## ATHLETICS BEATEN, WASHINGTON ALSO, YANKEES BLOW UP

NEW YORK, June 22.—The tenth winning streak of the Yankees this season has ended like the other nine. A pair of triumphs has been the limit for consecutive victories of the club.

Although the White Sox were easily subdued in two straight games by the Hugmen, yesterday Chicago pounded three Yankee pitchers for a 9 to 2 decision. Babe Ruth, who had a perfect day at bat on Saturday with four singles, failed to get a hit yesterday.

Smarting under two defeats from the Senators, the Indians turned the tables and won 7 to 5. Walter Johnson vacated the box in the seventh after Cleveland had totalled nine hits off his delivery.

Captain Frank Frisch returned to the Giant's line up for the first time since a finger was broken May 16, and with Jack Scott in the box again the National league leaders disposed of the Reds 4 to 3 and took the series, three games to two.

The Boston Braves pulled out with an even break in their four game stay at St. Louis by taking the final number, 7 to 3. Four twisters were used by the Cards while Denton went the route for Boston.

Chicago romped away with a 3 to 2 victory over the Phillies in the ninth inning. Brooks' circuit drive with a runner on base ending the contest.

## WANER OF SEALS LEADS IN BATTING

SAN FRANCISCO, June 22.—Paul Waner of the Seals with a batting average of .415 still leads the Pacific Coast league in hitting, unofficial figures, including games of Saturday show. Lefty O'Doul of Salt Lake comes second to the San Francisco player. O'Doul's average is .397. Brazill of the Seattle club is third with .389.

High with an average of .387 is the most effective batsman of the Portland club, the figures disclose. Benbakker leads for Oakland with .385; Jacobs for Los Angeles with .324; Hemingway for Vernon with .302, and Hoffman for Sacramento with .292.

Lazarre of Salt Lake is first in rank in four base hitting with 16; Rohwer of Portland is second with fifteen circuit clouts, while Brazill and Hood of Los Angeles are tied for third with 13 each. Lazarre also comes first in stolen bases with a total of 17; Lane of Seattle is second with 16 and French of Sacramento is third with 14.

## COPCO DEFEATS RUCH IN EXCITING GAME

Copco turned the tables on the Ruch aggregation yesterday afternoon at the Holly street diamond, defeating them by the score of 7 to 6. It was a good game, close all the way through. Copco scoring first in the first inning; Ruch came back in the first half of the third by scoring twice. Copco tallied three times in their half of the third, and from then on Copco had things their own way. Oliver, after being out of the game for about six weeks, pitched superb ball for seven innings, allowing but five hits, after which Judd took the mound for the power producers. Lawerose of Ruch, formerly high school pitcher, deserves credit also, for he pitched good ball, allowing the "voit-makers" but nine hits. Oun, of pugilistic fame, known as Jim Grieve's "white hope," caught a fine game for Copco.

Following is the score of yesterday's game:

COPCO—				
	Ab.	R.	H.	E.
King, ss	5	3	1	1
Hutchison, cf	5	3	3	0
Mitchell, 3b	5	0	2	0
Judd, lf	5	1	1	0
Lonz, lb	4	0	0	0
Mhler, 2b	3	0	0	2

## Two Coast Teams Join Baseball Association

LOS ANGELES, June 22.—Five clubs, two of them of the Pacific Coast league and three of the Texas league, became members last week of the Association of Professional Baseball Players of America. Jess W. Crandall, secretary of the organization, announced here today. They were the Seattle and Los Angeles clubs of the Coast league; Fort Worth, Dallas and

the Galveston clubs of the Texas league.

A benefit was staged here last Tuesday for the purpose of raising a fund to build a home for needy baseball players netted \$1,500 Orndorff said.

Jim Barnes Gets a 77.—TROON, Scotland, June 22.—(A. P.)—Jim Barnes, New York professional, returned a card of 77 today in the first qualifying round of the British golf championship. He was among the twenty lowest cards. Eighty will qualify for the finals on Thursday and Friday.

