Fruitgrowers, Attention!

A Letter of Interest to Every Fruit Grower in Southern Oregon

YAKIMA COUNTY HORTICULTURAL UNION
Yakima, Wash.

Mr. H. W. Hamlin,
Medford Precooling & Storage Co.,
Medford, Oregon.

Dear Mr. Hamlin:

In reply to your letter of the 8th will say that precooling and cold storing Bartlett pears has been a savior of the industry in this section, insofar as growers are concerned. Previous to the time we began handling Bartlett pears through cold storage the net returns to our growers were from nothing down. Since that time Bartletts have been one of the most profitable crops produced here. Our percentage of allowances on condition upon arrival is small enough to be negligible. Also we can string our Bartlett shipments out for sixty to ninety days longer than was possible before the cold storing system came into use. We figure our cold storage plants pay for themselves every year in added returns our growers receive upon Bartlett pears alone. We certainly recommend the system to growers in all sections where pears are produced upon a commercial scale.

Yours truly,

Per EBERLE,
Gen. Mgr.

LEGION ENDOWMENT FUND CAMPAIGN OPENS WITH VIM

Four busy committees, under the direction of C. E. Gates, have been busily canvassing today to raise Medford's quota of the American Legion endowment fund. To open the campaign the snappy American Legion drum corps paraded Main street, pausing at street intersections to give numbers. With their new uniforms, which arrived but yesterday, the Medford post drummers make a fine looking aggregation and the Medford legionnaires hope to make a real showing at Prineville when the World War veterans from all over the state will assemble for their annual convocation. Wilson Waite has been working for weeks with the drum corps and it is believed that they are now second to none in the state. Lloyd Williamson is drum major of the organization.

It was understood that five hundred dollars was subscribed by the committees during the first hour of the endowment fund drive this morning. Col. W. H. Paine, secretary-treasurer of the drive campaign and Mr. Gates, general chairman, reported to noon today a gratifying response on the part of Medford people and local merchants. It is the hope of the committees to put Medford "over the top" today, making the record of subscribing the quota of this city in one day. Many of the old liberty loan drive committee men are on the job today, a fact that should make this possible.

According to Carl Tengwald, southern Oregon chairman, Grants Pass and Klamath Falls have subscribed their part of the endowment fund and other towns report excellent progress.

'ALCOHOLUS' TO SHOW, CRATERIAN

Alcoholus, the great, premier entertainer and miracle man will again delve into the unknown and mystify southern Oregon people at the Craterian theatre Monday night. After a most successful program at Prospect recently before the Craterian club members and their wives and guests, Alcoholus scored a decided hit and proved his uncanny power of answering any and all questions. George Hunt, who present on that night, considered his entertainment so good that he booked Alcoholus for a program at the Craterian and will leave it up to theatre goers to see for themselves the quality of the performance.

Along with Alcoholus' act will be the regular moving picture attractions and a special musical treat by the famous Craters quartet. An all around program has been prepared and the proceeds will be used for Crater club publicity campaigns. Alcoholus' part of the program will last but thirty minutes during which time he will answer, clearly and accurately, all questions which are handed in at the door by members of the audience.

Lion's Meeting.

The Lion's club held their weekly luncheon yesterday at Hotel Medford with the feature of the evening being motion pictures of the Copco plants given by Horace Bromley with all needed explanation. They proved to be very educational and interesting.

Nominations for officers and directors to be elected the first of July were next in order, followed by a discussion of the Lion's club convention to be held at Longview, Wash., May 29 and 30. It was decided that Ernest L. Scott would attend as a delegate of the Medford club.

WEAK, RUN-DOWN NERVOUS, DIZZY

Mrs. Lee Suffered From All These Troubles, but Lydia E. Pinkham's Vegetable Compound Made Her Well

Terre Haute, Indiana.—"I was weak and run-down and in such a nervous condition that I could hardly do my work. I was tired all the time and dizzy, had no appetite and could not sleep. I tried different medicines for a year but they did not help me. Then my husband saw the ad. for Lydia E. Pinkham's Vegetable Compound in the newspapers and had me take it. I regained my strength and never felt better in my life. It completely restored me to health. I had practically no suffering when my baby boy was born and he is very strong and healthy. I know that the Vegetable Compound is the best medicine a woman can take before and after childbirth for health and strength. I would be willing to answer letters from women asking about the Vegetable Compound."

Mrs. Wm. J. Lee, Route E, Box 648, Terre Haute, Indiana.

Lydia E. Pinkham's Vegetable Compound is a dependable medicine for all these troubles.

RIFFIANS RECRUIT TO FIGHT FRANCE

PARIS, May 27.—(By the Associated Press.)—Abd-El-Krim, the Riffian leader, is actively recruiting supporters among the tribesmen inhabiting the zone north of the Ouergha river, which has just been abandoned by the French.

Hard fighting is continuing with neither side making an appreciable gain.

Information from sources which the French consider unimpeachable is to the effect that 147 young Germans, trained in various semi-military athletic organizations, have left Germany for Morocco by way of Spain to join Abd-El-Krim's troops.
