

MAYOR APPOINTS 2 NEW MEMBERS OF PLAN COMMISSION

A number of changes were made in the city planning commission last night at the city council meeting, due to the resignations of members Emil Mohr and Chester Barr, and the resignation of Robert Boyd as secretary of the commission, which vacancies were filled by Mayor Alenderfer appointing Mrs. E. A. Moore, Tenth and Holly streets, wife of the druggist, and Dr. R. R. Johnson, the well-known dentist, and the appointment of City Recorder Alford as secretary. The council confirmed the appointments.

Messrs. Barr and Mohr had served on the city planning commission but a few months, having themselves been appointed to fill vacancies on that body. Mr. Barr resigns because he is moving to Barr, Cal., and Mr. Mohr resigns because he has been elected as a member of the school board and legally it is deemed he could not serve on both bodies.

The appointment of Mrs. Moore to fill the vacancy created by Mr. Barr's resignation is in compliance to the Greater Medford club and women of the city in recognition of the fact that the mayor deems that inasmuch as the Greater Medford club was mainly instrumental in bringing about the establishment of the city planning commission, that club should have three of the ten members of the commission.

Dr. Johnson's appointment is to fill the place left vacant by Mr. Mohr's resignation. The appointee formerly served in the city council of the Montana city from which he came to Medford, and after a freedom from civic duties for years, consented to again take on municipal cares.

Mrs. Moore's appointment came about due to the activity of a number of leading women of the city. The first Mayor Alenderfer knew about the matter was when he received a phone call yesterday morning to at once visit a certain business place on Main street. He hurriedly hot-footed it to that place and innocently walked into the presence of from 25 to 30 determined women assembled for the sole purpose of asking for Mrs. Moore's appointment.

They lost no time in convincing the embarrassed mayor that it was the only proper and safe thing to do, and he having in mind the puzzling two halves around the sun the day before, presaging some dire disaster, deemed it proper to acquiesce.

Therefore, after he had a heart to heart talk with the city councilmen prior to the meeting, they consented to confirm the appointment last night, especially as there were three petitions presented from the officers of women's organizations asking for the appointment of Mrs. Moore and praising her qualifications for the position. These petitions were as follows: The Greater Medford club, Emma B. Robinson, president; the officers of the D. A. H. chapter, Mrs. W. M. Van Scoyoc, registrar, and the P. E. O. Mrs. J. C. Love, president and Mrs. R. W. Sleeter, secretary.

The resignation of Secretary Boyd is due to the fact that he had too much to look after in connection with his duties as secretary of the Chamber of Commerce to perform the additional commission work. The position pays \$10 a month.

The mayor and council deemed that the appointment of City Recorder Alford to take on the duties of secretary was a natural and advisable one, as it fits in with his duties as city recorder and city clerk.

With the new appointments the personnel of the city planning commission is as follows:

O. C. Boggs, Louis Ulrich, Rev. J. B. Coan, R. R. Johnson, Mrs. E. A. Moore, Mrs. A. J. Hanby, Mrs. Bert Anderson, City Attorney J. H. Carkin, City Superintendent Davis and Mayor O. O. Alenderfer.

Camp Notes

Military Ball Postponed
On account of the trip to Crater Lake given for the Oregon National Guard the grand military ball for the officers to be given by the officers of Company A, scheduled for Friday, June 18th has been postponed until Monday evening, June 22nd.

Band Concert Thursday Evening
The military band of the 186th Regiment of the Oregon National Guard will give the citizens of Medford a concert in the city park, Thursday evening, June 18th at 8 p. m. There was a splendid concert given by the 162d regiment band and Medford is assured of another splendid concert Thursday evening. It is rumored there is considerable rivalry between the two regimental bands.

Medford Rotary Club News

The Medford Rotary club at its weekly luncheon held at the Hotel Medford yesterday had a most enjoyable program.

The speaker, Head Consul I. L. Book, of the Woodmen of the World, who is making a tour of the coast gave a very instructive talk on present day conditions reminding us that his was the day and age of men who did things, men of real action, also that the world needed more thinkers, men of deep thought. He also called attention to the common error of following the lines of least resistance in our life work, and his message gave much food for thought.

Book is looking over this territory to select a place to hold the next big camp session of the Woodmen of the World in 1928 and while here in the Rogue River valley will have an opportunity to investigate local conditions fully. He also met many members of the board of directors of the Medford Chamber of Commerce as well as heads of the Woodmen of the World lodge.

Bert Paul, chairman of Rotary Education gave a good talk on the Rotary Code of Ethics.

James Stevens sang two highly appreciated solos, Charles Hazelrigg at the piano.

The out of town Rotary visitors were Barney A. Newman of Fresno Calif., Amos E. Voorhies of Grant Pass, and Frank Lucas, warrant officer of the 186th Infantry band of Portland now at Camp Jackson during the encampment.

