32 DEAD, 66 HURT, IN R. R. TRAIN CRASH

Frightful Disaster in N. Jersey When D. L. and W. Special Train Runs Into Landslide During Heavy Thunderstorm—Victims En Route to Europe.

HACKETTSTOWN, N. J., June 15.—(A. P.)—The toll of dead in the wreck of a Delaware, Lackawanna & Western railway special emigrant train near here early today, mounted to 32 at 6 o'clock tonight. Thirty-six persons are in a critical condition in hospitals.

HACKETTSTOWN, N. J., June 16.—(A. P.)—Twenty-nine persons are dead and 69 injured are in hospitals as the result of the wrecking today of a Delaware, Lackawanna and Western railway special emigrant train at Rockport, N. J.

Twenty of the dead succumbed to injuries after being taken to hospitals. Others of the injured may die. The wreck was caused, according to railroad officials, by an earth slide in last night's storm.

The train was filled with emigrants who were returning for a visit to their native land accompanied by children and grand children. The cars were decorated with banners reading: "See the old country again."

The accident occurred in what is known as the Rockport Sag, where the rails, although on a long straightway, dip into a hollow and then rise. Trains generally speed down the grade and take the rise on the momentum.

Those who reached the wreck first could see the body of Fred Loomis, the engineer, his hand still on the throttle, together with his fireman.

On the plowed up roadbed beneath the locomotive lay the twisted body of a little girl in filmy night gown, 500 yards from the wreck. She was the first alarm. She telephoned physicians who called hospitals at Dover, Phillipsburg, Easton and Morristown. Hundreds of rescue workers had arrived by daylight and two relief trains began receiving the injured.

The first coach was hurled half way over the top of the overturned locomotive. Men and women fought madly to work their way out of the coaches. The locomotive blew up and filled the air with steam. Passengers said they were unable to see more than a foot in front of them.

W. L. Kenney, city passenger agent for the Lackawanna at Buffalo, was scalded on both arms, his face and one leg. He is in the Easton hospital.

Ledbold Neumann, a Chicago steamship agent, who arranged the excursion, was unhurt, and undressed by heavy rains the tracks gave way beneath the train and the cars and engine piled up on one another.

One report said that lightning struck one of the rails throwing it out of place, that a landslide due to the severe storm had covered the rails and that the track also had been undermined.

KLAMATH SHEEPMAN IS INDICTED FOR MURDER

KLAMATH FALLS, Ore., June 16.—Frank Wray, who is alleged to have killed Tim Murphy, prominent sheepman, in a fist fight over a black sheep a month ago, was held for first degree murder in an indictment returned by the grand jury last night.

According to evidence given the county authorities the two men are said to have met each other on the barren sheep range near the lava bed country and by mutual consent agreed to fight it out to see who should gain possession of a disputed black sheep.

Murphy died in a local hospital from a fractured skull a few hours after the reputed fight.

WILLIAM FOX, MOVIE MAGNATE INSURES HIMSELF FOR \$6,500,000

NEW YORK, June 16.—William Fox, president of the Fox Film Corporation, has increased his life insurance to \$6,500,000 from \$2,000,000, says the Spectator, an insurance publication. The new policy which is underwritten

Edison Offers to Aid Defense in Evolution Trial

CHATTANOOGA, Tenn., June 16.—Thomas A. Edison, inventor and scientist, has offered his services as a witness for the defense in the noted Scopes evolution case to be tried at Dayton, July 10, according to John R. Neal, leading defense counsel. Mr. Neal has accepted Mr. Edison's offer and he said he considers this a strong point in favor of the defense.

DEPUTY SHERIFF SHOT IN BOOZE FIGHT, KLAMATH

Deputy Ed Kendall in Serious Condition As Result of Gun Fight With Bootleggers East of Klamath Falls—Two Bootleggers Wounded.

KLAMATH FALLS, Ore., June 16.—Three men were wounded at Oleno nine miles east of Klamath Falls last night in a gun fight between a sheriff posse and reputed bootleggers. Ed Kendall, deputy sheriff, is in a local hospital with bullet wounds in his arm and leg, and will undergo an operation later this morning in an effort to save his arm.

Attending surgeons say his condition is serious. Jim Burke, one of the alleged bootleggers, also is in a hospital with a bullet wound in his foot while an unidentified man, who was struck in the leg by a stray bullet, has not yet been located by authorities.

Sheriff Burt Hawkins rounded up Burke and two of his alleged companions after Kendall had fallen to the ground from loss of blood. Ed Fuller and his son, J. Fuller, were the other two under arrest as a result of the affray.

