

SALVATION ARMY THANKS CITIZENS FOR AID AT CAMP

The Salvation Army, through Captain and Mrs. Pitt of the local corps, wish to extend their sincere gratitude to the following who assisted the local Salvationists in connection with the latter's service to National Guardsmen during their stay in Medford:

Produce company, large supply of firm watermelons on market; Copey, for loan of two large tents, chairs and writing table; Medford high school, for two writing tables; Patton & Robinson, loan of Ford auto; and Davis and Eads Transfer companies, for free drayage to and from Camp Jackson.

The Salvation Army tent proved very popular throughout the encampment period. It is estimated that close to 3000 letters were written in this one recreation spot for the boys on the camp grounds. "Our tent was considered by all to be the coolest place or ten at Camp Jackson," said Captain Pitt, "and the boys were grateful in their praise of the service rendered. It was a real pleasure to serve them, for we never met a finer and more courteous lot of young men."

A Pleasing Program Vaudeville Tuesday

Magie, music, novelty and comedy figure largely in the Orpheum Jr. vaudeville bill at the Craterian Tuesday for three performances—special bargain matinee in the afternoon and two evening performances.

Taylor, Lake and the Ryons offer a song and dance number, with a blizzard as one of the scenic effects, and a dance on snow shoes as one of the specialties. The players yodel and sing classical and popular songs.

Miss O'Connell, appearing with Eddie Black in "A Village Nut" plays with high skill a violin, and Black, a nut comedian gives plenty of opportunity to laugh.

Hanson and the Burton Sisters, present a musical and magical act. The Burton Sisters play on musical instruments, while Hanson mystifies, with his feats.

on a harmonica. He also does a number on a harmonica, as "The Musical Moke," appears in blackface, and specializes in clever impersonations.

For the children Halkins Comedy Silhouettes, has an especial appeal and is a mechanical novelty. The figures thrown on the screen by use of the hands, has been adapted mechanically, and the originality of the act will also appeal to grown-ups.

The usual film short reel and lively comedy will make up the balance of the program.

The Jackson Hot Springs is now under new management since the departure of Mrs. E. Chase, the former proprietress, who left for points in California one day last week.

Highway Barber Shop A New Institution

Clarence Now and Claude Naylor, who are well known as two first class barbers and have been in Medford for a number of years, will open the Highway barber shop tomorrow at 10 North Riverside, in the Sparta building.

They have put in three of the latest model barber chairs and other equipment, including wicker settees, and rockers, and everything is strictly sanitary.

They will give special attention to work for children and ladies.

Adam Holman, another experienced barber, who has been in Medford some time will be the third artist in the shop.

REESE CREEK RIPLETS

The all-day meeting at Central Point was quite well attended last Sunday, most of the Reese Creek Sunday school was there, Sunday school and Children's Day program in the forenoon; the exercises by the children were quite good. During the social hour there was dinner and after all had eaten, there was enough left to feed as many more in the afternoon. Besides the congregational singing there were two solos, one by Mrs. Earl Britton and also Miss Doris Richardson. Rev. John Stille, preached "The Will of God," a good thing, since it burned, that it occurred where it did. Instead of "Improving Ed," Mrs. Frank Castor is still improving, and expects to be able to come home Sunday.

REESE CREEK RIPLETS

The hot weather is quite noticeable these days, although not as bad as they have had in the east.

Raleigh Mathews is building a house on his farm. The family is expected to move out when it is finished. Mr. John Stille is doing the work.

Last Monday evening W. E. Hanson went to one of the neighbors on an errand. On returning home he had got as far as his gate on the highway. He opened the gate and drove through, and after closing the gate he noticed his Franklin car was on fire, he ran to the creek for water, but it was dry, so there was nothing to do but let it burn. Hanson carried some insurance on it. It was a good thing, since it burned, that it occurred where it did. Instead of "Improving Ed," Mrs. Frank Castor is still improving, and expects to be able to come home Sunday.
