

### NEW BRIDGE IN SAMS VALLEY IS BEING ERECTED

SAMS VALLEY, June 19.—The Hartman bridge contractors are putting in a new bridge in our road near the Mary Duggan place, which has been a needed improvement since the high water of early spring. While this bridge has been absent a good stretch of road was rendered entirely useless and much complaint was heard over the delay made in putting in such a necessary piece of work.

Some of the young ladies who are making preparation to attend Ashland summer school are Misses Gladys Rogers, Frances Fitzgerald and Elsie Strain.

Our school faculty for the coming year was procured some time ago and includes A. B. Collett, principal; Miss Roadside of Eugene, second high school teacher; Mrs. East of Ashland, intermediate, and Miss Culey of Applegate, primary teacher.

Mrs. John Hall has been busily occupied with the Medford dentist this week in getting considerable dentist work done.

Mr. Scott, who has been painfully ill for some time, is showing marked improvement the last few days.

Our annual school meeting was not very well attended, few taking enough interest to leave their hay fields long enough to vote. Mr. Hicham was elected as director to succeed Dick Straus, and Mr. Abbott was re-elected as clerk.

We are proud to announce that the prize winner in the cake naming contest was another Sams Valley victor. Our product keeps up well in the county contests of all kinds and Mrs. Fisher is the attest among several recent winners.

Several of our Grange officers attended the Enterprise Grange at Wimer Saturday and report an interesting as well as instructive afternoon. The Sams Valley Grange will be prepared to initiate several new members at our next meeting and officers from Wimer have kindly offered their assistance to aid us in getting along with our initiation for that time.

Mr. and Mrs. Dave Hewitt of Merced, Cal., were pleasant visitors with the Cook family last week. The Hewitts are warm friends of Mrs. J. A. Cook's relatives, Mr. and Mrs. Milton Steinmetz of Merced, and stopped here while en route to Canada.

Miss Mable Scott is spending her vacation at home after finishing a third successful term of school as primary teacher in a Junction City school.

Through the ability of Mr. McDonough, our Grange secretary, in campaigning for new members for our order, we have ten new members' applications in.

The Union Sunday school group gathering will be held at our school house June 28. A good program will be rendered, including some splendid speaking. Everyone invited to come and bring your lunches in order to join in the big spread.

What is known as the Stoner orchard has been changing hands so continually that little progress has been made towards the proper care of the orchard; but the latest purchaser is moving rapidly and a large crew of thinners commenced work Thursday, with a foreman who intends to rush the work as much as possible.

### EAGLE POINT ITEMS

Mrs. Charles Stoll and children and Mrs. Borchers of Medford spent Wednesday with Mrs. Luy. Mrs. Borchers will remain with Mrs. Lay for several days.

Mrs. Cavanaugh of Roseburg is visiting with her parents, Mr. and Mrs. Jones.

Floyd Morgan returned for a day a few days ago to look after his property here.

Mrs. Allen left for her home at Jefferson Sunday and after a short stay there, she will attend the summer session of State University at Eugene.

Mrs. Roy Stanley will attend the summer normal at Ashland.

Sam Greenwood of California, the owner of the Butte Creek orchards, was here the first of the week, looking after his orchard.

Many young people gathered at the home of Mr. and Mrs. J. G. Thompson to attend a birthday party in honor of Ernestine Dahack and Clara Thompson.

Loren Henshaw returned Sunday from Klamath county, where he had gone with Mr. Loosley to help drive his cattle.

At the annual school meeting, Mrs. George Daley was re-elected a director for three years and Mr. Floyd Pearce was elected clerk.

Many of our citizens viewed the military parade in Medford Tuesday afternoon. The parade offered to many of us considerable information, as well as much pleasure.

Quite a number of our people who belong to the different organizations which have been providing social diversions for the soldiers, have been to these affairs. It would be well for any of us to take a little time off and if possible, go to Camp Jackson, observe what is going on there, and learn first hand how the boys live, how they work, and how they amuse themselves. By all means get acquainted with some of them to see what type of men they are. Such a visit would bring much enlightenment and many happy surprises. It would be well worth the time.

**Card of Thanks.**  
We wish to thank our friends for their help and sympathy during our recent bereavement in the loss of our darling baby Nellie. Also for the many beautiful flowers.

Mr. and Mrs. W. Rich Mathoney and Family.

Whittier paid for his education by making slippers at 25 cents a pair.

### Workmanship

"Sunbeam" Dresses are distinguished by their fine workmanship and careful finish. Attention has been given to each detail. Notice the wide hems, the smart lines and how perfectly they fit.

—H—  
Smart striped model with applied embroidered motif and hemstitched pocket and vestee.  
 —I—  
Contrasting hemstitching and an embroidered motif on the pockets trim this striped model.

### Easy to Launder

One of the most attractive features about these Dresses is their splendid tubbing qualities. They will launder easily and well. Their colors will not fade and they will retain their silken lustre.

—F—  
Checked model with effective touches of embroidery, buttons and hemstitching in contrasting color.  
 —G—  
New V-neck voile collar, ending in tie and crocheted buttons down the side distinguish this model.

—D—  
Charming striped model with collar, tie and cuffs of white Radioux chiffon.  
 —E—  
Solid Color Radioux chiffon with hemstitched yoke and novelty button trimming.