Yesterday's Results.—At San Francisco, 4-7; Portland, 7-5. At Los Angeles, 2-18; Seattle, 5-2. At Salt Lake, 14-10; Oakland, 13-6. At Sacramento, 5-5; Vernon, 4-1.

## ANTI-KNOCK GAS MAKING TAKES HIGH TOLL OF WORKERS

NEW YORK, June 22.—(A. P.)—Deaths from poison in a lead plant which caused its victims to have hallucinations of seeing butterflies have just been revealed in New Jersey in addition to the fatalities among workers who use radium paint on watch dials.

Co-incident with inquiries into five deaths and numerous cases of illness in the plant of the United States Radium corporation, Orange, N. J., has developed that tetra ethyl lead poisoning killed eight persons in eighteen months and made 200 others seriously ill at the Deep Water, N. J., plant of the E. I. DuPont DeNemours company. The plant now closed made tetra-lead and made gas with it.

The compound is used in manufacturing "anti-knock" gasoline, the sale of which has been stopped in several states pending federal investigation into effects on pedestrians who breathe motor exhaust gases.

Some have called the plant the "house of butterflies." Victims have been known to pause while at work, gaze intently into space and suddenly leap into the air clutching "butterflies," which are not there to be seen.

A number of scientists believe that the radium deaths at Orange were caused by monothorium, a substance used in luminous paint and having radio activity twenty times as intense as that of radium.

NEW YORK, June 22.—The Times will publish what it terms the full record of fatalities, compiled after investigation by one of its correspondents of the Tetra Ethyl lead plant of the E. I. DuPont DeNemours company at Deepwater, N. J.

The report says 200 persons have been afflicted with lead poisoning in eighteen months and eight have died in delirium in the plant.

## CLOUDBURST LOSS NEAR PENDLETON

PENDLETON, Ore., June 22.—A cloudburst that struck near Pilot Rock, accompanied by a violent storm and some hail, did considerable damage late yesterday, according to advices received here today. Over quite a large area the growing wheat was lodged down by the violent downpour of rain and some harm was caused by hail.

Gulleys from three to seven feet deep and up to forty feet in width were reported washed through wheat fields west of Pilot Rock.

In Pendleton there was no rain, only a stiff gale that brought clouds of dust from the hills.

Yesterday was the hottest day of the year thus far.

## 2000 PEOPLE ATTEND KLAMATH CELEBRATION

KLAMATH FALLS, Ore., June 22.—More than 2000 people attended a barbecue and celebration yesterday in Langell valley commemorating the opening of the new canals which will supply water to another 16,000 acres of land. Jay Unton, state senator, made the chief address. The Klamath Falls Evening Herald defeated the Sprague River Giants, 24 to 2, in a one-sided baseball game.

## Attention, Fruit Growers!

We have taken over the large packing and pre-cooling plant formerly operated by the Oregon Growers' Co-operative Assn. and are now prepared to enter into contracts with growers for their crops of pears and apples on the spot cash basis. Growers will find it to their advantage to communicate with us before disposing of their crops. Office at packing plant now open on North Central Ave.

Telephone 30, or can call evenings 972-J

## Coue Has French Rival as Cure-All

Coue, cure-all who was a fad in the U. S. until mah jongg appeared, is being superseded in France, too. So popular is his rival, Jean Beziat (above), a cattle raiser, that a hotel is being erected on his farm to house pilgrims seeking a cure. His method is to breathe on the afflicted spot.

## ROSEBURG WOMAN BITTEN BY RATTLER FIGHTS FOR LIFE

ROSEBURG, Ore., June 22.—Mrs. James Martin was brought to the local hospital today suffering from rattler snake bite. Mrs. Martin, although bitten three times on the leg, will recover, physicians state, owing her life to her great presence of mind and courage in treating her own case.

Mrs. Martin's husband is a railroad brakeman working out of Roseburg, and she has been residing on their homestead, located about 50 miles west of Roseburg in an isolated district in the Tyece vicinity.

While out after the cows yesterday evening she stepped on a large rattler, which wrapped itself around her right leg and struck her three times before she could kick the reptile off.

