

SUMMER SCHOOL REGISTRATION AT EUGENE A RECORD

EUGENE, Ore., July 28.—The University of Oregon annual summer session will close Friday with the termination of the sixth week of the term. Final examinations will be given Thursday and Friday.

The summer session this year had the largest enrollment in the history of the institution as the 1099 mark was reached by both the Eugene and Portland sessions.

Alterations in various buildings are being made in preparation for the fall term of the university. The department of chemistry is being moved to the top floor of McClure hall, until recently occupied by the department of psychology, which has been moved to Condon hall. When the university press is moved the chemistry department will also use the basement of McClure hall.

Several office spaces are also being changed.

AUTHORESS FAILS TO SHOW AS ACTRESS

SALEM, Mass., July 28.—(A. P.)—Mrs. John Barrymore as a novel, let known as Michael Strange, disappointed a fashionable North Shore audience last night which had crowded the Empire theater to see her take her first leading part on a stage. She was billed as Oscar Wilde's "The Importance of Being Ernest."

Stating that she had missed two rehearsals last week because of illness, Mrs. Barrymore informed the management just before the performance that she would be unable to appear.

The performance was delayed more than an hour, during which a majority of the audience left, before Mrs. Barrymore consented to act in a "dress rehearsal" of the play. She made use of the prompter frequently.

LADY ADVENTRESS HAS VEILED FRIEND

TAMPA, Fla., July 28.—Lady Grace Esme MacKenzie, big game hunter and international adventress was released from the Hillsborough county jail here after spending four uncomfortable nights as the cell mate of an alleged bandit queen.

Her freedom was obtained by a kindly woman veiled in black to conceal her identity, who made good a worthless draft for \$200 to G. E. Bray, Tampa realtor, who had endorsed for Lady MacKenzie several months ago. Charges were dismissed.

"I did not think I had a friend in Florida until today," Lady Grace said, deeply affected. "Whoever came to my assistance so nobly must certainly want the money back and I intend to find her and return it as soon as possible."

A suit for false arrest will be instituted by Lady MacKenzie, she said after inhaling a deep breath of pure air.

HOME TOWN HONORS 'PEERLESS LEADER'

SALEM, Ill., July 28.—(A. P.)—Flags floating at half mast were in evidence throughout Salem today, the birthplace of William Jennings Bryan.

Former State Senator Charles E. Hull, who knew Mr. Bryan intimately, paid this tribute:

"The news of the sudden death of William Jennings Bryan grieves me as a personal loss not only to me but to every person in this community. It is as if there was a death in each home here, so near and dear was he to us all."

"The house in which Mr. Bryan first saw the light of day still stands within the city limits. When he was a boy, the family removed to a beautiful home on a farm near Salem, which his father, Judge Silas Lillard Bryan had succeeded in transforming into one of the most attractive homesteads in southern Illinois."

FAKE SALESMAN MAKES BIG HAUL

EUGENE, Ore., July 28.—Reports of "sales" made to automobile service station proprietors by an alleged swindler have been made to Sheriff Frank E. Taylor here. The man, known as J. B. Burke, said he was representing the Rubber Products company of Kansas City, and took orders for tires, tubes and other wares. He asked that a certain percentage of cash be paid upon the placing of the orders.

The dealers who placed the orders claim that they have since looked up his firm, and could not find any such concern listed.

While here Burke is known to have collected at least \$114. He was in Corvallis, it is said.

JACKSONVILLE IS BEATEN BY OWEN- OREGON CO. TEAM

The Jacksonville baseball nine was defeated by a score of 8 to 6 when they met the Owen Oregon aggregation on the home grounds near the sawmill Sunday afternoon. It is said the game was an easy victory for Jacksonville until Umpire Shaw disqualified Hartman for not touching third base while making a home run.

Harry Foley, who pitched for Jacksonville, struck out 11 men while his brother, Frank of the Double-O, struck out two. The center fielders of the latter team put out 11 men while Jacksonville managed to put out one.

Jacksville expects to play the Oregon nine again, at least such is their desire.

Next Sunday the "Lumberjacks" will play the fast Copeco team on grounds which as yet have not been decided. The game is expected to be close, as the latter team had defeated the former twice, which naturally tends to make the latter play so much harder to redeem itself.

Start Construction of Oregon Bleachers Soon

EUGENE, Ore., July 28.—Construction of the new \$20,000 section of bleachers in the east end of Hayward field, athletic field for the University of Oregon, will be started early next month. The bleacher section will seat an additional 6000 spectators, providing a total of 18,000 seats at the field.

The work on the bleachers is to be rushed, it is said.

SPORT BRIEFS

NEW YORK, July 28.—(A. P.)—Willie McFarlane and Jim Barnes respectively American and British open champions, have agreed to play a series of matches for the "world title" starting immediately after the western open championship in Youngstown, Ohio, August 18 to 20.

Although definite plans have not been made, it is probable that the first contest of 36 holes, will be staged in Philadelphia and the second in Washington. If a third is necessary, New York may be decided upon.

Following the championship play Barnes and McFarlane plan to tour the country together, meeting all comers.

Oregon Town Suffers A \$7000 Conflagration

BOIRING, Ore., July 28.—Fire yesterday destroyed the S. E. Waller business building and the home of S. M. Morgan at a combined loss of approximately \$7000.

Waller was awakened at 3 a. m. by a fire in the structure, which houses a store, confectionery, pool hall, barber shop and theater. The flames quickly spread to the Morgan home next door. Both buildings were partially covered by insurance. Origin of the fire is unknown.

Bonnell of Ohio, which was 915 pounds of fat to her credit.
