

### COLD WEATHER ALTERS GOWNS AT BUCKINGHAM

LONDON, June 25.—(A. P.)—A sudden change in weather sent the American and other women who are to be presented at Buckingham palace tonight scurrying in search of warmer wraps after all their plans had been made in accordance with the predictions of the weather prophets that the hot spell would continue.

It was so warm during the first court a few weeks ago that several persons fainted and a number of innovations were brought into use to keep the presentees cool up to the last moment prior to their entering to court before the king and queen.

Among these innovations were little ice boxes, installed in the bouquines, both to cool the interior of the vehicles and conserve the freshness of the bouquets during the wait of two or three hours in the mall, where the machines line up for their turn at the palace doorway.

Indications were this morning, however, that the debutantes would have to use foot warmers in their cars tonight instead of ice boxes.

Numerous dressmakers worked most of last night attending customers desiring last minute changes introducing furs and velvets in place of the embroidered shawls first provided.

In addition to the thirteen debutantes and matrons to be presented tonight by Mrs. Alanson B. Houghton, wife of the American ambassador, eight other Americans are to court to their majesties tomorrow evening, being placed in the general circle. They are: Louise A. Hoyd of San Francisco; Miss Elaine Wilcox of Denver; Mrs. William Grant of Denver; Mrs. George DeBonneville Keim of Philadelphia; Mrs. Frank Mebane of Spry, N. C.; Mrs. Claude A. Swanson of Washington, and Richmond, Va.; Mrs. Elliot Wadsworth of Washington and Boston and Mrs. Horace Lee, Washington, wife of the consul general in London.

Tonight's presentees are: In the general circle—Miss Jeanne Elizabeth Baldwin of New Jersey; Miss Violet Bardgrub of Arlington, N. J.; Miss Rosalie Evans of New York; Miss Florence Pratt of New York; Miss Helen Sheldon of London; Miss Annie Laurie Warmack of St. Louis; Mrs. Cass Gilbert of New York and Ridgefield, Conn.

Mrs. H. O. Murray, of Boston, and Mrs. Bertrand H. Snell of New York and Washington.

### TAFT DENIES HE REFUSED TO SIT WITH G. PINCHOT

NEW YORK, June 25.—(A. P.)—A dispatch from New Haven to the New York Times today says that friends of Chief Justice Taft deny a report that he refused to attend the recent Yale commencement because of the presence of Governor Pinchot of Pennsylvania.

The story was that Mr. Taft remained away because he would have had to sit on the same platform with the governor when the latter received an honorary degree.

The Waterbury American says Mr. Taft took his doctor's advice to avoid the tremendous strain that would have been caused by the demands of old friends for commencement reunions.

When Professor William Lyon Phelps presented the governor to President Angell for a degree he said that Mr. Pinchot was admitted for the enemies he had made.

During Mr. Taft's presidency occurred the celebrated Pinchot-Balinger controversy started by Gifford Pinchot, chief forester and culminating in an investigation of the secretary of the interior.

### MRS. J. P. MORGAN NOW EXPECTED TO RECOVER

NEW YORK, June 25.—(A. P.)—Hopes for the early recovery of Mrs. J. P. Morgan, wife of the financier, who has been ill of sleeping sickness at her home near Glen Cove, were strengthened today when Mrs. Morgan for the first time since she fell into a state of coma on June 17, gave indications of returning consciousness. Mrs. Morgan's physicians announced Saturday she had passed the crisis.

### RUTH AGAIN LAID UP, TAKES BENCH

NEW YORK, June 25.—Blaise Ruth disabled for the first two months of the major league season with influenza, is laid up again for repairs. Unable to take his regular position in right field for the Yankees yesterday at Washington because of swollen ankles, he went to the bench for a week's rest after warming up with the team before the game. Bobby Veach took Ruth's place.

Manager Huggins said he had permitted Ruth to resume play too soon after his discharge from the hospital. Ruth will be a spectator with the team until he fully recovers.

### LONG JIM BARNES LEADS IN GOLF BREAKS RECORD

PRESTWICK, June 25.—(A. P.)—Returning a card of 69, a new course record, for his afternoon round in the British open golf championship, MacDonald Smith, American professional, with 145, 36 holes played, today took the lead from Long Jim Barnes, who had 147.

PRESTWICK, Scotland, June 25.—(A. P.)—Long Jim Barnes, American professional, was leading the field with a 79 when he completed his morning round today in the start of the 72 hole stroke competition of the British open golf championship.

Barnes' score set a new record for the Prestwick course, breaking by two strokes the previous low score of 72, made by James McDowell of Prestwick.

MacDonald Smith, one of the three American contestants returned a card of 76 in the morning round.

Except for being off the line a little on several drives, Barnes went around the course in flawless fashion. His approach shots were remarkable in view of the hard baked nature of the turf. His putting, experts said, was the best ever seen in a British championship. His card for the record-breaking round:

Out 4 3 5 4 3 3 5 4 3—34  
In 5 3 5 4 4 4 3 5 3—36—70

Smith's card:  
Out 4 3 5 4 3 3 5 4 4—38  
In 5 4 4 5 4 3 3 4—38—76

The veteran, J. H. Taylor, had a 74, Abe Mitchell and Ted Ray both took 77, and J. I. Cruikshank, Argentine amateur, returned an eighty.

After starting well, Joe Kirkwood began slumping at the long third where he sliced a brassie and pulled an iron shot into the bunker. At the tenth he dubbed both his drive and second shot and then merely chipped cautiously on the fairway, needing a long brassie for his fourth shot to get to the green.

At the fifteenth he pulled both his drives and the second went into the rough. For the remainder of the course his golf was none too good, his main difficulty seemed inability to hold to the true pinward line.

Fully half the field failed to break 80, including the Whitecombe brothers, Cyril Toley and Arnold Massey. George Duncan had 79, Harry Vardon, 79; Arthur Havers 77, A. Compson, 76, and Alex Herd 76.

the second round in the British open championship, giving him an aggregate of 162 for the 36 holes played today.

# If Gasoline Sold by the Mile—

There wouldn't be enough good gasoline to go around—and the poor gasolines couldn't sell at half their present prices.

Mileage is the quality test of a gasoline. Not only "miles per gallon," but "miles per motor." For it is the motor that pays when inferior fuel is used.

Think then of gasoline in terms of good clean miles. On this basis, your choice will fall naturally upon Union Gasoline.

Union Gasoline is a quality product. And it is non-detonating—which means that it does not explode so as to strike the pistons a sudden, crashing blow.

The power-impulses from Union Gasoline continue throughout the entire length of the piston's stroke.

This permits the motor to start quickly—to accelerate with a swift, vibrationless pick-up—and to attain an even, gliding speed.

If a better gasoline were possible it would be made by the Union Oil Company, and sold wherever you see the sign "Union Gasoline." At Union Oil service stations and independent dealers of the first class everywhere.

CONSIDER THE DAYS OF THE WEEK

And the things we do to make one just a little different from the other. Variety is the spice of life. Eating, being one of the most pleasant things we do, deserves special attention. How about a different salad dressing—and maybe a different salad—every day?

A convenient way to vary your menu is to make a quantity of Wesson Oil Mayonnaise, a pint or more at a time, cover it tightly in a fruit jar and keep it in the refrigerator.

Using this Mayonnaise as a base, each day as you want a different salad dressing, mix a portion of it with the ingredients to make the fancy dressing you desire. If you would like to have some new and interesting salad dressing recipes, send a postal card to the Wesson Oil People, 112 Market St., San Francisco, Cal., asking for the free booklet "Salad Dressings."
