

### CRATER LAKE AUTO TRIP PLANS ARE NICELY PERFECTED

Many citizens seem to be unduly fretted with regard to the movement of the 600 automobiles with the 3000 Guardsmen to and near Crater Lake as the snow line will permit on Saturday, June 20th. Others seem to think that business will be so extraordinarily heavy in the stores that some business men or their help will not be able to get away for the trip.

Others are of the opinion that it will take ten hours to load out and that it will be somewhere around July 4th before they get back home, while still others are of the opinion that the snow is 30 feet deep at Prospect and that they will have to go in from there on sleds.

The Chamber of Commerce transportation committee in charge would like to get everyone thinking a positive thought on this problem, sign up their cars and forget the rest, for it is in hands of men who thoroughly understand their business, the committee assures.

A thorough program of procedure will be mailed to all who are to drive cars in the caravan, some four or five days before leaving time, but to iron out some of the obstacles that seem to be bothering, here are a few statements.

General White will attend to the loading and he has given the chamber his word that he will apply army style and that the entire 600 cars will be on their way with their loads in less than one hour. The A.A.A. association will be on hand with a pilot car for each 50 autos in the caravan functioning as a pace maker.

The entire state traffic squad of officers will be here to maintain one way traffic, and assist in the movement. Service cars will be plentiful with supplies and mechanics, and any and all disabled cars will merely fall out of line, receive immediate attention and fall back in again.

As to the claimed extra volume of business on this leaving day that may interfere with some of the business men in signing up their cars, attention is called to the fact that there will be 600 Medford citizens out of town that day, and also the entire Guard, so there will not be so many people left in Medford to make an exceptionally busy day with the merchants.

As to the snow, the Medford Chamber of Commerce is in receipt of the following from the Department of the Interior, National Park Service which tells the story as to the snow situation.

Crater Lake National park will be in full swing on July 1st, the official opening date. The winter was one of heavy snowfall, but a snow removal crew was sent into the park more than two weeks earlier than usual. Nothing but the most extraordinary weather can now postpone the normal season.

Today a gang of men is shoveling away the last barrier below the Divide so that by tomorrow the road should be open to travel to Anna Spring from the Medford side. Saturday two crews will start simultaneously on the south road and toward Government Camp, and it is expected that both the Medford-Klamath loop and the road to Government Camp will be open by June 25th, leaving only a mile and a half climb to the lake to be cleared during the final week.

### MOONSHINER TO BE SENTENCED FRIDAY

F. M. White, farmer on the Hill road northwest of Jacksonville, arrested Monday night in a raid conducted jointly by the sheriff's office and federal officials, was arraigned in the circuit court Wednesday afternoon and entered a plea of guilty to owning a still and possession of mash. Sentence, the court announced, will be passed Friday.

T. Edy, local junk dealer, indicted by the grand jury on a statutory charge involving a 10-year-old Gold Hill girl, was given until Friday to enter a plea.

Been cover alien intruders in their hives in tombs of wax.

### CHESTER BARR TO TAKE CHARGE OF SAN JOSE AREA

"After July 1, Douglas Wood, local representative of Dennis, Kimball & Pope, large eastern fruit buyers and shippers, will be in charge of an enlarged territory," says the Grants Pass Courier. "He has been given all of Oregon, with the exception of Hood River. His main office will be in Medford, where the bulk of the valley fruit originates. He will maintain an office at Warehouse No. 1 in Grants Pass, as at present, with Mrs. E. H. Lister in charge. During the fruit season a man will be placed in charge of that end of the local business.

The Roseburg business, as well as the Grants Pass, will be handled thru the local office as in the past. Mr. Wood announces that he expects a apples and, if the growers desire, f. o. b. business in pears.

"C. E. Barr, who has had charge of the Medford office, will have charge of the San Jose territory."

### RADIO ASSOCIATION TO BE FORMED HERE ABOUT 15TH OF JUNE

Radio workers will organize, dealers in Medford, on or about June 15, association sponsors 5000 Watt broadcasting station on the roof of the new Eugene hotel. The men are organizing the 12th federal reserve district which includes seven states as follows: Washington, Oregon, Idaho, Utah, California, Nevada, and Arizona, for the elimination of noise and interference. Increase of summer sales, enhancement of advertising and other benefits, manufacturers, jobbers and dealers are included in the organization, which plans to send delegates to the 1925 world's conference on radio to be headed by Herbert Hoover.

A Marshfield branch of the Pacific Northwest Radio Trades association has just been completed by O. V. Humrick, president of the 12th district; Milo O. Roach, secretary and R. E. Wittington, director, will preside at Medford.

