**REGISTRATION IN ASHLAND NORMAL BREAKS RECORD**

ASHLAND, June 23.—Almost 160 totals the enrollment to date in the summer session of the State Normal at Ashland, with the prospect of many more coming in before the week ends. There was the largest first day registration in its history. With G. A. Briscoe, superintendent of the Ashland schools directing, the following faculty is presenting the work, Mrs. Susanne Homes-Carter, G. A. Briscoe, Mrs. Maude Barry, Marshfield, Mrs. Degerstada, Miss Lenora Marsters, Eugene; Miss Zippora Blumenfeld, Ashland; Mrs. Callie Briscoe, Ashland; Mr. Ward, Miss Florence Wolfert, and Miss Beardsley, of the Monmouth Normal. Critic teachers at the practice school are Miss Ila Myers, Miss Mary Cole, and Miss Isabella Wattenbarger. There are 39 practice teachers. An enrollment of 200 children is asked. A six weeks' course is given in the five weeks' session, with work beginning at 8 a. m. and Saturday sessions. Ashland high is used for regular sessions and Hawthorne building for the practice school.

Dr. and Mrs. E. A. Woods have returned from their trip to Vancouver, B. C., where Dr. Woods attended the meeting of the Ophthalmological Society. They were gone a week. Mrs. Woods attended the State Musical Federation which convened at Portland recently and reports a wonderful meeting.

The Scandinavian Society of the Rogue River valley will have its annual picnic in Lithia Park in Ashland, Sunday, June 28. All members in Southern Oregon are to come with well filled baskets. The society furnish the coffee and ice cream.

H. G. Gilmore, of 283, Scenic drive, has been quite seriously indisposed for some time past but is better at present. Mr. and Mrs. Gilmore expect to leave for Newport shortly for vacation visit.

Mr. and Mrs. Karl M. Rose, whose recent wedding was one of June's events, have returned from their honeymoon and are pleasantly established at 77 Sixth street, where they are at home to their friends.

Mr. and Mrs. Claire Beebe are guests at the home of Mr. and Mrs. W. B. Beebe of south of Ashland. Mr. and Mrs. Beebe live in New York. Mr. Beebe is a mining engineer, whose work has taken him into many foreign fields. He is a son of Mr. and Mrs. W. B. Beebe. Mrs. Beebe is well known in Ashland, having attended high school here.

A former instructor in the Ashland Normal, Professor Wardrip of Fresno, with his family are visiting his wife's father W. C. Crews, east of town, and her brother A. C. Crews of Mountain avenue. They are on their way to Grants Pass where the Wardrips will make their future home.

Miss Ruth Swiner of Roseburg, niece of Mrs. C. W. Nims, is in attendance at the summer school. Miss Swinney is well known in Ashland, having visited here a number of times, and has been at the Normal before. She is one of the city teachers in the Roseburg schools.

The summer camp for the Ashland boys' clubs will open in July, the 14 to 25th inclusive. This will be held at Lake of the Woods in charge of C. V. Howell, secretary of the Y. M. C. A. The camp is under the auspices of the Y, but the various boys' clubs, the Pioneers, Friendly Indians, Boy Scouts and others have part. All Ashland boys between the ages of 10 and 18 are eligible to attend this camp. Groups are planned of ten or twelve in number, under adult leadership. The Lake of the Woods offers a most desirable setting for the various activities and test that are included in the program. The charge is nominal, eight dollars, which covers all expenses. Many boys have earned the money for the outing. It is expected that there will be at least 50 boys in camp.

Mr. and Mrs. Irving Finley arrived Saturday evening in Ashland from Long Beach, California. Mr. Finley is a former resident of Ashland, and has property interests here. The marriage of Mr. and Mrs. Finley which occurred at Long Beach, was chronicled recently.

A reception will be given Wednesday at 2:30 o'clock honoring Mrs. J. F. Meikle of Berkeley, who is a guest of Mrs. J. P. Wolf and Mrs. J. F. Rocho of San Diego, a guest of friends; both former prominent members in the Civic club. All the membership of the Civic club will be guests. The hostesses for the afternoon are Mesdames E. D. Briggs, L. Hilty, William Myers, F. L. Putnam, A. Schuerman and O. Winter.

