Copco to Play Double Header.
The Copco baseball team will play a two-game series with the Owen-Oregon's fast aggregation on Saturday and Sunday, May 30 and 31. The first game will be played on the "Double O" diamond at the end of North Central and the second game at the Holly street ball grounds.

The Copco team has undergone some stiff practice this week and with several changes in the line up will present a strong front when it faces the mill boys. Johnny Wilkinson, who is well known to local baseball fans has been persuaded to hold down the first sack and "Wally" Drew will stop 'em behind the bat. Dick Miller, Brownie and Oliver will constitute the pitching staff.
These two ball teams represent the two foremost industries of the valley and it is predicted that much interest will result in the coming games. There will be no admission charge for spectators.

Famous Dance Orchestra Scores.
The appearance of Mann Brothers' Singing Syncopators at the Fair Grounds Pavilion last evening was greeted by a record attendance from all parts of southern Oregon. This noted organization scored a decided hit with the crowd of appreciative dancers, who called for encore after encore, which were responded to most generously throughout the evening.
A varied program of dance music, popular songs and clever specialties was presented by these artists.
