

EGYPTIAN SLAYERS ALL FOUND GUILTY, SENTENCES SUNDAY

CAIRO, Egypt, June 2.—All the defendants in the trial growing out of the assassination last November of Sir Lee Stack, sirdar of the Egyptian army, were found guilty today of murder. Sentence will be passed next Sunday.

Sir Lee Stack, governor general of the Sudan and the British commander in chief of sirdars of the Egyptian army, was mortally wounded on November 19, last, while motoring in the streets of Cairo, the assassins using bombs and pistols. The sirdar died the next day.

The British delivered a note accusing the Egyptian government under Premier Zagloul Pasha of direct responsibility for the crime and laying down an ultimatum which called for an "ample apology," prosecution of the assassins, payment of \$2,500,000 indemnity, withdrawal from the Sudan of all Egyptian military officers and purely Egyptian units, increase of the British area in the Sudan and suppression of all political demonstrations.

Egypt protested the severity of the terms; the British countered by occupying the Alexandria customs, an Egyptian cabinet crisis followed and the British terms were finally accepted only after the formation of the Ziwar Pasha ministry.

GERMANY GETS NOTE FROM ENTENTE ON ARMS VIOLATION

PARIS, June 2.—(A. P.)—The inter-allied note on the subject of Germany's violations of the disarmament provisions of the Versailles treaty will be presented to the German Foreign Minister Dr. Stresemann, by the allied ambassadors at noon Thursday.

The note with its annexes will probably not be made public until Saturday as Germany has objected to its publication immediately after delivery. The exact time for publication has not been determined but in official quarters it is said to be likely that the allies will accede to Germany's request that the note be withheld from the public for two hours after delivery.

The note and its annexes cover about forty-five pages. Some time later the correspondence report of General Camille Walsh, chairman of the inter-allied military control commission, regarding Germany's failure to disarm will be made public. Foreign Minister Briand recently told the French Senate this report was enough to give France "a shiver of anxiety," regarding danger from Germany.

The Walsh report will be made public in order to prevent possible suggestions of unfairness in the summary of Germany's disarmament failures in the inter-allied note.

GERM CASE CROWD DWINDLES, ABSENT WITNESS UNFOUND

CHICAGO, June 2.—(By the Associated Press.)—Interrogation of veinmen in the process of selection of jurors to hear the trial of William D. Shepherd, charged with the murder of his foster son, William N. McClintock, by typhoid germs, continued today with no more than a dozen spectators present.

Only four jurors have been sworn in although the trial entered its third week yesterday.

CHICAGO, June 2.—(By the Associated Press.)—Should he obtain a conviction of William D. Shepherd for the murder of William McClintock, "Crowe wants his case so presented that there will be no possibility of grounds for refusal by a higher court.

Therefore, the prosecutor has called in all his witnesses and each of their stories will be sifted and weighed before they give testimony in court. An important witness for the state, Robert White, still is missing, however, and although he was reported hiding in Pittsburgh, he could not be found by detectives.

HEAT AND STORM SWEEP EAST.

(Continued from page one.)

ed. Reports told of heavy damage but no loss of life.

BALTIMORE, June 2.—(By Associated Press.) One death due to the heat was reported here today. James H. Goodborough employed at a clothing manufactory was overcome while at work and died on the way to the hospital. The weather bureau reported a temperature of 95 at noon.

DES MOINES, Ia., June 2.—(By the Associated Press.)—Five deaths resulted in Iowa late yesterday and last night from electrical and wind storms. Related reports of fatalities reaching here this afternoon told of the death at Sully, Ia., of Fred Slatema, 29, a farmer, killed when struck by lightning while plowing in a field on his farm.

His was the fifth death reported. All of the deaths except that of one man who was killed in a tornado at Dike, were by lightning.

Oregon Weather. Unsettled, probably light showers tonight and Wednesday. Light variable winds.

RIFFIAN CHIEFTAIN HIES TO HILLS, IN WAR WITH FRANCE

FEZ, French Morocco, June 2.—(By Associated Press.) Abd-El-Krim, the Riffian chieftain now appears to be concentrating his main forces in the region north of Taza, and Marshal Lyautey has gone to that town to prepare for eventualities should the Moroccan leader launch a drive.

Abd-El-Krim is credited not only with the aim of cutting the railroad from Morocco to Algeria, which passes through Taza but the desire to establish himself in the mountainous and thickly wooded region thereabouts which is exactly suited to the style of warfare he prefers.

Many parts of the region are almost impossible of access and in addition the tribes living there are turbulent and always ready to participate in plundering raids.

PARIS, June 2.—The official statements regarding the Moroccan situation today sounded ominously like the World war communique during the periods of a lull in the storm. It was said in official circles that "there is nothing to report on the Moroccan front." But this was immediately supplemented by official advice that the Riffians were concentrating near Kifane, the heaviest effectives they have assembled during the present campaign.

"The Riffians' war aims are very plain," officials said to correspondents. "They intend to destroy communications between Algerian and French Morocco, but French military precautions have been taken to foil that attempt."

BASEBALL SCORES

NEW YORK, June 2.—(By Associated Press.) Babe Ruth made his first hit of the major league season today in the second game of the series

between the Yankees and Washington Senators. A single to right center in the fourth inning was followed by a double in the eighth.

