

### MAN NEAR DEATH AS RESULT AUTO CRASH, NEAR HERE

Fred Norman, 26, of Butte Falls, and William McCaffrey, 21, of this city, brakemen employed on the Medford Logging railroad, are in Sacred Heart hospital suffering from concussion of the brain and severe bruises as a result of an auto accident on the Crater Lake highway a mile north of the city limits Sunday forenoon about 11 o'clock.

The condition of McCaffrey was reported this morning by hospital attendants as showing slight improvement, though in dangerous condition; Norman who has not regained consciousness since the accident, is not expected to live.

The men were driving a Nash light six roadster at a high rate of speed and lost control of the car while passing another auto, swerving in the loose gravel at the edge of the road. After righting the car a couple of times, it turned over three times, and rolled a distance of 50 feet before plunging into a ditch.

T. E. Daniels and Wilbur Ashpole of this city were among the first to reach the wreck, and assisted in caring for the injured men, Daniels taking them to the hospital in his car. Both declare the car was traveling at a high rate of speed.

The car was a total wreck, and immediately following the accident before authorities arrived, a complete search was made by a curious crowd. A pop bottle, empty, was the net result of the prying, which a small boy afterwards threw away. Legal action on this phase of the accident is probable.

Norman is said to have relatives living at Butte Falls, while McCaffrey is a single man.

The injured men were unconscious all day Sunday. They are under the care of Dr. R. J. Conroy.

He paid \$10 fine on each charge and promptly applied for the proper licenses. The above arrests were made by Traffic Officer J. J. McMahon.

### UNIQUE VAUDEVILLE BILL AT CRATERIAN

Tomorrow's vaudeville bill, the best ever presented in southern Oregon, at Hunt's Craterian offers something unique in the way of entertainment, in the Florentine European pousseurs, who perform feats of daring and beautiful from the summit of a water fountain in action. The fountain itself is a work of art, being an exact reproduction of the masterpiece of Vasca at Florence, Italy. This act is one of the highest salaried on the Orpheum Jr. circuit.

Maude Smith and William Armstrong in a novel comedy act, with singing and dancing interspersed, present the troubles of a lady autist. It is called "On the Highway."

The Revue Comique, presented by a company of five interpret Russian dances, with a burlesque number that has convulsed audiences over the circuit. The scenic effects and costumes of this act are exceptionally beautiful.

Two clever musicians and vocalists, Fiske and Fallon, present "Words and Music." Miss Fallon is a skilled violinist and pianist, and the pair play a one stringed violin, the steel guitar, and the octarine during the course of their act.

Claymo, famed stage artist, opens the bill, and with clay and his hands models the faces of famous figures in national life. Claymo introduces a lively conversational line during the course of his number, and is an artist in more ways than one.

A Mack Bennett comedy, and "Topics of the Day" are the photoplay offerings, with the Craterian orchestra, under the direction of F. Wilson Walker.

Saturday evening about 10 o'clock E. Carl of Phoenix, while walking along the Pacific highway near the Bear Creek orchards, was struck by an automobile driven by M. C. Page of this city.

Mr. Page, it is understood, was not driving at an excessive rate of speed when the man was struck, but due to the fact that several cars were passing, for which he had to dim his lights, it was impossible for him to see the man walking along the side of the highway, and it was not until the right fender of the car hit him was he aware of his presence. The injured man was promptly taken to the Sacred Heart hospital, where it was disclosed that no bones were broken and the victim was not seriously injured.

### COPCO TEAM BEATEN BY JACKSONVILLE 16-9

After a string of several victories during the past few weeks the Copco baseball team went down to defeat yesterday, 16 to 9, at the hands of the speedy Jacksonville nine. The "light-house employees" were handicapped by the loss of two of the regular lineup and the rest of the team played far below par, being outplayed, out-hit and out-classed by their opponents. The Jacksonville boys played a good steady game and showed the result of much practice, something the "power pushers" are badly in need of. However, they are determined to speed up and avenge the defeat in a return game to be played in the near future. A large crowd of baseball fans witnessed the game.