Residents of the Oleno district telephoned the sheriff's office last night that three men were terrorizing people of that section. They were reported to have fired several shots at a passing woman autoist and to have attempted to hold up a man a few minutes later.

When Sheriff Hawkins and Deputy Kendall arrived at the scene, they saw a small, automobile parked in a secluded spot off the roadway, with two of the three men crouched down behind the car. As Kendall shouted for them to throw up their hands, the man giving the name of Burke is said to have opened instant fire, the first bullet shattering Kendall's left arm and shoulder. A moment later, Kendall felt the sting of a bullet in his left leg. In the gun play which followed Kendall felled Burke with a bullet in the foot, according to Sheriff Hawkins' version of the affray.

The sheriff said he then circled around the three men and overpowered young Fuller, taking his revolver from him. He then took Burke's gun, he said, and compelled the elder Fuller to submit to arrest.

According to Sheriff Hawkins, a small quantity of liquor was found in possession of the men. One of the trio, he said, has been under suspicion for several months as an alleged bootlegger, although there is no record of liquor violations in this county against any of the three. Burke is reported to have arrived recently from Nevada.

Rain Falls in Bend
 BEND, Ore., June 16.—Breaking several days of near summer weather, rain began falling at noon today. Yesterday was one of the warmest days in many weeks, the mercury reaching 76 degrees while the minimum for the 24 hours was 47, a new high record.

He Won't Be Fired

UNIVERSITY SHAKE-UP IS CARRIED ON

In Hectic Session, Board of Regents Appoint Many New Faculty Members—Fight to Bar Press Fails, But Executive Session Called—Demotions Discussed.

EUGENE, Ore., June 16.—Several changes in the faculty personnel of the University of Oregon were made by the board of regents of the institution, meeting here late yesterday afternoon, in session to discuss recent demotions brought about at their last meeting. Newspaper men present at the meeting were barred from the room when Dr. James H. Gilbert, representing the faculty committee in the matter of re-opening the demotion cases, asked that a committee of the board of regents meet the faculty committee. This the board refused, on the grounds that the matter must be settled so that re-arrangements may be made in the faculty before the opening of the fall term. The faculty committee was not ready to meet the board yesterday, it was said.

The cases referred to by Mr. Gilbert were those of Fergus Reddie, head of the dramatics department, and members of his staff: Professor H. C. Howe, head of the English department, demoted to professorship at a reduction in salary; Timothy Cloran, demoted from head of the department of romance languages to professorship; dismissal of Professor Ernest Bates and Kirby Miller in the department of philosophy.

It was stated after the meeting by Dr. Gilbert that the faculty committee would meet again to decide on its next step.

Pierce for Publicity
 When the matter of executive session was brought up, a motion was made by Mrs. George T. Gerlinger of Portland that all newspaper men be barred. There was no second to the motion, as Governor Pierce, Superintendent Churchill and Sam Koser, secretary of state, declared that the meeting should be open.

It was finally agreed to go into executive session when matters of a confidential nature came up. Dean H. Walker was appointed dean of men for a year, according to a report given out after the meeting. Mr. Walker is now student adviser and director of student loan funds. He will replace Dean John Strain recently made dean emeritus of men.

Action was taken on electing new heads for the departments of English, romance languages and zoology. Dean Colin V. Dymont was empowered to look for suitable men for the positions while on his way east, to embark for Europe, and to make recommendations to the board.

The salary of Karl Onthank, secretary to the president, was increased. The plans of the associated students to issue a three year bond issue of approximately \$30,000 to defray the cost of building new bleachers on Hayward field and a basketball pavilion, the principal and interest to come from the increased student fee of \$5 a term, was tentatively approved by the board.

Approximately \$40,000 yearly will go into student body coffers from the added fee which undergraduates approved in the spring. Graduate Manager Benefield told the board.

New Appointments Made
 The following new appointments and other faculty changes were approved: J. Stanley Gray, now on the English staff of the University of Minnesota, to become assistant professor with work in public speaking, debating and oratory.

Robert B. Horn, instructor, to fill the vacancy occasioned by the resignation of Oscar Brown, instructor in written and spoken English. Mr. Brown will enter the practice of law. The status of Professor Mary Watson Barnes and Alice Henson Ernest of the English faculty was changed from one-third to one-half time.

Gustav Muller, who holds the doctor of philosophy degree from the University of Berne, Switzerland, was appointed instructor in philosophy to succeed Kerby Miller, who was not re-elected.