To install the local branch, it is said that the association will be formed in Grants Pass, Medford and Ashland, Eugene being the home office. The association is sponsoring a 5000 watt broadcasting station to cost \$250,000 on the roof of the new Eugene hotel.

Following the forming of the association at an early date, a radio show will be given in the interest of the radio public, showing the ether waves truly in action. Call luminous waves detector, mounted on a nine-foot table with a bank of coils tubes attracted by a special designed machine, the waves are then seen by the aid of mirrors, as plain as a filament is seen in a lamp bulb. Each week thereafter the association will meet to discuss matters of importance in radio and to receive complaints of local interference. A state meeting will be called once every six months. A convention will be called once a year of the entire 12th district.

### JUNE 19TH WILL BE LEGION COOKIE DAY

June 19th will be Cookie Day, and the ladies of the American Legion auxiliary are asking each and every lady in the city and country to contribute cookies to be sent to Hospital No. 77 where there are over 150 hungry soldier boy invalids and semi-invalids, who appreciate home made cookies more than words can express. Please bring your cookies to Mrs. Jacobs of the Bungalow Store, Mrs. J. H. Butler, 419 S. Riverside, or Mrs. R. A. Holmes, 129 North Oakdale, whichever is nearest to you and they will be packed and sent to the boys.

### GIVE RECEPTION TO MISS FALDINE TOMORROW P. M.

Friday afternoon, June 12th, the Jackson County Health association are giving a reception at the home of Miss Mildred Carlton in honor of Miss Mary Faldine of June, Alaska, and Miss Elvora Thomson, demonstrator for the Marion County Health association.

Miss Faldine was one of the pioneer nurses in the health program of Jackson county. Her two years' of efficient effort as county health nurse did much to lay a strong and permanent foundation for the fine work that has been achieved by her successors in the field. Miss Faldine served with the Red Cross overseas during the World War and later in New York from which

place she came to serve in Jackson county. When she left Jackson county to reenter the ranks of the Red Cross she was sent to Alaska to work with the Indians. She was the first nurse in that territory to serve in this capacity; her field radiating for about two hundred miles from June. Now there are several other nurses working with her, proving the value of this type of work rendered by the Red Cross and National Tuberculosis association through the local health associations.

Miss Faldine will give a talk on her Alaska work and experiences among the Indians to which her friends and co-workers are looking forward with keen interest. Miss Thomson will also talk of the methods and work of the Marion County Health association. Much has been accomplished in Marion county and several new methods are being inaugurated with success.

## Name the Cake Win \$25

CONTEST CLOSES 6 P. M. JUNE 12

The Schilling Chef, co-operating with this paper, will pay \$25 for the most appropriate name for his new Mystery Cake—\$10 second prize—five additional prizes of \$1 each. Here is the Recipe:

1/2 cup Shortening	1/2 teaspoon salt
2 eggs (beaten or granulated)	3 level teaspoons Schilling Baking Powder
2 cups raisins	1 teaspoon Schilling Cinnamon
1 cup raisin liquid	1/2 each Schilling Cloves, Allspice and Nutmeg
3 cups sifted flour	1 Schilling Vanilla

Cover raisins with water and simmer over a low fire 10 minutes then drain, reserving one cup of raisin liquid. Sift flour, spices, and baking powder together. Cream shortening, add sugar and mix well. Add eggs, unbeaten, one at a time, beating batter well after adding each egg. Add one-half of the flour mixture and raisin liquid alternately, beating until smooth. Add raisins to remaining flour, mix well, then add to cake batter, with vanilla. Bake in three greased layer cake pans, about 20 minutes in a moderate oven (350 deg. F.) **FILLING AND ICING:** 1/2 cup thin cream, 2 cups powdered sugar, 1 teaspoon Schilling Vanilla, 1/2 cup chopped walnuts. Heat cream to boiling point, add to sugar and beat until smooth. Then add Vanilla. Spread on cold layers, and sprinkle chopped walnuts over the two inside layers. All measurements are level.

MAIL THIS COUPON, *copy this paper*

To the Schilling Chef: I have baked the famous Schilling Mystery Cake in accordance with the recipe, using Schilling Baking Powder, and submit the following name for it: \_\_\_\_\_

Name \_\_\_\_\_  
Address \_\_\_\_\_  
City \_\_\_\_\_

The judges in the contest are Mrs. A. B. Cunningham, Mrs. Jonas Wold and Mrs. E. N. Vilim
