April 23. ANTI-KLUX ORGANIZATION IS FORMED, COLORADO

DENVER, Colo., May 12.—(By Associated Press.) A meeting to perfect the organization of the "Constitutionalist," a state-wide body which proposes to combat the "pernicious influence and teachings of organizations attempting to control the government," will be held here today.

The new organization which professes to be non-partisan and non-political, is designed, it is said, to counteract the influence of the Ku Klux Klan which played a prominent part in recent school elections over the state.

Among the speakers will be former Governor Shoup and former United States Senator Charles S. Thomas of Denver.

Snapp Brothers Exposition shows, known as the Barnum of the exposition world, owned and operated by William H. and Ivan S. Snapp, will show in Medford for one week beginning Monday, May 18.

Thirty full sized steel railroad cars make up the train which carries the fifteen shows, five rides, 350 people and half a hundred head of livestock which make up these tented attractions.

The attractions include everything from a minstrel show and the fastest Motor Drome known to showmen, right down to the old circus side show brought up to date and a half dozen monkeys driving miniature racing cars in real races.

There are five rides including the whip, a carousel, the catapiller, the sea plane and big Ferris wheel. Two uniformed military bands furnish music while a colored jazz band fills in any gaps left by the former.

The Snapp Brothers have adopted a slogan which reads, "Fun For All—All For Fun," and they claim if you can't have a good time on your midway it is time to either change doctors or climate, for the man or woman who can't laugh is sick.

TRIAL OF KANSAS GOVERNOR STARTS, JURYMEN CALLED

TOPEKA, Kas., May 11.—The trial of Jonathan M. Davis, former governor of Kansas, on charges of conspiracy while in office with his bank commissioner, Carl J. Peterson, to obtain a bribe in exchange for a pardon, began today before Judge James A. McClure in the district court. Selection of a jury was started.

The former governor went on trial alone, Peterson, named jointly with Davis on the warrant, is to be tried later. Davis faces two criminal suits. In the case going to trial today he and Peterson are alleged to have attempted to obtain a bribe in exchange for a pardon for Walter Grundy, Hutchinson banker, who is serving a sentence in the state penitentiary for embezzlement. In the other suit the ex-governor's son, Russell G. Davis, is named jointly with his father on charges of obtaining \$1250 in exchange for a pardon for Fred W. Pollman, convicted LaCygne banker.

A. L. Oswald, young Hutchinson lawyer, who appealed to Jonathan M. Davis while the latter was governor, to pardon Grundy, is the state's star witness among 34 subpoenaed.

LOCAL MOTORCYCLE CLUB TOURED TO SQUAW LAKE

The weekly tour of the Crater Lake Motorcycle club Sunday was to Squaw lake. Due to the cloudy weather only six riders and their ladies went on the trip. However the ride was a wonderful success, and only a light shower was encountered.

Lyon Lyom, Clyde Peart of Medford, and L. C. Lyons of Copco rode their motors to a little less than one-fourth of a mile of the lake edge. They could have easily made it to the shore had it not been for the rain on the soapstone formation of the road, which when wet was too slippery for the motors to travel on without chains.

This is understood to be the nearest to Squaw lake a motor has ever been. The club expects to ride to Cottage Grove Hill climb May 31st.
