

ITEMS OF INTEREST FROM THE ROGUE RIVER VALLEY

NEW LUMBER CO. AT ROGUE RIVER NOW OPERATING

By MRS. E. W. SCOTT.
ROGUE RIVER, June 17.—The Cogan Lumber company started up their new mill this week. The mill is located between the river and the railroad and to the right of the highway as you enter town from the south. It is electrically driven throughout and is conveniently arranged, there being rolls to carry the lumber to the cut off and planers from the saw and a long chain conveyor carries the saw dust away from the mill. The capacity of the mill is 20,000 feet per day and a 125 horse power motor is used to run it with. A number of men are employed in the mill as well as in the woods, therefore Rogue River receives a benefit from having such a good industry started here.

The daughter of Mr. and Mrs. Harter had the misfortune to break her arm while thinning fruit at her father's ranch on Wards creek.

Once more we were called to give up to the Angel of Death another of our highly esteemed citizens. Mrs. Ida Magerle passed away at her home here Sunday morning after a very short illness. Ida Heckathorn was born in Indiana in 1871 and came across the plains when only five years of age to Oregon. Her old home was at Eagle Point. In her early twenties she was united in marriage to George Magerle of Rogue River and to this union were born three children, who survive: Carl Magerle and Mrs. Lelah Milton of this city and Mrs. Myrtle McGregor of Marshfield, Ore. Mr. Magerle met with a fatal accident in 1910. She is also survived by three grandchildren and three sisters. In the passing of Mrs. Magerle Rogue River loses one of its most highly respected citizens, and her kind smile and every ready hand of help will be greatly missed by her host of friends and neighbors. The funeral was held Tuesday afternoon from the Community hall, Rev. Fenton of the Church of God officiating. Interment in the Rogue River cemetery. The deep sympathy of the entire community is extended to the bereaved family.

A large and appreciative crowd gathered at the school auditorium Friday night to listen to the splendid music furnished by the Grants Pass band. Many difficult pieces were played which were greatly enjoyed. Many came from Grants Pass and just before the closing piece was played, A. R. Brashear of this city, gave an address of welcome to the Grants Pass band and delegation, expressing in a few well chosen words the closer relationship which Rogue River feels for Grants Pass since the Grants Pass Irrigation company has reached out and taken this community in the district, and at the same time thanked Grants Pass for the interest it has shown in our little city. At the close the new curtain was dropped and the picture of the beautiful Rogue River, also the advertisements of both Grants Pass and Rogue River merchants were viewed with much interest.

Of interest to all was the report of the clerk, regarding the indebtedness of the district. There are now no outstanding war-

rants and the bonded indebtedness has been reduced to \$18,500.

Little Tommy Crawford, who is 20 months old, had a serious accident Wednesday morning which might just as easily have proved a fatality. While playing with his small sister and brothers on the irrigation ditch which flows along on the south side of Main street, he fell in the water and was carried through the culvert under the road. His sister, Dorothy, fished him out badly frightened and crying. His little elbows and knees were badly skinned but otherwise he is none the worse for his experience.
