MONKEY JUDGE IS TIRED OF ACTING AS COURT USHER

DAYTON, July 14.—(A. P.)—The issues in the Scopes case are profound and Judge Raulston refuses to have his attention drawn from them when he acts as usher for the spectators, he has announced. Twice during the sultry afternoon yesterday voices arose from the crowd appealing to the judge for chairs. As the jury was entering the box for the first time since its selection, the voice of a newspaper reporter rang out: "Can we have chairs, Judge?" "Gentlemen, I do not believe the whole court room should expect the judge to look after chairs. Let the sheriff do that, appeal to the sheriff," the judge replied. A second similar request later in the afternoon brought the declaration that "it is foolish to expect the judge of the court to provide chairs for everybody, to leave the bench and have everybody move back. Appeal to the sheriff and executive officers because I have as many responsibilities as I can get away with without having to attend to those details."

FRANCE EXPLAINS OPPOSITION TO U. S. CHINA PROPOSAL

PARIS, July 16.—(A. P.)—A misunderstanding seems to have arisen here concerning the attitude of the United States government toward a Chinese conference. It has been understood in Paris that President Coolidge had in mind a conference distinct from that provided for in the nine power treaty. It is assumed here the latter conference will be assembled automatically in consequence of the recent perfection of that treaty by the nine signatory powers and the French raise no question whatever regarding that conference. Paris dispatches yesterday said French officials think this not a propitious time for negotiations seeking revision of foreign extra-territorial privileges in China. WASHINGTON, July 16.—(A. P.)—An official communication giving a clear and complete statement of the Washington government's attitude regarding China has been cabled to Paris for the information of French foreign office officials. Disclosure of the contents of the communication was withheld. It contains information, however, which Washington officials hope will remove any possible misunderstanding between the American and French governments. Notice. School Dist. No. 38 will receive bids for remodeling school building. Plans and specifications may be seen at the office of Frank Clark, architect. Bids to be in the hands of the clerk by July 27th. School board reserves the right to reject any or all bids. Address Mrs. May Buckles, Clerk School Dist. No. 38, Central Point, R. F. D. 1. 108*

GERMANY AGREES ON PARIS ANSWER

BERLIN, July 16.—The German cabinet today agreed upon the tentative text of its reply to the French note regarding Germany's proposal for a western European security pact. There will be a final discussion of Germany's reply Friday at a conference of the cabinet with the foreign relations committee and the members of the federated states of Germany. The French note, representing an Anglo-French agreement, replied to Germany's suggestion in February for a security pact protecting the frontiers of western Europe.

ROSEBURG CARAVAN TO TRAVEL TO DIAMOND L.

The trip to Besse creek will be made by automobile and from there horses will carry them through the wild country to the road leading into Diamond lake. The trip will be made over the scenic route of the surveyed road and will be under the supervision of the forestry service.