The "Daily" Bank Robbery

DENVER, Colo., June 2.—(By Associated Press.) A group of armed automobile bandits today held up and robbed a messenger carrying the payroll of the Windsor Farm Dairy company. In downtown Denver, and escaped under a fusillade of shots with approximately \$15,000.

Three men accosted a messenger from the Home Savings and Trust company who carried three sacks, containing more than \$15,000, and escaped with two of the parcels after exchanging shots with employees of the dairy company.

Several windows were smashed by bullets from the robbers' guns. Employees of the company believed one of the holdup men was wounded. The robbery took place on a busy street filled with office workers, en route to their daily tasks.

The street was blocked temporarily and several minor automobile accidents resulted.

KANSAS CITY, Mo., June 2.—(By the Associated Press.)—Three rob-

bers shot a collector for the First National bank and a woman bystander and escaped with \$3000 here today.

EMERGENCY BOARD ASKED TO REPLACE VETO KILLED FUNDS

SALEM, Ore., June 2.—The state emergency board, at a meeting called for next Saturday by Secretary of State Koser will be asked by various state officials to replace financial sums that were vetoed by Governor Pierce through his item veto power when appropriation bills were placed before him just after the adjournment of the legislature. A total of about \$80,000 will be asked of the board Saturday, not all, however, based on vetoed appropriations. The most important item will be a request for funds to administer the act requiring that all motor vehicle owners file with the secretary of state certificates of ownership of their cars, showing all liens against them. Inasmuch as the act creates a new department in the secretary of state's office, which will be highly expensive and since the act failed to appropriate money for the purpose, the emergency board is now called upon. Just how much will be needed has not been decided.

One of the items vetoed by the governor was a \$15,000 appropriation for a sewer system and sidewalks at the Monmouth normal school. The board will be asked to provide for that. D. Mickle, state dairy and food commissioner, will ask the replacement of \$4598 for his department, also vetoed by the governor, and C. A. Park, chairman of the state board of horticulture, will ask \$5000 to continue the fight against alfalfa weevil in eastern Oregon. Likewise a vetoed item.

The sum of \$600 will be asked to pay the pension of Raleigh Watson of Corvallis, who was permanently injured while serving as a member of the Oregon National Guard.

Provision also will be asked for traveling expenses for circuit judges.

TRIBUTE PAID TO CALVIN, JR., BY OLD SCHOOLMATES

MERCERSBURG, Pa., June 2.—(By Associated Press.) William Mann Irvine, head master of Mercersburg Academy in an address today at the unveiling of a portrait of the late Calvin Coolidge, Jr., paid a beautiful tribute to youth and to the memory of the departed boy.

The unveiling was a part of the commencement week activities. The younger son of President and Mrs. Coolidge, who died in Washington July 7 last year, would have been graduated from Mercersburg tomorrow.

"Today," said Dr. Irvine, "we honor youth—beautiful youth, consecrated youth, ideal youth, youth that won our admiration and deepest love.

"This hour might be colored by regret and sorrow but our spirits rise in joy and exaltation because this, our dear boy whom we delight to honor, although only in his teens, glorified many of the most noble qualities of the human soul. By his life so eager, so faithful, so beautiful, he showed that youth is not a prelude; it is as much a part of life as manhood or old age.

"A good boy is a true interpreter of life. What he lives is more than what he says....

"To us in Mercersburg, Calvin Coolidge, Jr., will always be, in Shakespeare's phrase, 'a boy eternal.' About his portrait will gather the story of lofty motives and good deeds by Mercersburg boys all over the world. As generations of boys look at his calm, true, manly face, they will form high resolve to 'live pure, speak true, right wrong, follow the king.'"

EUGENE, Ore., June 2.—Building permits for the first five months of the present year in Eugene reached \$1,159,355 with the announcement today that the May new construction work totaled \$209,000. This is a record for the city. The reports for January show \$169,400; February, \$300,525; March, \$185,450; April, \$292,300.

SEC. WEEKS BETTER, STILL SERIOUS

BOSTON, June 2.—Secretary of War John W. Weeks, who was operated upon last week at the Massachusetts general hospital for gall stones, was somewhat better this morning, said a bulletin issued by his physicians shortly before 9 a. m., but his condition was still "not entirely satisfactory."

The bulletin signed by Doctors Daniel, Fiske Jones and F. Gorham Brigham, read:

"Secretary Weeks had a restless night until 2 a. m. Since then he has been sleeping comfortably. His condition is not entirely satisfactory, but is better than last evening. Temperature normal. Pulse 90."

STECHEK CLAIMS WORLD MAT TITLE

OMAHA, Neb., June 2.—(By the Associated Press.)—Joe Stecher, wrestler, in a statement today laid claim to the undisputed heavyweight wrestling championship of the world by virtue of his victory over Stanislaus Zbyszko at St. Louis last Memorial day.

The statement said that Ed (Strangler) Lewis had no legitimate claim to the title owing to his defeat by "Big" Munn, who later was defeated by Zbyszko. Stecher also said that he was ready to meet all and any contenders if satisfactory financial arrangements are made.

After a brief visit at Dodge he will go to Wichita, Kas., to meet Dick Davis, and then to Los Angeles for a match June 10 and back to Chicago for a pending match.