In spite of her fright Mrs. Martin retained sufficient presence of mind to twist a tourniquet above the wound, and then walked to the cabin some distance away and with a pen knife, the only implement available, she carefully cut an incision to bleed the wound thoroughly. She then walked for a mile to the home of a neighbor, forcing the river on her way. A physician was called, reaching her about midnight and she was brought out to the hospital at once.

Her leg is very badly infected and swollen, and her entire body is blighted from the effects of the poison, but physicians reported this morning that sufficient improvement is shown to assure her recovery.

Indian Conference Starts.—KLAMATH FALLS, Ore., June 22.—Indians of the Northwest were scheduled to start an eight day conference on the reservation near Klamath agency today. The conference was opened with an address by State Senator Jay Unton of Prineville this morning. Horse racing, dancing and boxing are expected to be the chief features.

Where there's sun and good, fresh air—you'll find no doctor riding there.

Notice to Creditors. In the County Court of the State of Oregon, for Jackson County, In the matter of the Estate of William J. Rodgers, Deceased. Notice is hereby given, that the undersigned has been appointed by the county court of the State of Oregon, for Jackson county, administratrix of the estate of William J. Rodgers, deceased, and has qualified; and to the creditors of, and all persons having claims against said deceased, to present them, verified as required by law, within six months after the first publication of this notice, to the undersigned, at the office of Glenn O. Taylor, attorney for said administratrix, in the Federal Building, in Medford, Ore., 609.

Dated and first published, June 8, 1925. CYNTHIA L. RODGERS, administratrix of the Estate of William J. Rodgers, Deceased.

## HAIL STORMS IN EASTERN OREGON DAMAGE CROPS

BEND, Ore., June 22.—Hail did considerable damage to alfalfa on ranches eight miles north from Bend according to reports coming today. Some of the alfalfa fields were said to have been entirely beaten into the ground. Turkeys were killed on the R. N. Elliott ranch and the leaves on the juniper trees were beaten off, many hives of bees under the trees being covered up with the leaves.

Heavy rains were reported at East lake by returning fishing parties this morning. Despite threatening clouds no rain fell in Bend, but they apparently passed around the city.

Persons coming in on the stage last night from Klamath Falls, reported that the grain near Agency was considerably flattened out from the effects of the rain.

## LIGHTNING CAUSES 7 FOREST FIRES

BEND, Ore., June 22.—Seven forest fires caused by lightning were still burning at noon in the Deschutes national forest, according to local officials.

Other fires are expected to show up later in the Crescent-LaPine district, according to H. L. Plumb, supervisor of the forest, who says there was a heavy rain between LaPine and Crescent last night which will keep any fires in check for a time at least before they show up.

All forest lookouts will be out within a few days, Plumb said today. Those not yet at their stations are for the higher regions of the forest which are still under heavy snow.

# NOTICE TO WATER USERS!

## COMMENCING SUNDAY, June 21, 1925

# There'll be Only you and the Maytag

WE WANT to loan you this washer tomorrow, next day, or any time you wish. Wash with it—yourself. That's all there is to a MAYTAG demonstration. No obligation to buy, no coercion, no persuasion, no demonstrating tricks. The MAYTAG must sell itself—must prove its unmatched excellence—to you.

And further, we urge you to make this practical preurchase test side by side with any other washer that you believe to be as good. No other method is quite so convincing, quite so determining. It is by this common-sense, self-sale plan that the world leadership of the Gyra-foam is maintained.

Telephone us your name and address and we will bring a MAYTAG right to your home—where you may wash with it—alone.

Dealer's Name  
Address Phone No.

### 9 Outstanding Maytag Features

- 1 Washes faster.
- 2 Washes cleaner.
- 3 Largest hourly capacity in the world.
- 4 Most compact washer made—takes floor space only 25 inches square.
- 5 Cast aluminum tub—can't warp, rot, swell, split or corrode.
- 6 Easily adjusted to your height.
- 7 Clothes can be put in or taken out with the washer running.
- 8 Tub cleans itself.
- 9 All metal wringer. Self adjusting. Instant tension release.
