RAIN THREATENS
TO POSTPONE N. Y.
FIGHTS TONIGHT

NEW YORK, July 2.—(A. P.)—Fair weather with a bright sun in mid-afternoon, indicated that the Italian hospital fund boxing bouts at the Polo grounds tonight would be staged as scheduled after being threatened by rain in the morning.

NEW YORK, July 2.—(A. P.)—Rain which began falling this morning threatened to force a postponement of the Italian hospital fund boxing bouts, scheduled for the Polo grounds tonight.

NEW YORK, July 2.—(A. P.)—Some 50,000 followers of boxing are expected at the Polo grounds tonight when eight famous fighters take part for good-sized purses in a benefit for the Italian hospital fund.

A double header is offered. The welterweight champion, Mickey Walker, fights the middleweight king, Harry Greb; Harry Wills, negro giant, meets the rejuvenated heavyweight, Charley Weinert.

In the Walker-Greb tussel, Walker cannot lose his title because his opponent will enter the ring far over the welterweight limit. But Walker may win the crown that the Pittsburgh man took from the head of Johnny Wilson.

Greb is the favorite, for he has speed, power and courage considered sufficient to offset the brilliant attack that is sure to come from the sturdy battler from Jersey.

No championship will be at stake when Wills and Weinert face each other, but the ambitions of either may be shattered. Far in the offing—very far it would seem—looms a bout with Dempsey. Wills has sought the opportunity for years. Weinert would cherish the chance. Each has conquered the man who a few years ago sent Dempsey hurtling through the ropes, Luis Angel Firpo.

The state athletic commission has been called on to decide many issues in connection with this stupendous program—the question of postponement from June 19, found necessary when Walker suffered an injury in training; the question as to which is the feature bout, a matter still in the balance, and the status of Jack Kearns who, it is reported, even will agree to a Wills-Dempsey match in order that he may gain admission to the grounds to second Walker tonight. Kearns has been notified that he will be barred from the grounds because he ignored a challenge by Wills.

Jimmy Slattery, lightning-fast middleweight from Buffalo, will face Dave Shade of California, welterweight, for six rounds and this should give the spectators some idea of what Shade and Walker would do if placed in a ring together. Slattery has been made the favorite, even though it is realized that Shade possesses remarkable boxing ability.

Little Joe Lynch, one-time champion of the bantamweights, will fight four rounds against his old-time rival, Jack Sharkey, in the first contest of the night.

NEW YORK, July 2.—(A. P.)—Harry Greb, middleweight champion, will have seven pounds on Mickey Walker, welterweight king, when they meet at the Polo grounds tonight. At the official weighing this afternoon Greb scaled 153 and Walker 152.

Harry Wills, negro heavyweight, registered 213 pounds and his opponent, Charley Weinert, 184½. Jimmy Slattery's weight was announced as 122½ as against 153 for his six round antagonist, Dave Shade. Jack Sharkey scaled 124½ and Joe Lynch 122½.

The commission decided that the meeting between Walker and Greb would be the feature attraction, preceded by the contest between Wills and Weinert. All principals agreed in the decision after a conference.

JOE KIRKWOOD IS
BEATEN IN GOLF

GLEN EAGLES, Scotland, July 2.—(A. P.)—Joe Kirkwood, American professional, was eliminated from the thousand guineas tournament here today by losing his second round match to Harry Ames of Surrey, who won four up and three to play.

Kirkwood was the last surviving overseas entrant, the others having been eliminated in the first round, which produced many close matches. Abe Mitchell had to go to the last hole to beat T. G. Renouf, while both Arthur Havers and George Gadd were forced to go twenty holes before they could shake their opponents.

Hoover Wins at Henley
HENLEY-ON-THAMES, England, July 2.—(A. P.)—Walter M. Hoover, American oarsman, defeated M. K. Norris of England by four lengths in their heat for the diamond sculls at the Henley regatta today. Hoover's time was eight minutes, forty-four seconds.

