DEMPSEY WILLING TO FIGHT, KEARNS ON HIGH HORSE

NEW YORK, July 17.—(A. P.)—Jack Dempsey, heavyweight boxing champion, today visited the New York state athletic commission and said after the conference that he had made his peace, and that the commissioners had agreed to two or three bouts before he meets the negro, Harry Wills.

The title-holder said that he had signed an agreement with Promoter Tex Rickard to box Wills and that the way now was open to the contract for the bout. Commissioner Muldoon agreed, Dempsey said, that he should be permitted a couple of warming up contests.

A "funny" match is in prospect, the champion admitted, and may be one of the feature attractions at the new Madison Square this winter. He expects to meet Bartley Madden at Michigan City before the summer is over, although he has not signed the papers.

LOS ANGELES, July 17.—(A. P.)—Jack Dempsey's reported intention of making Jack Kearns his manager emeritus, does not sit well with the man who helped hoist him onto the heavyweight throne, and Kearns doesn't mind admitting it.

Commenting last night on the champion's announcement that he would henceforth handle his own boxing business, Kearns stuck out his jaw and said:

"Fifty per cent of Jack Dempsey's heavyweight title is mine and as long as our contract endures, he will make no matches without my okay. He can go ahead and sign for all the matches he wants to with Tex Rickard and Floyd Fitzsimmons and others, but none of the bouts will come off unless I like them and okay them."

Complaining that the champion had never notified him "man to man" that he wanted to terminate the contract, Kearns uttered this warning:

"If he thinks he can give me the run-around by signing for a couple of push-over matches, until after our contract expires, I may throw a monkey wrench into his plans."

PARIS, July 17.—(A. P.)—When shown New York dispatches today stating that Jack Dempsey had signed for a match with him, Harry Wills, American negro heavyweight, who is in Europe for a brief vacation, said:

"I hope the story is true, but I have heard nothing myself directly. Everything is in the hands of Paddy Mullins, who is fully empowered to sign for me, but I have had no word from him yet."

NEW YORK, July 17.—(A. P.)—When shown dispatches from Los Angeles quoting Jack Kearns as saying that Dempsey would not fight Harry Wills or anyone else without his approval, Dempsey smiled and dismissed the subject with:

"Somebody got hot. The boy evidently lost his head."

DERN AND EDWARDS ARE REMATCHED

PORTLAND, Ore., July 17.—(A. P.)—Stambolau Zbysko, ex-heavyweight wrestling champion, won two straight falls last night from Jadrinda Gobar, Hindu heavyweight. He took the first in thirty minutes with a crotch and half-Nelson and the second with a flying mare in seven minutes, 16 seconds.

Ira Dorn of Salt Lake and Billy Edwards of Kansas City, light heavyweights, meet in a return match tonight. They wrestled Wednesday night, Edwards winning on a foul. Ted Thye of Portland, was supposed to meet the winner but he has declined to wrestle again until fall. The purse of Wednesday night is being held by the promoter as a safeguard against foul tactics tonight.

ATHLETICS CONTINUE WINNING STREAK

The Athletics hung up their sixth consecutive victory when they beat the White Sox for the third time in a row yesterday, behind the great pitching of Slim Harriss and the timely hitting of his team mates.

Helped by the heavy hitting of George Sisler, manager, and Baby Doll Jacobson, outfielder, the Browns continued their winning streak by beating the Red Sox and climbed to within one-half game of the White Sox for third place honor.

Jacobson crashed out four hits, one a triple and another a homer in five times at bat while Sisler connected for a pair of two-baggers.

Tris Speaker, veteran leader of the Indians, by busting out four hits in six times at bat, took the lead from Ty Cobb of the Tigers for batting honors in the American league. Speaker is hitting .406 while Cobb's mark is .402.

FIGHTERS KNOCKED FROM RING GET TIME TO GET BACK

SAN FRANCISCO, July 17.—(A. P.)—The California athletic commission has decided to amend the Marquis of Queensberry rules to the extent of allowing a boxer knocked out of the ring twenty seconds instead of ten to crawl back through the ropes and resume a fighting posture.

Commissioner Hanson explained to newspapermen here:

"In some cases it would be impossible for a boxer knocked out of the ring to get back within ten seconds. If he is still physically able to continue it does not seem fair to rule him as knocked out. Twenty seconds will allow him sufficient time."

A currently historic instance was when Jack Dempsey was knocked into the press stand by Luis Firpo, but Jack managed to climb back within ten seconds and to retain enough stamina to knock out Firpo the next round.

Mr. Hanson also announced that the commission had determined to do away with "stalling" in California fights.

"I shall instruct the referees," he said, "to notify the fighters that prolonged clinching will not be sanctioned. If boxers fail to heed the warning a referee may in his discretion throw them out and declare it no contest. Furthermore, if, in the referee's judgment, fighters have been deliberately stalling, he will recommend that their names be held up and we will conduct an investigation."

FIRE FIGHTER LOSES LIFE, 2 INJURED, THRILLING ESCAPE

PRIEST RIVER, Idaho, July 17.—An unidentified forest fire fighter is missing and perhaps dead and two others are in a hospital here, seriously burned, following the trapping of a crew of seven by flames at Lamb creek, 20 miles north of here, yesterday afternoon. Emil Lambert of Spokane and Luke Krikor of Seattle, suffering from burns all over their bodies, walked 18 miles after they had escaped the flames and were brought here. Lambert was said to be in grave condition.

When the flames surrounded the crew, Lambert hurdled the blaze and escaped. Krikor came up, lying with his hands over his face awaiting death. When the flames had nearly reached him he leaped to his feet and dashed to safety.

Four of the other members of the crew were not seriously burned.

LA GRANDE, Ore., July 17.—(A. P.)—Eighteen forest fires are reported in Wallowa county. The fires are under control and little damage has resulted. Thunder showers last night cooled La Grande after the city had sweltered from a temperature of 103 Thursday. It is feared the intense heat, if continued, will prove damaging to crops in the valley.

DEATH CROSSING CLAIMS TOLL AS ENGINE STALLS

BILLINGS, Mont., July 17.—(A. P.)—Five members of a Santa Rosa, Cal., family of eight were instantly killed, another was fatally injured and a seventh seriously hurt when an east-bound Burlington train crashed into a sedan at a grade crossing one mile west of Billings early today.

The dead: Raphael Fleck, father; Rose Fleck, mother; John Fleck, Eleanor Fleck and Edna Fleck.

The injured: Maggie Fleck, fatally hurt; Agnes Fleck, arm broken.

The eighth member of the family, Rosie Fleck, a 10-year-old girl, saved herself by jumping from the car when the engine stalled as it stood on the track directly in the path of the oncoming train.

Maggie Fleck, a 16-year-old daughter, died two hours after the accident in a local hospital without regaining consciousness. The children ranged in age from a seven months old baby, who was injured but will live, to the 16-year-old girl who lived for a few hours. Fleck was 46 and his wife 44. The family lived at 345 Decker street, Santa Rosa.

During the morning county and railroad officials took action looking to early elimination of the grade crossing by construction of a viaduct. The scene of today's accident was the same crossing at which five were killed in a similar accident 11 months ago. This crossing has claimed more than 15 victims in recent years.