The local visitors present included P. M. Kershaw, Earl S. Tamy, W. W. Walker, Louis Ulrich, William J. Warner, C. C. Lemon, Robert Boyle, E. C. Sullivan, A. L. Hill, Paul B. Rynning, Delroy Getchell.

William A. Hanna was chairman of the program committee for this meeting.

Former Resident Visits City First Time 27 Yrs

Mr. and Mrs. Ben S. Webb of Hollywood, Calif., are guests at the home of Mr. and Mrs. J. E. Roberts of Crater Lake avenue. Mrs. Webb is a sister of Mrs. Roberts and daughter of the J. S. Howard, "Father of Medford," and was first assistant postmistress of Medford.

Mr. Webb, one of Medford's early lay citizens, was one of the first city recorders of Medford, and with the late Dr. Adkins, his partner in the hardware business, built the brick building on the corner of Main and Central, now occupied by the Medford Pharmacy.

This is Mr. Webb's first visit to Medford in 27 years and he can see many changes.

Canadian Wheat Soars
WINNIPEG, Man., June 17.—(A. P.)—Net gains of up to five cents were registered today in the wheat market largely as a result of increased exports and favorable news from the seaboard. The close was strong.

DEATH LIST IN D.L.W. DISASTER NEARING FIFTY

NEW YORK, June 17.—(A. P.) The death toll had mounted to 42 today as a result of the wreck of a Delaware, Lackawanna and Western special tourist train at Rockport, N. J., New Jersey, sixty miles west of here. Estimates of the injured varied from three dozen to four dozen and the cases of at least one dozen were considered serious.

The train carried 182 German-Americans, mostly from Chicago. They were bound for Hoboken, N. J., to embark on the liner Republic to visit the fatherland from which they had emigrated years ago. Only eighty sailed on the Republic yesterday.

Speeding on a downgrade the seven car train hit a stretch of muck and debris that had been washed over the tracks by an electrical storm yesterday. The heavy engine ploughed through but the pony tender was thrown off the track. It clutched the frogs of a switch farther on and wrenched the engine and four steel cars from the rails. Three cars piled up on top of the overturned engine. The steam pipes burst and sent scalding fog spouting directly onto the passengers in the cars.

It was the breaking of the pipes that caused the deaths of at least thirty of the victims.

When rescuers arrived the steam had spent itself. The suffering was intense. One man jerked a roll of bills from his pocket and begged a rescuer to kill him. Only four trainmen and a few passengers were killed instantly. One woman was decapitated. The others went through hours of agony before they died in hospitals at Easton, Pa., Dover, N. J., Phillipsburg, Norristown and Hackettstown.

Survivors told of a slightly scalded Chicago woman who limped moaning through the wreckage until she found her missing wallet. Then she shouted joyously and helped the rescuers.

HACKETTSTOWN, N. J., June 17.—(A. P.)—The death toll of the wreck of the Delaware, Lackawanna & Western emigrant train near here yesterday mounted to 42 today, with a score of others in scattered hospitals still in a serious condition. The dead now number 22 in Easton, three in Phillipsburg, eight in Hackettstown, six at Dover and three at Morristown.

NEW YORK, June 17.—A revised death list of yesterday's wreck at Rockport, N. J., including hospitals at which the victims died or to which their bodies were taken, follows, all being from Chicago, unless otherwise indicated:

Banker, Nathan J., conductor, Scranton, Pa., at Easton, Bernhardt, Mrs. Antonet, at Dover, Bernhardt, Anthony, private hospital, Easton, Bernhardt, Paul, at Easton, Breckner, Mrs. George, at Morristown, Brunner, Edwin, at Easton, Brunner, Robert, 8, at Easton, Clink, Mary, at Phillipsburg, Imlan, Mrs. Augusta, at Dover, Darling, Mrs. Kathryn, at Dover, Karnaus, Mrs. Harminie, at Hackettstown, Kroch, Mrs. Caroline, at Warren hospital, Phillipsburg, Loomis, Frederick, engineer, Scranton, at Hackettstown, LaFarge, Gustave, at Easton, LaFarge, Mrs. Lena, Meyers, Mrs. Anna, at Morristown, Paul, George, no address, at Dover, Scanlon, James, trainman, Scranton, at Hackettstown, Schubert, Philip, at Easton, Telok, Rudolph, at Easton, Trickett, Mrs. Louise, at Easton, Wienert, Mrs. A. Craline, at Hackettstown, Wilgermeir, Mrs. Elizabeth, at Easton, Wagner, Helen, 9, no address, at Easton. Two unidentified men at Hazelton. Unidentified girl, about 8 years old at Hackettstown. Unidentified child, five, at Easton.

Yankee Physician Honored in Paris

Dr. W. Seaman Bainbridge of New York City, is being referred to as "the medical ambassador of the United States," in Paris, where he is being given many honors, notably by the Cercle Interalle. He is well known abroad for his wartime medical work in the allied cause.

