The American Legion drum corps presented a very fine appearance in their natty new uniforms this morning when they marched in the Memorial Day parade. Many favorable comments were heard along the line of march, especially from the members of the "fair sex." Medford is fortunate in having such a distinctive organization to represent this city in the gardens, patriotic celebrations, etc., both at home and abroad. The investment made by the local Legion post in these attractive uniforms and musical equipment represents no small sum and the boys are winning much credit for their untiring efforts in "putting over" the drum corps in such good style.

PROBE DEATH OF JAIL PRISONER KEARNS SIGNS UP NEW RING STAR

SEATTLE, May 30.—Walford Olson 32 years old, a court stenographer, died here today in the King county jail, and started the second coroner's investigation in a month for such incidents in Seattle.

May 13, a coroner's jury recommended that two policemen be charged with manslaughter because Samuel Hillegas, a Tacoma automobile salesman, died while neglected in the city jail. But the policemen were suspended briefly.

Olson came to Seattle from Price, Utah, where he left a widow. He like Hillegas, was arrested as driving an automobile while intoxicated. He was taken into custody Sunday, released under \$750 bail and surrendered yesterday by his bondsman. Today he complained of being dizzy. A physician was called and found the prisoner dead.

SPEAKER, VETERAN PLAYER, IN LEAD FOR HITTING HONOR

CHICAGO, May 30.—(A. P.)—Travelling at a pace which nine years ago made him champion walter of the American league, Tris Speaker, gray thatched leader of the Cleveland Indians, today is back in that coveted spot with the enviable average of .405.

Ty Cobb, who seemingly is playing as brilliantly as ever, is challenging Speaker for the leadership. The famed Georgian is batting .395, giving a tie with the youthful Earl Combs of the Yankees, who led the pack a week ago. The figures are based on averages including Wednesday's games.

Since the Tigers have taken a brace, Cobb has locked himself into a tie with Marty McManus of the Browns for the scoring honors. Each has registered 32 times.

Ken Williams of the Browns is leading in total bases with 99, his 54 blows including 16 doubles, one triple and nine home runs.

Bob Meusel, slugging outfielder of the Yankees, bagged two homers during the week, and cracked the tie shared by Ken Williams a week ago. Meusel now has ten home runs.

Johnny Mostel, White Sox fly chaser, continues to set the pace among the base stealers, with 16 thefts. Other leading batters for twenty or more games: Simmons, Philadelphia, .359; Stiller, St. Louis, .355; Wingo, Detroit, .352; Puris, Cleveland, .374; Wheelman, Detroit, .374; Vache, Boston, .365; Boone, Boston, .359.

Crashing out eleven hits in his last six games, Earl Smith, catcher for the Pittsburg Pirates, has swept to the top of the National league batters with a mark of .467. Smith's spurt has given him a five-point edge over Hawks, young first baseman of the Phillies, who slumped after leading the procession a week ago with an average of .429. Today Hawks is the runner up with .402, closely pressed by Dave Bancroft, leader of the Braves, who is hitting an even .400.

Hornsbys of the Cardinals and Fournier of the Dodgers, are keeping on the heels of the top liners. Fournier is fourth with .393 and Hornsby is tied with Barnhart of the Pirates at .381.

The veteran Zack Wheat, of the Dodgers has crossed the plate 34 times. Glenn Wright of the Pirates, in collecting 48 hits, is leading in total bases with 63. His hits include eight doubles, four triples and seven homers. Gabby Hartnett, of the Cubs, increased his lead for home run honors to 13 by connecting with a brace of four baggers.

Max Carey of the Pirates has tied Sparky Adams of the Cubs for the stolen base honors. Each has pilfered nine.

Other leading batters are Dottomley, St. Louis, .371; Wright, Pittsburg, .367; Snyder, New York, .365; Wheat, Brooklyn, .364; Stock, Brooklyn, .364.

weight champion, Lew Röllinger, Chicago; Roy Cliffe and Vic Alexander, negro, the latter two of Los Angeles. During the three years he has been boxing, he has lost three fights.

HORNSBY MANAGER OF ST. LOUIS TEAM

ST. LOUIS, May 30.—Rogers Hornsby, National league batting champion, has been appointed manager of the St. Louis Cardinals, succeeding Branch Rickey, who is made vice-president of the club, President Sam Breadon announced today. The change is effective tomorrow.

Breadon declared: "Everything was friendly" between Rickey, Hornsby and himself. Rickey, whom he characterized as "a great organizer," would continue to direct the business affairs of the club, Breadon said, while Hornsby would direct the players on the field.

Hornsby has led the National league in batting for five consecutive years and established a modern batting record for the league last year with an average of .421. Hornsby is one of the highest salaried players in the National league. Last winter he signed a three-year contract at an annual salary said to be not less than \$25,000. He is 29 years old.
