**Dainty Fingers Still Delight in Samplers!**

Formerly it was the quaint cross-stitch sampler which attracted so much attention and comment and was likely to be framed and hung on the wall as a proud masterpiece of needlework.

Nowadays it's Whitman's Sampler which preserves the fine old atmosphere and tradition and is so much prized for the quality and unique variety of its sweets.

This is the candy package which has struck such a responsive chord that "Whitman's Sampler" has a meaning and a distinction all its own.

Selected from ten leading Whitman's packages, the Sampler assortment is a delightful response to most tastes in sweets.