Carl Tengwald Is Called to Service for Defense Day

At the request of Brigadier-General George A. White, headquarters of the Ninth Corps Area in San Francisco have ordered Carl Y. Tengwald of Medford, first lieutenant, Officers' Reserve Corps, temporarily into active service to assist in preparations for the statewide observance of National Defense Test day, which is July fourth. Headquarters of the Oregon Defense Test general committee, of which General White is chairman, have been established at Camp Jackson.

Owing to the very limited time for organization, some rearrangement has been necessary of the plans under which the defense day demonstration was so successful in the state last year.

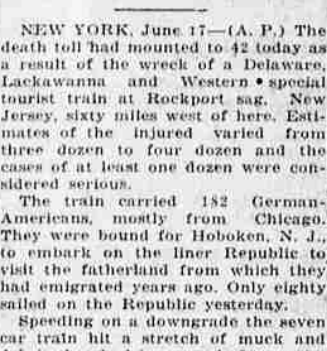

This lack of time has already caused two states, Washington and Missouri, to withdraw from the test. But General White says their action will make no difference in Oregon, which will meet President Coolidge's wishes as it has met every patriotic requirement in the past.

"Washington and Missouri may do as they think best—Oregon will carry out the President's wishes to the letter," said General White. "True, time is short, but so much the more reason for speedy organization and hard work by all concerned."

"Instead of attempting to duplicate last year's feat of signing 46,000 Oregon citizens to enlistments as one-day volunteers in the United States Army, we shall make oral enlistments on a mass of groups of citizens this time. Signed enlistments are desired also, but obviously we have not the time to depend on them alone. Also, July fourth was decided on so recently as the date of the test that the committee realizes many persons have made other plans for the day. For this reason all one-day volunteers who have made such other arrangements in advance upon taking the oath of enlistment will be excused from any other duty. The oath carries no further obligation than the one-day of service."

Anthony Garlouche of El Paso, Tex., accompanied by his family stopped in the city several days to rest from their long automobile trip from the southern city. They arrived here yesterday with the intention of visiting Crater lake, and when they learned of the fact that the park was not yet open, they were sorely disappointed.

Instructions for Drivers of Cars to Crater Lake

Instructions for drivers in the caravan with the Oregon national guard to Crater lake on Saturday, June 20, and return Sunday, June 21:

First—Your car has been pledged—the committee is unconditionally depending upon it, with driver.

Second—You are to report with your car at 5:30 A. M. Saturday, June 20, rain or shine, at Camp Jackson.

Third—Your car will be placed by the committee at Camp Jackson.

Fourth—Bring with you, knife, fork, plate and cup for eating purposes; your own blankets for sleeping purposes; cots to sleep on and tents to sleep under and your eats (with the exception of lunch for the first day) will be furnished by the guard.

(Note: Bring lunch for self only first day.)

Fifth—Immediately upon your arrival at Camp Jackson you will be under the supervision of General White and staff. They will load your car, give you orders and set the pace.

Safety First.

Sixth—Hold the position you are placed in at all times unless you have car trouble—in that event pull clear of the highway and remain there until you are taken care of by one of the "service cars." Keep safe distance from the car ahead of you. When forced to stop be quick and sure to give the signal. No passing.

Overnight Camp.

In all probability the camp will be established at Union creek or Silver camp for Saturday night, June 20, where quite an elaborate entertainment will be furnished by the Oregon national guard. Sunday morning travel will continue to Crater lake and return to Medford Sunday afternoon.

Further Instructions.

Loading at Union creek to continue the travel will be given by General White Saturday night. Chamber of Commerce office will

be open Friday night, June 19, to furnish any further information that you may need.

All service stations will be also open Friday night, June 19. So please service your car that night. There will be no entrance fee at the national park. Gas will be available at Prospect and Union creek. There will be no women, driving or otherwise. There are some 200 expert drivers in the command who will be glad to drive, either the full trip or as relief.

4 Eastern Families Coming to Medford

C. B. Arnold just returned from a trip through the middle west and Canada, going by way of the C. M. & St. P. and returning on C. P. & R. railroad to Vancouver, Victoria and Seattle.

He reports crops in Montana, the Dakotas and Minnesota are looking fine, and that the farmers are hopeful for a bumper crop after a period of two years failure. He also says that business in general has been on the upward trend, and that bankers throughout the middlewest declare that in another year business will be about normal.

Mr. Arnold was very thankful that while away he received literature booking Oregon, as he had many calls for it after talking to the citizens of middlewestern states. He has four families coming to Oregon and who are especially interested in Jackson county. Three of the above are coming from Boston.

He declares that during all his travels he has seen no place that looked as good as Oregon, and Medford in particular.

Out of doors—out of danger.

Medford Rotary Club News