Dr. Kimball Young, member of the psychology faculty, will give three-fourths time to the school of sociology. Authorization was made to fill the place of Dr. Raymond H. Wheeler who has resigned to become the head of the department of psychology at the University of Kansas.

Thomas Chatsworth, fellow in psychology, becomes instructor in the department. Dr. Harry B. T. Yocom, assistant professor of zoology was promoted to associate professor and Oscar W. Richards, teaching fellow in the same department, becomes an instructor.

Dr. B. W. Debusk, professor of education, was granted leave of absence to conduct research work in the Portland public schools next year. Raymond D. Lawrence, Oregon graduate and ex-Portland newspaper

Popularity in National Capital Is Undimmed in Her Absence

Though Helene Heilmann, daughter of M. Heilmann, former first secretary of the French embassy in Washington, no longer resides in the capital, she still is immensely popular in the younger diplomatic set there. This is being attested by the affairs being staged in her honor while she is in the city as a visitor from San Francisco, where her father now is his country's consul.

KLAN FIGURES IN NEW JERSEY PRIMARY TODAY

General McCran, Catholic, Is Supported By Senator Edge for Gubernatorial Nomination—Has Support of Wets Against Two Dry Aspirants.

NEWARK, N. J., June 16.—Prohibition, religion and United States Senator Walter E. Edge, leader of the New Jersey republican organization, figure most prominently in today's state primaries.

Senator Edge, whose leadership is at stake, is backing former Attorney General Thomas F. McCran of Passaic, for the republican gubernatorial nomination. McCran is a Roman Catholic. Against him are pitted State Senator Arthur Thitney of Menhaden, who has the support of the Anti-Saloon league, and former District Judge Cornelius Doremus of Ridgewood, who is running as a bone dry.

Whitney has charged Senator Edge with setting up Doremus as a dummy candidate to split the drys and bring about the election of McCran. Doremus has said he will clean up the state as effectively as the federal government has cleaned up rum row. McCran in his campaign has denounced the Ku Klux Klan.

Whitney has attacked McCran as the candidate of the Edge machine and he has referred to Edge as a "czar." References to a "whispering campaign" have been made in the course of speecmaking by supporters of McCran.

Predicting victory for McCran, Senator Edge said: "The campaign has developed into the old fight between the so-called wets and drys with McCran unquestionably receiving the liberal support."

Commissioner A. Harry Moore of Jersey City is unopposed for the democratic nomination for governor.

SENATOR M'NARY ARRIVES, SALEM

SALEM, Ore., June 16.—United States Senator Charles L. McNary returned to Salem last night, motoring here from Portland, where he arrived from Washington. He is at the home of relatives for the present. Senator McNary said he expected to put in a busy day at his farm and office, and has an appointment with newspaper men before noon. He expects to do considerable traveling about the state during the summer.

Baby Boy Is Drowned
 EUGENE, Ore., June 16.—Claude Raymond Keck, two year old son of Mr. and Mrs. Claude Keck, of Junction City, was drowned yesterday evening at about six o'clock at Keck's lake, a pond on the Keck place north of Junction City.

Raising American Flags Over U. S. A. Ranch Riles Peons

MEXICO CITY, June 16.—(A. P.)—Dispatches from Puebla say W. O. Jenkins, former United States consular agent at Puebla, whose kidnapping by Mexican bandits in 1919 created a serious international situation, has hoisted the American flag over all of his ranch properties in Puebla state. The dispatch added that orders are feared and much ill feeling has been caused because the Mexicans consider this action a taunt.

CROWDS VIEW GUARDSMEN ON STREET PARADE

Medford People Give O. N. G. Brigade on March a Great Ovation—Sight Is Inspiring One—Over 2,000 Men in Line of March.

 8:00 p. m.—Hunt's Craterian, "The One Way Street." Free tickets can be secured at camp from Brigade Supply Officer.

For the first time in the history of the Oregon National Guard a full brigade marched through the streets of an Oregon city today when led by Brigadier General White nearly 2500 members of the 82nd Brigade paraded through the business section of Medford, while enthusiastic crowds lining the curbs cheered them to the echo. Also for the first time in the history of the National Guard a fully motorized artillery battalion appeared in public, the National Guard battalion having received full motor equipment only a few days ago.

A national record for Oregon National Guard was also believed to have been established today by the fact that everyone of the 150 officers in the line of march commanding from brigade to detachment, was a veteran of the World War.

The spectacle as the infantry and artillery behind the regimental bands marched through the streets, was a most inspiring one, and according to Brigadier General White was put on chiefly to demonstrate that the members of the O. N. G. appreciate the treatment they have received from the people of this city.

