

FIVE PERFORMERS IN PRINEVILLE RODEO INJURED

PRINEVILLE, Ore., June 26.—Five performers were injured on the opening day of the rodeo show, held in conjunction with the American Legion annual state convention here yesterday. One accident threatens to prove serious. Elmer Smith of Alberta, Canada, attempting to ride a wild horse bareback, was thrown and the animal fell on him.

The convention opened with delegates present from nearly every post and auxiliary in the state. The attendance is estimated at 5000.

In the first event, the free-for-all half-mile thoroughbred race, Calurn, owned by Dore and Carl, placed first. Ocoela, owned by Dore and Carl, placed second, and Doctor Hayes, owned by Lorena Trickey, placed third.

In the first round of the bucking contest, Mac McCullough rode Jumping Jack; Guy Cash rode Steel Head; Hkon on Fanie; Smokey Stevens on Torpedo; Freddy Hunt on Quicksilver; Al Goss on Payday; Red Sheppard on Lazy Ike. Pat Woods made the spectacular ride of the afternoon on Jake. Lloyd Henderson rode Harney Dalley.

The crowd was entertained between the events by the fancy riding and tricks by Hiram Versteeg, Ed Wright and his 25-cent mule and by Bonnie Guse and her \$5000 horse; by Sam Gassett, champion trick roper, and by Lorena Trickey, champion cowgirl of the world, and Haggy Walters.

Music was furnished throughout the afternoon by the Sheridan Legion band and Hood River official Legion quartette.

In the Roman standing race of one-half mile, Lorena Trickey placed first with Walters second and Steele third.

In the relay race the placings were the same as in the Roman standing race.

In the calf roping contest, Mike Stewart qualified as first man by roping, throwing and tying his calf in 51.25 seconds. Chet Gettings was second, his time being one minute and 7.25 seconds.

The chariot race was won by Ray Ritter, driving Stan's Steele's team, with the other Steele team in second place.

PORTLAND GROWS AS SHIPPING PT. FOR GARDEN TRUCK

PORTLAND, Ore., June 26.—Portland and vicinity is showing a healthy growth as a shipper of vegetables and garden produce to other markets. This industry has shown a steady gain during the last few years, due largely to rigid government inspection.

Growers are benefiting from these outside shipments, not only from the remunerative returns from the shipments but also from the fact that it keeps the home market in good shape and allows them to sell their crop at a good profit instead of having to unload at any old price on a market already over supplied.

"We have shipped out some of the finest cars of peaches this season," said Billy Ballestout, proprietor of Garden Products. "These shipments have not only kept the local market from becoming over supplied, but have also enabled the growers to harvest their entire crop at a fair profit."

Approximately 18 cars of strawberries were shipped. Cherry shipments will start from the valley next week and there will probably be around fifty carloads move out for the eastern markets.

Very few fresh prunes are expected to be shipped this year on account of the severe winter kill and the resulting light crop.

The poultry market is well supplied and prices are barely steady.

Butter continues firm although standard cubes are a half cent lower on the exchange. All other grades posted steady. Likelihood of an advance in print prices this week end has apparently blown over.

Current receipt eggs are a half cent higher on the exchange at 32½ cent. Graded stocks posted steady. Hot weather and closer candling have caused losses with prospect of prices working much higher.

CAILLAUX PLANS FOR PAYING DEBTS ARE MADE PUBLIC

PARIS, June 26.—(A. P.)—Minister Caillaux's plans for payment of maturing bonds provide for an increase of six billion francs in both the circulation and the Bank of France's advances to the state and for the issuance of gold parity bonds exchangeable for the national defense bonds that mature in July and September.

When the national defense bonds are redeemed by the new gold parity bonds the maximum of the state's floating debt will be fixed at the amount existing on the day the bond subscriptions are closed.

The Caillaux bill fixes the circulation of bank notes at 51,000,000,000 francs instead of 45,000,000,000 and the advances to the state by the Bank of France at 32,000,000,000 francs instead of 26,000,000,000.

The bill gives the government the right to fix the exact terms of the new gold bond issue by government decree.

The preamble of the bill says the treasury's shortage is partly due to the "continued repayment of national defense bonds."

The new issue of gold parity bonds will be offered only in exchange for the maturing defense bonds, but the exchange will not be obligatory, the bill says. It is thus hoped to consolidate the greater part of this floating debt.

DEBUTANTEES TO CURTESY TONIGHT BEFORE THE KING

LONDON, June 26.—(A. P.)—Fourth and last court of the season at Buckingham palace tonight will lack nothing of the splendor of the earlier ceremonials.

Among those to make their bow before King George and Queen Mary are eight American debutantes and matrons.

The weather is still chilly and furs again will be necessary tonight to keep the thinly clad presentees warm while waiting for admission.

The ceremony begins at 9:30 o'clock. The Americans to be presented by Mrs. Alanson B. Houghton,

wife of the American ambassador: Miss Louise A. Boyd, of San Francisco; Miss Elaine Wiley, of Denver; Mrs. William Grant, of Denver; Mrs. George DeBenneville Kean, of Philadelphia; Mrs. Frank Mehan, of Spry, N. C.; Mrs. Claude E. Swanson, of Washington and Richmond, Va.; Mrs. Elliot Wadsworth, of Washington and Boston, and Mrs. Horace Lee Washington, wife of the consul general in London.

One thousand attended last night's court. King George wore the informal blue uniform of the royal horse guards and Queen Mary a gown of pure gold brocade with a pale blue train.

NEW YORK, June 25.—(A. P.)—Mrs. Ida May Symington, taking the stand today in her own defense in the suit for divorce brought by her husband, Thomas A. Symington, denied all accusations of unfaithfulness in particular she denied intimacy with Talbot W. Chambers, one of the co-respondents named in the complaint, who is held in \$1000 bail on a statutory charge based on his story as witness for the plaintiff.

PRESIDENT FINDS PERFECT REST

SWAMPSCOTT, Mass., June 26.—(A. P.)—President Coolidge is finding the rest here he expected when he left Washington for a summer vacation.

Secluded in a pretentious house he has learned after two days' stay that residents of the north shore realize that he came to Massachusetts for relaxation and few requests are being made for the privilege of calling on him at White Court.

Mayor Quinn at Cambridge was accorded the honor today of being the first to have a conference with the president, his call being arranged for the reception of Mr. Coolidge when he goes to Cambridge July 3 for an address.

Mr. Coolidge is still undecided whether he will go to Poland Springs, Maine, next week to participate in the conference of governors. If he does not, it is believed the governors will come to White Court to be received by him.

FEAR MARSHFIELD BOYS DROWNED

MARSHFIELD, Ore., June 26.—Lester Jans, 21, and Albert Frame, 16, half brothers, sons of Mrs. John Frame of South Slough, are believed drowned in South Slough. The coast guard and most of the citizens of Charleston, nine miles from here, are searching the head of the slough for the bodies, using grab hooks today.

The boys left Monday night in a rowboat of none too good construction, taking a few supplies and their dog, starting for the head of the slough to hunt racoons. The slough was extremely rough Monday night and it is believed neither of the boys could swim. The dog came back today wet.