One of the loveliest of June weddings occurred Sunday afternoon June 21, at the home of Mrs. Mary Freeman, 241 Oberlin street, when her daughter, Miss Ethel Freeman was united in marriage to Edward Cushman. Promptly at two fifteen Miss Jean Anderson sang "O, Promise Me," with Miss Mary Young at the piano. Miss Young then struck the notes of Mendelssohn's Wedding March and the bridal party entered, meeting in the center of the room and marching to a bower, beautiful in pink and white blossoms and crepe paper, where the marriage service was read by the Rev. S. J. Chaney. The bride was lovely in soft white satin crepe, with her veil caught with orange blossoms, and carrying a shower bouquet of Frau Karl Duschki roses and ferns. Miss Ruth Mechem, dainty in pink voile, carried an arm bouquet of Madonna lilies and ferns. The groom was supported by Mr. George Warner as best man. When the bride threw her bouquet to a group of waiting girls on the lawn, two were successful in securing the prize. Miss Ruth Mechem and Miss Ruby Powell. The pink and white of the color scheme was used effectively in the decorations and the roses, sweet peas, candy tuft and ferns gave added fragrance and beauty. During a luncheon of cakes and ice cream the bride cut and served a lovely bride's cake. Mrs. Cushman is a well known Ashland girl, her people coming to Ashland when she was a small child. She is a graduate of Ashland high, and taught success-

fully in the Silverton schools and at the North Trail school near Trail. Mr. Cushman is in the forestry service, and they plan to spend the summer near Trail, leaving almost immediately after the ceremony by motor for their farm home in that district. The plans for the new home were drawn by the brother, Claude Freeman, an architect in Salem. Lovely gifts received by the bride will go into that ne whome. The guest list included about forty, all of whom were relatives of the families or intimate friends. The best wishes of a host of friends go with this splendid couple.

**Electricity Making Keeping Pace New Standards Comfort**

"Every day we receive evidence of the growing appreciation on the part of builders of modest homes to make them really convenient with complete electric wiring," states G. A. Boring, district manager of the Pacific States Electric company. "Builders come to us daily asking for details as to what constitutes a check seal electric wiring installation which the public recognizes as an installation that makes electricity instantly available in any part of the house.

"When it is considered," states Mr. Boring, "that the comfort of a home is measured by its convenience, then it is not surprising that the builder of today is taking every advantage of the convenience electricity affords the householder and embodying check seal electrical wiring in his plans.

"In these few years electricity has done more than make light a ready convenience, a personal safeguard, and an artistic decoration in the home; it has done more than become the domestic worker—the strong, competent right arm of the household. It has also kept pace with the progress of hygienic science and with the new standards of comfort that minister as well to health.

"In the past, the descent of hot weather was, with most people, a thing to be dreaded and suffered, but not to be avoided nor to any extent mitigated. Today, the occupants of check seal wired homes can, by use of electric fans, enjoy a very considerable immunity from summer ills. On the other hand, when the chill drafts of fall make the house uncomfortable, the ready service of electricity in the form of electric air heaters, is available. Then, too, in times of illness, it is no small matter to have instantly available a heating pad instead of the hot-water bottle that our parents used—or an immersion heater for the recurring needs of the sick room."

**Planning a Home?**

**First of all, tell your Architect or Building Contractor that you want "Check" Seal Electrical Wiring**

The "Check" Seal is our trade mark which identifies electrical contractors who do modern electrical wiring, install convenient connections for electrical appliances and who use standard wiring devices.

This is the kind of workmanship you want in your new home. To insure your future comfort, insist that the wiring be done by a "Check" Seal contractor. Remember, also, that the "Check" Seal identifies electrical retailers who sell only quality merchandise. Buy electrical appliances and equipment where you see the "Check" Seal.

**Is a Lion afraid of a cock?**

Medieval wiseacres used to wag their heads and tell tales like this in the village marketplace. An amusing superstition, of course, but is it any more absurd than the belief that there is something mysteriously "better" about eastern motor oils just because they cost more and come from eastern crudes?

Professional drivers and economy-run experts out after records don't share this superstition—why should you pay tribute?

**Zerolene—the choice of Western Motorists**

Zerolene lubricates more cars in the Pacific Coast states than any other oil made—a better oil if it does cost less. Zerolene increases the gasoline mileage, reduces the carbon removal and maintenance costs and lengthens the life of any car in which it is used.

**Zerolene checked fifteen times for quality**

As a matter of fact, the best crude so far discovered for the manufacture of motor lubricants is obtained on the Pacific Coast. And the most highly developed refining process is the high-vacuum process, the patents on which are held by this Company. And 15 positive checks on Zerolene at the refinery make quality control absolute.

Why pay tribute to superstition when you want the best oil you can get? Insist on Zerolene—ask for it by name.

**Get The Facts!**

A series of independent and impartial reports showing the experience of large users with Zerolene has been collected in our booklet, "Why Pay Tribute to a Superstition?" Ask any Standard Oil Company representative or Zerolene dealer for a copy.