In an announcement this afternoon Major C. H. Scott, chief medical officer, declared the local encampment to be one of the healthiest encampments he had ever seen, there being only two cases of illness in the hospitals, both being mild colds.

Death Toll of the Automobile

PORTLAND, Ore., June 16.—(A. P.)—Two men and one woman were killed and another woman was seriously injured in a collision between an automobile and a street car here early this morning. The dead: Ray Stockdale, 26, Seventh Infantry, Vancouver barracks, Wash., driver of the car, instantly killed. Arthur M. Holt, 22, Seventh Infantry band, Vancouver barracks, died at 7:15 a. m. Mrs. Evelyn Stevens, 24, waitress, Vancouver, instantly killed.

The injured woman, Mrs. Christine Bodwin, 23, Vancouver, was in a hospital this morning suffering from cuts, broken bones and possible fracture of the skull.

The automobile, a heavy sedan, crashed head on into a street car on Union avenue thoroughfare, leading to Vancouver. According to accounts received by the police it was traveling at a high rate of speed and swerved to the wrong side of the street, without apparent reason, hitting the street car.

BORAH SAYS U. S. WON'T INTERVENE

Chairman of Foreign Relations Committee Opposed to Being Drawn Into Chinese Fracas—Anti-Foreign Agitation Grows to Alarming Proportions—U. S. Hospital Stoned.

WASHINGTON, June 16.—(A. P.)—Opposition to the United States being drawn into the situation in China was expressed today by Chairman Borah of the senate foreign relations committee in a cablegram to an American citizen in the troubled zone.

SHANGHAI, June 16.—(A. P.)—One foreign life for every Chinese life taken in the Shanghai riots was the slogan adopted by Chinese in posters distributed today after the killing of William M. MacKenzie, an English subject, yesterday. Otherwise the situation remained unchanged, a seething city of indignation and unrest.

WASHINGTON, June 16.—(A. P.)—Anti-foreign agitation in the Canton vicinity is causing uneasiness in that place and nearby cities, Consul-General Jenkins informed the state department in a dispatch sent from Canton June 14, received today.

During a student demonstration in Wuchow on June 8, a mob yelled "kill foreigners, and throw stones at the American Baptist hospital," the message said.

SHANGHAI, June 16.—(A. P.)—The British consul-general here today vigorously protested to the civil governor, and also to the foreign commissioner, because of the killing of William M. MacKenzie, a British subject, last night. MacKenzie was shot by Chinese agitators.

Further reports received up to 11 o'clock tonight from Chungking, Kiating and Nanking (ports on the Yangtze river), described the situation at those points as increasingly grave.

Foreigners at Nanking are considered in danger. Chinese employed there by Japanese and British firms are on strike. The British consul and his family are reported to have taken up residence at the American consulate. The principal menace at Nanking, however, lies in the possible cutting off of water and food supplies.

20 CARS OF GASOLINE BURN IN WYOMING

CASPER, Wyo., June 16.—Twenty tank cars containing gasoline were derailed in a wreck near Glendo, Wyo., today. Investigation by officials disclosed total damage estimated conservatively at \$100,000.

After numerous explosions all of the twenty cars are burning and due to the high wind, it is thought impossible to save any of them. J. C. Grissinger, superintendent of this division of the C. B. and Q., left at 10 o'clock to personally investigate the wreck.

All cars wrecked are owned by the Union Tank Line company and were carrying Standard and Midwest gasoline.

Wall Street Report

NEW YORK, June 16.—The closing was strong. Mack Trucks, General Electric, sixwell B certificates and Dupont sold three to six points above yesterday's final quotations.

An outburst of bullish enthusiasm in the railroad shares, based on the establishment of a new 1925 car loadings record for the week ended June 4, featured today's stock market. Practically all other groups rallied in sympathy, with special strength being shown by a number of motor, public utility, food and merchandising shares. Total sales approximately 1,600,000 shares.

RUNAWAY BOY FROM PORTLAND MAKES SECOND GETAWAY FROM ROSEBURG JAIL.

ROSEBURG, Ore., June 16.—Angus Johnson, runaway boy from Portland, who was recaptured yesterday after escaping from the county jail following a second break last night, pulled a board through the jail window and used it as a lever to spread the bars sufficiently to permit him to slip through. He was recaptured and upon being returned to jail was placed in solitary confinement. Last night officer released him for a few minutes to exercise in the main corridor, and while the officer was not looking the boy again slipped through the bars, which had been straightened and found a safe hiding place. The fourteen year old boy is the son of Mrs. B. D. Johnson of Portland who had asked the officers to hold the boy until she could come for him.
