During the first 21 days of June last year twenty-five fires had occurred in the city, while this June only six have been recorded so far. This good record is much due to the fact that the citizens of Medford do not now set grass fires without a permit, and also because the city fire department has two men, Jesse Hight and Loren Ice, burning all the dry grass on vacant lots, and yards.

Pagan Revels
Patricians, Roman matrons and beautiful slave girls lolled on silken cushions in the palatine or the palace gardens. Songs were heard, magnifying the divine night and power of love—maidens danced in the moonlight. "John Barrymore is great, but he is John Barrymore, whether as Mr. Hyde or Hamlet. Mary Pickford is Mary Pickford; Doug is Doug, whether as Robin Hood or D'Artagnan; Elsie Ferguson is Elsie Ferguson, and Maude Adams is Maude Adams.

JANNINGS IS NERO!!