20 HOME RUNS IN
ONE DAY REVIVE
LIVELY BALL TALK

NEW YORK, July 2.—(A. P.)—Twenty big league home runs, all in the same afternoon, are giving the fans considerable food for argument today as to the lively ball. Seven of the big blows were made by the Giants as they won a double header from the Phillies and returned to first place ahead of the Pirates.

Irish Meusel socked for the circuit in the first game, which the McGowan clan won, 6 to 4, and then slammed two more in the concluding number, which the Giants won, 16 to 7. Hack Wilson contributed two in the second melee for the Giants, both coming in one inning, his club making nine runs. His feat tied the modern record established in 1922 by Ken Williams of the St. Louis Browns.

Babe Ruth's hit, long dormant, tuned in and hung up a pair in the fray with the Red Sox, helping the Yankees to win, 11 to 8. He is now credited with five homers this season. His teammate, Bob Meusel, who is a brother of Irish Meusel, reeled out his 19th four-bagger of the year. The Robins yesterday trounced the Braves, 4 to 3, Milton Stock's triple in the ninth inning paving the way for victory. Nels of Boston participated in the home run carnival with two heavy drives.

The Pirates came from behind in the seventh and scored six runs, battling Alexander out of the box as they won from the Cubs, 8 to 6. Wright's home run with one on base knotting the score at the start of the seventh inning.

Gabby Hartnett, Chicago, catcher, registered his 17th Ruthian tap of the year. After dropping the first section of a twin engagement to the Indians, 11 to 0, the Bengals came back for the aftermath, 4 to 1.

The Browns started to crowd Detroit for fourth place by topping the White Sox, 8 to 6. Ken Williams inaugurated his return to the Browns' lineup by smashing out his 16th homer of the season.

Other circuit clouters yesterday were Frank Snyder and Pep Young of the Giants, Todd of the Red Sox, Heathcote of the Cubs, McNulty of the Indians and Collins and Hooper of the White Sox. Twelve homers were made by National league players.

U. S. IRISHMEN
IN SEMI-FINALS
ENGLISH TENNIS

WIMLEDON, July 2.—(A. P.)—John Hennessy, of Indianapolis, and Ray Casey, of San Francisco entered the semi-finals of the doubles of the all-England tennis championship by defeating the British pair, F. R. L. Crawford and F. M. H. Fisher, 6-4, 4-6, 6-0, 6-1.

Three matches, the semi-finals of the men's singles and the doubles play between the Americans and British, proved a big drawing card, although the day was the hottest of the tournament.

Casey and Hennessy hardly got warmed up in their easy match. The set they lost was due largely to over-driving.

Jean Borotra, Wimbledon champion, entered the finals by defeating Henri Cochet, 5-7, 8-6, 6-4, 6-1.

Rene LaCoste defeated the Australian J. O. Anderson, 6-4, 7-5, 6-1, and will meet Borotra for the Wimbledon title.

ROGUE RIVER

By Mrs. E. W. Scott.
ROGUE RIVER, July 1.—On Sunday near the noon hour the fire bell sounded and brought out a large crowd of people to see where the fire was and soon they saw that the home of J. E. Corey was on fire and began at once to carry out the household goods and succeeded in saving everything. The fire company did excellent work keeping the fire from spreading, as a very stiff wind was blowing. They also put out the fire before it had gotten a very strong hold, although the house is gutted and all the rooms are damaged by fire, smoke and water, and all windows are broken. It is doubtful if the walls can be used at all as it very likely will have to be rebuilt.

Mrs. Winters, who resides in the house next to Corey's, discovered the fire and gave the call. The Winters home also caught fire but was as quickly put out. But the crowd feared it might burn so carried out all the household goods from this home. Mrs. Corey's home is in the thickly settled part of the city and if the fire had gotten beyond control serious results to our little city would have happened.
