Local and Personal

The chief topic of local conversation continues to be the outcome of the special school site election tomorrow afternoon, when the vote is expected to be record breaking for a school election, and therefore wise citizens will cast their votes early. The general qualifications of the voters are set forth elsewhere in this paper. The election takes place at the High School building between the hours of 2 and 7 p. m., and there will be two double election boards to facilitate the voting.

CALIFORNIA TO TRY MOORE FOR MURDER OF BROWN

SALEM, Ore., May 14.—California authorities at Sacramento will take immediate steps to have C. R. Moore removed from the Oregon penitentiary and taken to Sacramento to be tried for the murder of Harry Brown in that city September 18, 1923, says a letter received by Warden Dalrymple today from Bernard McShane, chief of police at Sacramento.

The letter from Chief McShane, which incloses a statement from Miss Florence Pries, who was with Brown at the time he was killed, tends to corroborate the confession signed by Moore and his wife at the Oregon prison on May 1. Her story of the crime and also the description of the slayer tally with the Moore confession and with his physical appearance.

Miss Pries said that a woman was in Moore's automobile waiting for him after the crime was committed and in their confession Moore and his wife claim that the latter was in the car waiting for him with the engine in motion so there would be no delay in the escape. The confession mentions a lawyer who chased them after the shooting. They did not know his name but know from newspaper articles at the time that he was a lawyer. According to McShane's letter this was William Sitton, an attorney, and son of Desk Sergeant Sitton of the police department.

The confession was signed here May 1 by Moore and his wife after they had quarreled when Mrs. Moore visited her husband at the prison. Moore was sent here from Lane county for the theft of an automobile.

E. FEHL TO BUILD HOME FOR PAPER

Work on still another new business building for the west side of the city was begun this morning when Earl Fehl set a crew preparing the foundations for a 30x100 concrete one-story structure, which he will build on his lot immediately adjoining on the west the federal building, on the north side of West Sixth street.

The work will be rushed so that the structure can be completed before July 1. The foundations will be such that other stories can be added to the building later. Mr. Fehl announced that he is building the present structure to house his weekly newspaper publication, the Pacific Record Herald.

FEAR OUTBREAK OF CHINA WAR AGAIN

PEKING, China, May 14.—(A. P.)—Considerable apprehension exists among the Chinese in the northern part of the country owing to reports that General Chang Tso-Lin, the Manchurian dictator, is moving troops toward Peking, where the "Christian general," Feng Yu-Hsiang, has stationed his forces.

These reports indicate that considerable numbers of the Mukden general's soldiers will soon arrive in the vicinity of the capital, but it is generally believed that Feng Yu-Hsiang will allow Chang to occupy Peking without fighting.

It is reported that some of Feng's supporters have been prevailed upon to adopt a neutral attitude and that consequently the Christian general is not strong enough to fight.
